## WHITCHURCH FARMER SUFFERS LOSS BY FIRE

### BARN AND CROP DESTROYED

Alfred Dixon of Lemonville, on the sixth concession of Whitchurch, on Thursday last lost his barn and contents to a total loss of over \$10,000 in a fire caused by a spark thrown from the threshing machine.

Threshing was in progress at about 5.30 in the afternoon when it is said the engine, which is a steam one, threw the spark on to a nearby stack. This immediately went up in flames which rapidly spread to the barn. The progress of the fire was so swift that it was found impossible to extricate the separator although there was a cable attached to it.

The efforts of hundreds of people attracted by the blaze and of the Stouffville fire department proved unavailing and the farm buildings were destroyed. The house, however, suffered no damage. The loss is only partly covered by insurance.

In the barn, which was a very large one, built only five years ago, were practically this whole season's crop, with the exception of fifteen acres and also 35 bushels of alsike seed and two bins of last year's grain. The blaze also destroyed 25 hogs sheltered in the barn.

## BUTTONVILLE

The Institute held their August meeting at the home of Miss Roddick when the Unionville ladies were guests of the afternoon. Mr. Leaf gave an address on flowers, Miss Galbraith sang a solo, Mr. Jackson gave a piano solo, Mrs. Brooke a paper on the League of Nations, which made a very delightful program. A floral contest was held, Mrs. Kelly taking first prize for dining room and Mrs. Flood for sick room bouquet. A bountiful luncheon was served by Miss Scott, Mrs. Brooke, Miss Hord, Mrs. McQuay and this brought to a close a very pleasant afternoon. The next Institute meeting will be at the home of Miss Jessie Thompson. The Institute ladies sent the beautiful flowers to the Thistleton Sick Children's Hospital, after their floral contest and also sent a donation of candy to the True Blue Orphanage, both of which were very kindly received.

Mrs. Daly, of Detroit, with her husband and son visited with her sister Mrs. Will Gohn and other friends during the Exhibition.

Mrs. Padget and Mrs. McKell also visited Mrs. Gohn last week.

Brown's Corners Anniversary will be held September 22. Special singing is being arranged for and everyone is trusting for a big crowd and a fine day.

Rev. Mr. Wood preached to a full house last Sunday. It must be more encouragement to preach when the seats are all full. But the seats are not all full in the Sunday school. It would be encouragement to superintendent and teachers to have the children come and to see the parents occasionally.

Mr. Walter Craig visited the "Ex." on Saturday evening.

Miss Mae French and Mrs. A. French motored to Oshawa on Wednesday and spent the day with Mr. and Mrs. A. J. Thertill and Miss L. Blackler.

### SUNSET AFTER RAIN

DICK says the rain has wet the sun; I really think it must have done; Just look how all his colors run; Pink streaks and stripes in every place Like Bella's when I washed her face; Most of her pink when I had done Was on my hankie, but the sun, With no one near his face to dry, Spills all his color on the sky.

She wanted to have a finger in the pie, but I smelt a rat and nipped it in the bud.

## HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION

### AGE INCIDENCE OF TUBERCULOSIS

The importance of protecting young children against tuberculosis has been frequently pointed out. Perhaps because of this, if we may judge from the opinion expressed by various people, quite a number of adults are under the impression that they need not take any particular care, and that when they pass the fortieth year, they run no further danger of incurring tuberculosis. In order to correct this false idea, we are giving the age of death for this disease in Canada, in the year 1926:—

Under 1 year—233	20-29 years 1,970
1-4 years — 443	30-39 years 1,428
5-9 years — 236	40-49 years 1,011
10-14 years — 386	50-59 years 530
15-19 years — 859	60-69 years 450
70 years and over 273	

From these figures it will be evident that, while tuberculosis takes its chief toll during early adult life, causing a high percentage of all deaths from 20 to 40 years of age, it is not, by any means, confined to any period of life.

A large percentage of all people

take into their bodies, some time during their lives, the germs of tuberculosis. In most cases, these germs are held at bay and the disease never actually develops. The germs are there, however, and are a constant threat. They are most apt to get their chance to cause disease if the body is weakened through the attack of some disease, such as influenza, or even a common cold or diseased teeth. Over-fatigue, worry and exposure also lower the resistance of the body. If additional heavy doses of the germs of tuberculosis are taken in, they may cause actual disease at any age.

For all these reasons, it is evident that throughout life, care should be taken to keep the body fit and to avoid infection.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered personally by letter.

### YOU GET WHAT YOU PAY FOR

Trade is based on the old system of barter in which one person exchanged articles of which he owned a surplus for others which he needed. Both parties in the deal secured what they needed and both paid for it. Neither got anything for nothing.

The same system is still in practice. No person gets anything for nothing. Things of quality demand high prices and cheap articles tend to demoralize arts and manufacture. You cannot buy silk for the price you pay for cotton. The same applies to every article of merchandise.

The resident who goes outside of Richmond Hill hunting for bargains fools nobody but himself, although he does hurt his own town. If outside merchants sell bread cheaper than local storekeepers they charge more for butter. They give nothing away, and those who patronize them are disillusioned.

Remember, you get more value for your money in Richmond Hill than anywhere else. You do not pay any more in the long run and your money remains in Richmond Hill and comes back to you. Your community will be benefitted and this co-operation finally spells success.
