

Book sale a success

The library staff and board of the Petawawa Village and Township Union Public Library would like to thank the people who supported the giant book sale during Civic Centre Days.

It was a great success, and the money raised will be used to purchase more books for the library.

During the summer starting July 14, the library will be showing a film in conjunction with the summer reading program. It will be in the mornings and is open to all ages.

If you are planning your holidays, check out the camping, bed and breakfast, and travel sections of the library. There are also a good selection of summer cookbooks.

Each month a list is posted in the library of all the new books received for that month, so be sure to check of new titles.

The library is always looking for new volunteers, if you think you can help out in the afternoon or evening this fall please contact the library.

If you would like any more information on library activities please phone 687-2227.
