CAE 5, Village Pizza 3

Sinking goals for CAE were Bob McMeekin with three, David Bourque with one and an assist and Rich Kern with a goal, Glen Jarvis and Gerald Shannon with an assist each.
Kevin Merritt got two counters with the help of Chris Patterson and Peter Kennedy and Bob Hoult one for Village with Merritt getting the latter up.

STOUFFVILLE: Mid-March delivery is expected

of a new 1973 model pumper for the local fire department. The International cab and chassis has been shipped to Pierreville, Quebec, where it will be fully outfitted. The cost is \$35,000. The old truck, a 1946 Fargo will then be moved out of the hall and will likely be used by the works department.

Bayview Teams Win Triple Header At Richmond Hill High

Bayview's three male basketball teams went to Richmond Hill High Friday of last week with their hopes high. They weren't disappointed. All three matches were won by the Bayview hoop masters. Nothing should be taken away from the RHHS squads. They played excellently before their home crowds.

MIDGET STANDINGS UNCHANGED

The midget game had no effect on the standings because Richmond Hill High didn't enter a midget team in the York County South League. But they decided to make up a team to play Bayview and fill the triple header card.
The score? It was 45-23, advantage Bayview. Leading scorer for Bayview and the game was Rick Carton with 26 points. He played well both ways. So did Al Hause and Kevin McLeod. Bayview's Midgets will travel to Thornlea Secondary tomorrow (Friday) for a tough game. Bayview Juniors and seniors will also be playing at Thornlea.

MALCOLM'S MARAUDERS WIN AGAIN

Bayview's Juniors used their talents and carried themselves to a 54-38 drubbing of the RHHS Juniors. A lot of people considered Richmond Hill the team to beat in York County South Junior "A" competition. Both these people and I were proven wrong. I thought they were the strongest, also, when the Bayview team came to town to play.
Leading Bayview to a win was Trent McCabe with 20 points and Paul Jarvie with 14. Albert Munroe and Steve Pengate also played well.

HILL SENIORS DESTROYED

In this game Bayview almost completely dominated play as they won 74-38. Bayview Centre John Olsson didn't play, as he was soaking up sun in Florida. In his place was Craig Foss, playing a great game as a "fill in". Leading scorers were Alex Matthews with 26 points, plus Henry Kattenburg and Sante Maiuri with 10 each.

REACH MARKHAM FINALS

Markham Secondary held an invitational basketball tournament Saturday and Bayview Secondary entered its senior team. Bayview did well, reaching the final against a pummelling Port Perry team.

SCRUPULOUS OPENING WIN

In the first game of the tournament Bayview actually had to go into overtime to defeat Ingersoll 52-50. As the buzzer went to end regular time with a tie, a foul was called against an Ingersoll player. This gave Peter Agg of Bayview two shots. He only had to sink one to win the game. But he sank them both, giving Bayview a two point final advantage.
Leading scorer again for Bayview was Alex Matthews with 16 points, equal with Agg's 16 total. For Ingersoll it was Talbot with 22 and Fortner with nine.

COME-FROM-BEHIND-WIN

In the second round Bayview came from behind to win against Orillia Secondary. Orillia led 14-2 at the end of the first quarter and never lost the lead throughout the game until the final moments. Bayview, however, tightened play up and kept it close until they squeezed in for a 41-41 win.
Leading scorers for Orillia were Reid with 10 points and Broere with nine. For Bayview it was Matthews with 21 and Junior Forward Trent McCabe with eight. Special mention should go to McCabe who helped out the club by moving up and playing well for the seniors.

BIG PORT PERRY WIN

To say Port Perry held the edge in play is the least I can say. They hammered Bayview 83-44 in the final game to win the tournament. A look at the half time score shows Port Perry led 60-12.
At centre for the Port Perry Club was a big lad named Zoet who stands seven feet three inches tall. He scored 22 points in the first half before being replaced.
The winning club's coach inserted second string players in the second half. They played well enough to hold Bayview to a 32-23 edge in second half scoring. Also impressive for the Port Perry team was Williams with 20 points.
For Bayview again it was Alex Matthews with 21 points and Trent McCabe with eight.

BOWLING RESULTS

ABC BOWLING
The Hell's Angels are still leading with 28 points, followed by the Rovers with 23 points, Powell's Meatheads 22.
Leading the President's Trophy race are Hot Shots with 48,488 points, Hell's Angels 48,279, and Powell's Meatheads 47,699.
Top three ladies for the night were Marg Price with 712 (141, 356, 215); Frances Warner 635 (209, 172, 254); and Daphne Moore 630 (205, 231, 194).
For the men it was George Stephanus with 760 (255, 264, 241); Joe Shelton 679 (203, 283, 193); Sam Moore 662 (276, 165, 221).

ABC MEN'S MAJOR

The last night of bowling in the second series saw the battle for first place go to the final game to decide a winner. Team No. 1 swept its opponents for the fifth night in a row to finish on top by one point over Team No. 3 who dropped its last game to F. Engel's.
Halfway through the season, Bob Julian continues to lead the high average race with an average of 260. Garry Palmer is in the runner-up spot at 243.
Big roller on the night was Tommy Biso with a 333 single and an 835 triple, which enabled him to take over the seasonal high triple with handicap of 898.
Final standings in the second series:
Team No. 1: 18; Team No. 3: 17; Hall's Fuels 12½; Team No. 8: 12½; ABC No. 1: 8; Team No. 6: 7; F. Engel's Gulf, 5; Bill's Radio and TV, 4.

NORTH YORK—The rate of crime in this borough has

dropped for the second year in a row. The overall decline is from three to four per cent, but there were about 3,000 thefts from cars.

Richmond Hill Tracksters Impressive In Losing Track Competition

The 1973 track and field indoor season in the Metro area was officially fired off December 30 at the CNE Coliseum with the trials for Ontario athletes wishing to compete against Quebec.
Richmond Hill competitors Sheila Harrison and Dianne Digdens competed in the 50 metres and 300 metres with both girls faring well in their individual heats, but losing the final tests because of inexperience or lack of training.
Dianne, just back from two weeks in Florida, had but a short three-day period to prepare herself for the 300 metre event and this lack of training time showed in her sixth place finish.
Sheila suffered noticeably from nervous tension as could be expected from a 17-year-old competing for her first time against the best athletes in Ontario. She ran a respectable fifth place finish against girls of junior calibre, 19 years of age.

Although local athletes will not be participating, the trials for the Maple Leaf Games will be held January 20 to select the Canadian athletes who will participate in this big international event. The opening event is scheduled for 10:30 am Saturday.
On January 27 a meet sponsored by York University will be held at the coliseum track.
The installation of the government-supplied 200-metre track at the coliseum has created great interest in local athletes and the Richmond Hill AC contingent practices there Monday evenings until 8 pm.
Local training is to be continued at Crosby School Wednesday night concentrating on calisthenics, conditioning, and running form. When indoor meets are scheduled for the younger members (bantam and under) a good contingent will be ready to participate.

The formation of an Ontario Team is also in the planning stage with the top two athletes, both male and female, in all events qualifying for placement on the provincial team.
Top coaching, training conditioning, and competition is planned for this elite group with the hope that the best athletes will improve when supplied with top competition at an international level.
A second team will also be presented on the same basis which will include the third and fourth best athlete in all events.
Members of the provincial team will be challenged from January to June by other Ontario track and field competitors who can knock them from the team by direct competition or better performances over a period of time.
The Ontario Team concept is another proposal from the COFTA to upgrade the province's track and field mem-

bers and supply incentives for athletes from smaller areas to train and obtain the best training available.
A unique feature of the Ontario Team proposal will be the inclusion of the athlete's club coach as part of the training scheme thereby eliminating the problem of having to sever training programs with their immediate local club when they make the team.
Club registrations and memberships for the Richmond Hill AC are being processed for 1973 this month and local running and jumping buffs are urged to register their intentions with Bill Alexander, club secretary, before the end of the month.
Richmond Hill AC track and field is open to anyone from 6 to 60 with a membership fee of \$3 a year for juniors and under, and \$5 per year for senior members.
Membership fees cover the registration of the athlete with the national and provincial association which govern all track and field meets in Ontario... no registration, no competition.
For the 1973 season the local track club has adopted the Ontario Standards Plan and any athlete who equals or betters the standard for individual events will have the meet fees paid by the RHAC.
For example, a juvenile runner, 16 or 17 years of age, must equal or better 11.4 in the 100 metres for a boy, and 12.8 for a girl to qualify for meet fee payments by RHAC.
Club standard papers are available for all divisions from bantam to senior from Mr. Alexander at 71 Talara Drive, Apartment 105, Willowdale, phone 226-2732.

NORTH YORK—Based on the new formula that four

hospital beds are required for each 1,000 population, this borough has a surplus at present. Therefore council will be unable to spend the \$900,000 in its hospital fund. For 10 years North York has set aside one mill of the tax rate for hospital construction. One mill now produces \$1.3 million.

There are many reasons why Ziebart Envirogarde is the best comprehensive car protection process available.

One of them is our metallo-organic, micro-crystalline paraffinic sealant.

We inject it into the hidden seams, corners and hollow boxed-in areas under your car's outer body. Our sealant with the incredible name stops rust and corrosion from getting a start better than any other sealant, anywhere.
It prevents the environmental attack of moisture, salt-laden snow, calcium chloride and industrial fallout.
Because it can withstand any Canadian climatic conditions, it will protect your car beyond its mechanical life expectancy.
Inside the body is just one place that Envirogarde protects.
Our unique conditioners and glaze-coat prevent oxidation and damage from pollutants.

salt and abrasions on the exterior finish. Envirogarde actually gives your car a better shine than when it left the showroom. And keeps it that way.
We treat the interior with our exclusive rug and fabric protector. This special formula gets deep down into the fabric. Making the interior of your car stain and wear resistant.
You don't have to remember our metallo-organic, micro-crystalline, paraffinic sealant. Just remember our name. Ziebart Envirogarde.
Your new car can't live without it. While we have your new car we'll give you one of our new courtesy cars free.
