

Porcupine Theatres Limited

The above Company was formed to build, own and operate a modern theatre in the town of Timmins. It is the intention of the Company to erect a three-storey building with an up-to-date dancing hall in the basement. There will be two stores on the ground floor. The second floor will be devoted to offices and the third floor to apartments. The seating capacity of the theatre will be at least twelve hundred. It is the intention of the Company to display only first-run pictures of the best class. The stage will be built large enough to accomodate any road shows that the management decides to engage. The theatre will be installed with the best ventilating system obtainable to insure the comfort of its patrons. The authorized capital of the Company is two hundred thousand dollars made up of two thousand shares, par value one hundred dollars each. These shares will go on sale Thursday morning May 12th. These shares will be sold on a basis whereby every citizen will be able to purchase. Twenty-five per cent. with subscriptions and the balance spread over a period of six months without interest. It is the duty of every citizen to buy stock. You will be boosting your town and at the same time be making a very profitable investment. **Get in on the ground floor.** Money will not grow in your pocket. **Timmins is a growing town.** It is the coming city of the north. It is not a boom town. But it has a solid foundation which insures a steady and permanent growth. The big drive will commence tomorrow May 12th. If a canvasser does not call on you, fill in the form below and mail it in to the secretary, James K. Moore, and a canvasser will call and see you.
