MY CUTTY PIPE.

My cutty pipe! my cutty pipe!
The theme may lowly be,
But haith !!!! tune my harp and sing
A wee but lift to thee.
For the 'nor which gigums grace
Thy form o' sooty hue,
To me then all has been a joy
When ither joys were few.

My cutty pipe! my cutty pipe! Whon stooming in my cheek, And mist-tiko, owe on y auld grey pow, Ascends thy swirling teek; Olt then seet fancy wankens up, W!' a' nor fairly train. And mony a blithesome, happy thoch Gangs dancing three my brain.

When winter, snell and bare, Comes rearing free the Norlan skies, And makes me cricible sair, I seek nae doeter's drugs, but tak' Just twe, three puffs o' thee; Then, tike filly 'mang the hills, I breathe bath glad and free.

My cutty pipe! my cutty pipe! When lane I seek the burnie's lip. To muse among the flowers, I lean me on some fuggie staut And licht thee up with glee; And then the 'a round itswee' 'Tis doubly sweet wi' thee.

Wy cutty pipe! my cutty pipe!
When mirk the of oning fa's,
And kindly at my was bit beild
Some couttie crone's ca's,
I prime thee weel, and sen' thee round,
And swick inspired by thee,
The crack begins—the sang is sung—
The trauments blithely flee.

FINKLE & LYON SEWING-MACHINE COMPY, 538 BROADWAY, NEW YORK.

O person who contemplates purchasing a Sowing Machine for family or manufacture.

Sewing Machines in the World

For either Family or Manufacturing purposes. And all we ask is a fair trial. Read the following: IMPORTANT FACTS. No. 1.—This Company being duly li-sed, their Machines are protected against

infingements or lingsition.

Let No. 2.—These Machines make the lockstick—alike on beth sides—and use a little
less then half as much thread and silk as the less than half as much thread and silk as the clinia or loop stiten tractifines are better adapted than any other sewing machines to track to the frequent changes and dimost andless variety of sewing required in a family. They will sew from one to twenty thicknesses of Mars-telles without stopping, and make every sitch usefact. They will even sew from the finest gauze to the heat visit cloth, and sew south, hard leather, without changing the feed, needle, or took what was the sewing that the sewing the family use of and it best adapted to family use, why not for every variety of light sawing manufacture of recommend our larger sizes.

mend our larger sizes.

ACT No. 4.—These Machines make the mest elastic seam of any sewing-machine in use—
a fact of very great importance it sewing chastic goods, or goods of any kind, on a bras.

Acr No. 5.—No Machine is more durable or Act No. 3.—We Machine is more durable or more simple in its construction or more easily andersibod.—The reputation of these Ma-chines wherever used will fully domonstrate

chines wherever used will fully demonstrate each of the above Ya-Kr.
Fact No. 6.—These Machines took the Highset Premium at the Franklin Institute, Philadelphia.
Fact No. 7.—These Machines took the Highess Premium at the New Jersey State Fair,
Fact No. 8.—These Machines took the highess Bledal at the American Institute, in the
City of New York, together with the Highest Premium for fine Sewing-Machine
Work.

FACT NO. 9.—I hose Machines took note the Highest Perminus at the Mechanies' Fair, Utica, N.Y.
Facr No. 10.—These Machines can do the same thing generally, whenever properly exhibited in competition with other first-cless Sewing-Machines. But we have space for only one fact more—it is the most important Fact of all.

in which is included Portraits of nearly all the prominent men of America, not excepting Jeff, Davis, Gen. Beauregerff, Floyd, and a host of other confederates. Price of Portraits, \$3.00 per dozen. Can be sont by mail,
