Hume, Treasurer, that this Trustee Board for themselves and on behalf of the members of our church desire to express our sincere and grateful thanks to the members of the Ladies' Aid Society for the strenuous and untiring efforts put forth by them in order to obtain funds for the Liquidation of the Church debt. And we further as a Trustee Board wish to thank the Ladies Aid for the handsome sum of \$788, as presented by them to the Board."

### Schools Closed

The annual convention of the North York Teachers' Institute, will be held in the County Council Chambers, Municipal Building, 57 Adelaide Street, Toronto, on Thursday and Friday, October 22nd and 23rd. All schools in North York will consequently be closed to-day and to-morrow.

### Winter Time Table

A new Time Table for the Metropolitan Division of the Toronto and York Radial Railway has been issued, and will take effect on Monday next, 26th October. As there are several changes from the Summer service, patrons of the road should ask for a new time table which are kept at the stations.

### Football

On Thursday last in the park Richmond Hill High School defeated Newmarket in the first of the intercollegiate league games of football for the Silver trophy by the score of 4-0. The game was free from all roughness and the large crowd of spectators of whom about 100 were from Newmarket immensely enjoyed the sport. The visiting team were larger and heavier but the home boys had the combination.

### A Large Specimen

A few evenings ago one of our citizens was returning home when a young lady stood at the corner of Yonge & Richmond streets, almost terrified at the appearance of a huge rat under the culvert. As the gentleman came forward the savage rat rushed at him, but a kick stunned the rodent which was afterwards killed. The animal which was over a foot in length said never a word, but it doubtless felt all in.

### A Valuable Ticket

An interesting incident occurred in connection with raising the patriotic fund of nearly a million dollars in Toronto. One of the collectors announced at the workers meeting that he had received a contribution of a street car ticket. Instantly some one suggested, "Auction it off." The bidding began at a good figure, and in a moment or two the ticket had been sold to Sir Wm. Mulack for the handsome sum of \$1,000, which was, of course devoted to the soldier's fund.

### Coat Stolen

A few days ago Mr. Bert Hopper and Mr. Lou Stong went into the dining room for dinner in one of the city hotels, leaving their rain coats in the hallway. When Mr. Hopper came out he found that his coat was gone. He immediately went to the detective office and related to them what had taken place. The value of the coat was about \$25.00.

Also on "What the Epworth League stands for: to the individual, the nation, the church, the Kingdom of God." Members of the leagues of Richmond Hill circuit will give the above addresses. The Maple League will supply the solo music. The congregational music has been arranged by the general executive of the Epworth League, and is very inspiring. A good time is anticipated.

### Horticultural Society

The meeting of the Horticultural Society on the evening of the 14th was thoroughly enjoyed by all present, but unfortunately, although there were a goodly number present, quite a few were unavoidably late and others couldn't locate the place of meeting, owing to our Village Band occupying the Council Chamber which had been arranged for. This is not the first time that such a misunderstanding has arisen to the discomfiture of our members, and while we are not trying to single out who is to blame, the fact remains that such mistakes should be avoided.

Mr. Eudean gave a splendid talk on "Fall Planting," bringing out lots of discussion, that was thoroughly enjoyed.

Four new members were added to the roll, and the prospects look very bright for the coming year.

The meeting was held at the home of the Secretary, who is always ready in the emergency to place room at the Society's disposal, but really we must see to it that his good nature is not imposed on. Pub. Com.

In the basket ball contest the score was 14-7, and in football the score was 2-1. There was some very clever play on both sides.
