Richmond Hill, Oct. 4, 1861. 149-3md

IMPORTANT IF TRUE! And every word is truc.

And every word is true.

For upwards of three years past, I have been engaged in a business, which has yielded me at the rate of \$3.000 per annum, but being desirous of going to Europe in the course of a few months for the purpose of their introducing the business, I am willing to toach it to any one who will send me \$1. The business is no humbug, but of a highly useful and goueral character, adapted both to cities and villages, and one that any person of ordinary capacity, young or old, male or famale, can arguirs with a few hurs' practice, and by which they can secure a very bandsome incomes. Soveral young ladies who have received instructions from me, both in New York State and I cannot young ladies who have received instructions from me, both in New York State and I cannot do the same Invalids, even, can do well by it, as it is no peddling affair, but a business that is perfectly respectable. Gentlemen and ladies of leisure who would like to learn the business for their their own amassement or plessure, will find the practice of it a pleasant pastime, and one that they will take great interest in. On receipt of \$1, I will send printed instructions by which any person can readily acquire the art, and these instructions will also contain every particular relative to the carrying it on so that it will be highly profitable. The purchaser of the "printed instructions" will also be author 2nd to teach it to others; and I have sometimes received as high as \$200, for teaching it pessentally to a single individual. I would state further that \$5.00 or \$3.00 will buy every thing has in necessary to commence the business with, and the articles can be get a fumest anywhere, in city or country, or, if preserved, I can furnish them Adonases, Parkara.
