Timmins and District Notes

The next Band Concert will be given in the New Empire Theatre on Sunday evening, Feb. 26th, after the church services. A special programme of particular interest and attractiveness is being prepared for the occasion.

Another concert will be given in the New Empire Theatre early in March by the Schroeder Orchestras. Mr. Schroeder says that the coming event will be even better than the last. The event will be under the auspices of the Porcupine Branch of the Navy League.

Mr. A. S. Fuller returned last week from a visit to points south. Among other places visited were:—Nevada, where he spent some days with Mrs. Fuller who is at the hot springs there for her health; Frisco, where he saw Clarence Everingham, formerly of the Dome; Los Angeles, where he met Mr. Chas. See, formerly of this Camp; Topeka, Kansas, where he visited his old home.

The Novelty Dance at the McIntyre Hall last Tuesday evening proved a special success, though all the McIntyre Recreation Hall events seem to be pleasing and successful in every way. The music furnished by the McIntyre Orchestra, 12 pieces, under the direction of Mr. Cedarborg, was a special feature of the evening. There was fun and pleasure in plenty, and the cafeteria lunch served added to the enjoyment of the evening.

Last week at Hearst a case under the Inland Revenue Act had to be postponed because the evidence was missing. The police thought they had a fine array of evidence against a Hearst man for breach of the act, the evidence including apparatus that the police said comprised a still and a barrel of mash for the illegal making of liquor. This evidence, however, was apparently stolen from the police residence at Hearst, the place being broken into in rather clever fashion to accomplish the "burglary."

Mr. J. D. MacLean's residence was broken into Monday evening in the absence of Mr. and Mrs. MacLean. A quantity of silverware and other small articles of value were stolen.

Mr. W. M. Widdifield left Tuesday for his home in Newmarket, having received a wire to the effect that his mother was seriously ill.

The next regular meeting of the Porcupine Branch of the Canadian Institute of Mining and Metallurgy will be held in the Public School, Timmins, on Tuesday evening, Feb. 21st, at 8.15 p.m. The subject for discussion will be of a geological nature.

At the G.W.V.A. banquet to the Iroquois Falls Hockey team last week, enthusiastic hockey fans in the Paper Town subscribed \$737.00 to the Hockey Club funds, the Abitibi Power and Paper Co. putting up another thousand dollars for the fund.

Mr. Jos. Berini returned to town last week, accompanied by his bride, and Mr. and Mrs. Berini will receive very sincere welcome here from hosts of friends in town and district. Mr. Berini, as will be noted from his announcement elsewhere in this issue, is "back on the job" and ready to give his well-known courtesy and attention to all business in the garage line.
