Not long since a premium vas offered by an agricultural society for the best mode of irrigation, and the latter word, by mistake of the printer, having been charged to 'irritation,' a faimer sent his

wife to gain the prize. A military officer, one day while re-A military others, one day wine reviewing his company, happened to be thrown from his horse, and as he lay sprawling on the ground, said to a friend who ran to his assistance. I thought I had improved in horsemanship, but I find I have fatten off.

A knotty will case is before the Courts in haltmore. A wealthy man, Samuel Stevens, died. Some time previous to his death he crased his own name and also the names of the signers to his will, and wrote under it; 'I intend to make another will.' to which he added his name. No other has been found, but lots Sensation!! of litigation is the consequence.
