ELEPHANT BALL GAME

Of the many stunts performed by
the Sparks Circus herd of Elephants
the one that probably gets the most
appreciation is the game of baseball
played by these mighty and unweildy
 pachyderms. Every play is gone
through with in the most ludicrous
manner, and the laughs furnished by

home plate never fail to bring forth
rounds of applause and laughter from
the audience. Another funny situa-
tion is when the pitcher has two
strikes on "Big Mary," he and the
catcher get into an animated argu-
ment over the next ball to be served
by the pitcher and trumpet into each
other's ears. This little piece of by-
play always meets with the instant

this number will remain as a pleasant
remembrance of the circus.
All the accessories—pitcher, batter,
catcher, umpire, fielder and their
gloves, masks, bats and uniforms—are
present, and "Big Mary" in the roll
of batter seldom misses a home-run
swat, and has thus established a .400
mark batting record for herself.
Running the bases and the slide to

approval of the audience and adds
greatly to the already funny number.
This act was presented to New York
City's delighted millions last winter
and came in for more favorable news-
paper comments than any animal act
seen there in recent years. This fea-
ture is positively on the program of
the Sparks World Famous Shows,
which are billed to exhibit in Timmins
Saturday August 2nd.

**SCHEDULE OF MATCHES
FOR THE DICKSON CUP**

Twelve Games Scheduled for Cham-
pionship Trophy of the District

A series of twelve games has been
arranged among the football teams
of the district for the competition this
year for the handsome E. G. Dickson
silver cup, now on display at E. H.
Bridger's store. This cup has only
been won one season, though it is
several years ago that it was donated
by Mr. E. G. Dickson. The war and
other causes interfered with football
in this district until this year when it
is again one of the popular sports.
Timmins was the first and last win-
ner of the Dickson Cup and this year
again the Timmins team hope to re-
tain the trophy. The following is the
schedule of games as announced last
week, the game in each case being
played on the grounds of the team
first named:—

July 19—Iroquois Falls vs Porcupine-Dome.
Aug. 1—McIntyre vs Iroquois Falls
Aug. 6—Porcupine-Dome vs Mc-
Intyre.
August 8—Iroquois Falls vs Tim-
mins.
Aug. 13—Timmins vs Porcupine-Dome.
Aug. 21—McIntyre vs Timmins.
Aug. 22—Porcupine-Dome vs Iro-
quois Falls.
Aug. 27—Timmins vs McIntyre.
Sept. 3—Porcupine-Dome vs Tim-
mins.
Sept 5—Iroquois Falls vs McIntyre
Sept. 10—McIntyre vs Porcupine-Dome.
Sept. 12—Timmins vs Iroquois Falls.

**SEVENTY-FIVE TOWNS
UNDER HOUSING ACT**

Seventy-five municipalities in the
Province have passed by-laws under
the provisions of the Ontario Housing
Act, and about forty municipalities are
now building houses under this plan.
Over 1200 plans have been approved
and about 400 houses are now in
course of construction. The munic-
ipal village of New Toronto, for in-
stance has let the contracts for over
50 houses, 6-rooms, solid brick, price
\$3,000.00 each. There are 17 cities
working under the Ontario Housing
Act, and 32 towns, Timmins being in-
cluded in the latter list. There are
14 villages and 11 townships taking
advantage of the Provincial Housing
plans. Through various delays, the
Timmins Housing Commission has
been held back up to the present, but
hopes now to swing right ahead and
do something. Accordingly applica-
tions are invited now for houses under
the Housing Act legislation.

**HOME PRESIDENT'S WIFE
GIVEN BELGIAN MEDAL**

Mrs. J. S. Bache, wife of the Pres-
ident of the Dome Mines Company,
recently received at her home in New
York a medal with the following let-
ter in recognition of her work in
connection with the victims of the war
in Belgium:—

This medal is sent to you by the
war victims in Belgium during the
occupation. It is given to you as a
token of gratitude for the help that
you have given them during the war.
Only a very few of these medals have
been made, and thus given only to the
greatest, most devoted and most
charitable helpers. The mothers who
have been helped through the dona-
tions secured through you wish me to
especially thank you.

**IMPORTANT GOLD STRIKE
AS REPORTED AT THE PAS**

The last issue of The Pas (Mani-
toba) Herald reports prospectors com-
ing into the Camp from the Athapa-
pashow Lake mineral region as stat-
ing that the Gordon's dyke, on Copper
Lake, is the greatest gold find of the
day in size and even distribution of
values. It is claimed that none of
the samples submitted for assay went
under \$9.00 a ton and none over \$14.
60 to the ton. The dyke measures 20
feet in width and extends for a dis-
tance of 5000 feet. The Herald thinks
it is a remarkable discovery and a
representative of the paper has left
for the scene of the strike. An old-
timer of the Porcupine who spent
much time in the past few years in
the Pas district, on the other hand
was not unduly excited over the
strike. "Knew it was there, and have
been all over the ground. It's a
rich gold strike all right, but not prac-
tical until there are better means of
transportation, etc. As for gold, \$9
to \$14 to the ton of ore that does not
sound as stupendous to people used to
Porcupine high-grade ore, as it does
to others out in the west."

**For The Hot Days and
for the Cooler Weather**

You need a Perfection Oil Stove. In the cost of
fuel these stoves give you a decided saving. In
the hot days they make it possible to keep the
house comparatively cool,—for when the cook-
ing is done, the stove may be turned out instantly
and all the heat thus ceases. In the cooler days
when it is just a little too cool to do without "hot
foodstuffs" they also are invaluable. Let us dem-
onstrate to you the advantages of

**THE PERFECTION
OIL STOVE**

Suitable for every kitchen requirement,—roasting, toasting, broiling,
baking, frying, ironing, etc. Just as much or as little heat as you re-
quire. Clean, sanitary, safe, economical. Made by Canadian work-
men in a Canadian Plant.
