Commercial promotions next week.

PLAN NOW TO ATTEND MAPLE FIELD DAY, SATURDAY, AUG. 31.

MARKHAM TOWNSHIP TAX RATE INCREASED ONE MILL THIS YEAR

Fixed at Eight Mills - Proposal To Retain Old Rate and Issue Debentures Was Defeated.

BALANCE OF YEAR'S EXPENDITURE WILL BE CARRIED OVER TO NEXT YEAR.

At a special meeting of the Markham township council held at Unionville last night the rates by-law was passed and the township rate fixed at 8 mills, an increase of one mill over last year. This rate will raise \$41,527.56 which will be several thousand dollars short of the amount required this year and which will have to be carried as an overdraft. The matter of fixing the township rate has been a bone of contention for some time. Ever since the big spring flood which did several thousand dollars damage to the roads and bridges of the township it was evident that the council, was faced with largely increased expenditures this year. The contention has been as the best method of handling the increased expenditure. The issuing of debentures for a period of five years was suggested and it was claimed that this would avoid any increase in the township rate. On a division of three against two the council last night decided against the issuing of debentures, and in favor of a one mill increase of the township rate with an overdraft to be carried over to next year.

The present financial position of the township as reported by the treasurer G. A. M. Davison showed the township owing the bank at the present time about \$50,000. Of this \$15,000, has been advanced to the newly formed union school section at Milliken and will be covered by the issuing of debentures. Approximately \$1000 has been paid for electric light installation at Thornhill and will likewise be covered by debentures. The amount of township taxes returned to the County for collection, covering a three year period amount to \$10,421.50 and a certain percentage of this amount will come back to the township treasury this year.

It is estimated that it will require the following expenditure for the balance of the year; bridges \$7000., unfinished road work and repairs to bridges \$8000., Board of Health \$400., Salaries \$2500., Interest \$2000. in addition to items of miscellaneous expenditure.

Deputy-Reeve Stiver felt that the rate should be increased to eight mills and that the overdraft could be wiped out by maintaining the same rate in 1930. He thought that this was better business than to issue debentures. Councillor Coakwell and the Reeve concurred and the clause fixing the rate at eight mills was adopted. Deputy-Reeve Padgett pointed out that with an eight mill rate there would be an overdraft at the bank at the end of the year of \$17,000. Treasurer G. A. M. Davison said that undoubtedly there would be an overdraft at the bank at the end of the year and that probably \$17,000 would not be far out. He would estimate it at between \$15,000 and \$17,000. Deputy Reeve Padgett did not think that this was good business and favored keeping the rate at seven mills the same as last year and issuing debentures for \$20,000. for a term of five years. Those opposed to the debentures said it would cost a mill every year to carry them, but Mr. Padgett claimed it would cost no such thing. Councillor Smith also favored issuing debentures and predicted that the overdraft at the end of the year with an eight mill rate would be \$20,000. Speaking in favor of the eight mill rate, Reeve Gohn pointed out that next year the township would receive a government grant increased by some eight thousand dollars by virtue of the extra work this year and also drew attention to the \$10,421.50 unpaid taxes which he claimed was a liquid asset. Deputy-Reeve Padgett foresaw difficulties in financing as he pointed out he understood the township could only borrow up to ninety per cent. of the taxes levied for township purposes.

"I think your courting trouble" he said "but if the majority favor it go ahead. You'll stand the brunt, but I won't."

The County tax is also up this year. \$43,806. is the amount required for County purposes and this will require a rate of 8.2 mills which is an increase over last year of 1.14 mills. The rate for the Police village of Unionville was fixed at 10 mills and for general High School education throughout the county \$7,006.20 with a rate of 1.3 mills. There is also the general township rate for education and the rates for the various school sections according to the amount required.

Councillor Smith wanted something done to the sixth concession which he said was in very bad shape. Deputy Reeve Stiver suggested that there was a lot of good material on the sides which would be scraped up with the grader to fill the bad holes at the side. The road superintendent will go over the Scarboro and Pickering townlines and ascertain how much will have to be done, but the council plans no large expenditures on these roads this year.

SUCCESSFUL MIXED TOURNAMENT FOR MRS. E. T. STEPHENS TROPHY HELD ON WEDNESDAY

One of the most successful mixed tournaments in the history of the local club was held on Wednesday afternoon, when some thirty four rinks competed for the Mrs. E. T. Stephens silver trophy and the handsome list of individual prizes. The tournament was carried out despite the showery weather which interfered with the attendance of many rinks, which otherwise would have been on hand to take part in the games and with fine weather it was certain to have had forty rinks to make up two full draws. The premier honors of the day including the handsome trophy and the individual prizes of silver baskets for the ladies and silver plates for the men were won by a Richmond Hill rink skipped by J. Harry Naughton. Other members of the winning rink were, Miss Endean, Geo. Glenn and Mrs. G. H. Glenn. The 2nd prize for 3 wins and high score, blankets, was won by skip McKinley, of the Thistles Club; third prize jardi-niers and desk lamps won by skip Austin of Kew Beach, fourth prize of half dozen goblets for the ladies and half dozen salad plates for the men won by skip Loughead, Kew Beach. The fifth prize for the high score with two wins, Dresden comports for the ladies and vases for the men, was won by skip Smith, of Rusholme club, sixth prize second high score with two wins, sandwich plates for ladies and brass plates for the men, won by skip Bryden of Tottenham; the seventh prize for the highest score with one win, cups and saucers, was won by skip McKenzie, of Kew Beach.

Other Richmond Hill rinks taking part in the tournament were: Mrs. Sanderson, W. A. Wright, Mrs. W. A. Wright, Wes Wellman, skip; Mrs. E. T. Stephens, A. G. Savage, Mrs. A. G. Savage, E. T. Stephens, skip; Miss H. Switzer, George Gee, Mrs. N. J. Glass N. J. Glass skip; Mrs. Kerswill, C. Kerswill, Miss McLean, G. Moodie, skip.

STRUCK ARTESIAN WELL

Mr. J. E. Hodgins of 6024 Yonge Street, Newtonbrook, Ontario, recently struck an Artesian well at 90 feet on his new subdivision, Glen Echo Beach, 35 miles north of Toronto and 2 1/2 miles south of Keswick. Mr. Hodgins who lived for 10 years on the farm 2 miles north of Richmond Hill gives an invitation to anyone wishing to spend a day bathing or on a picnic.

VAUGHAN TOWNSHIP BARN DESTROYED BY FIRE

Struck by lightning on Saturday afternoon last, the barn of J. E. Hadwin, of Vaughan Township, was destroyed by fire and the untiring efforts of neighbours and the efficient work of the Maple Fire Brigade saved other buildings situated very close to the fire. In the barn which was burnt this years wheat and hay crop and some implements which were stored there. The loss is only partly covered by insurance. (1) of the layout shows J. E. Hadwin owner of the barn and who has expressed his sincere appreciation of the work of the neighbours and of the Maple Fire Brigade. (2) the danger of the fire spreading can easily be seen in this picture which shows the other buildings of Mr. J. E. Hadwin and those of his brother situated close by. The buildings of Mr. J. E. Hadwin and those of his brother situated close by. The buildings of Mr. J. E. Hadwin and those of his brother situated close by. The buildings of Mr. J. E.
