Schumacher vs. Holly Rees.—This match was played on Thursday last on the Schumacher ground and ended in a win for the home team by 2 goals to 0. The game commenced before a good attendance and the Holly Rees., were the first to attack, but Johnson cleared well and Robson got away on the left but put behind. Even play followed but slackness on the part of the home forwards gave Ash in goal an easy time. From a throw-in Dougall put in a good centre but Halliwell missed a good chance. Elrick by good play sent his forwards away but Hamilton placed behind. Stodden tried hard to get through but failed. Half-time arrived with no score.

Robson and Hitt changed places in the second half and this brought a change in the game, the first half being very poor. Hard as Elrick worked he could not keep back the Schumacher boys and from a corner by Dougall, Robson scored the opening goal. Holly Rees, were now a tired team having played with 10 men all the game and Schumacher were having matters their own way. Towards the finish Hitt following up a loose ball on the left got a surprise goal and the game ended shortly after with the home team easy winners.

Final Schumacher 2; Holly Rees. 0. Referee Tomlinson.

The line-up—

Schumacher—Wills, goal; Martin and Johnson, backs; McGowan, Cooper and McDonald, half-backs; Dougall, Halliwell, Hitt, Cran and Robson forwards.

Holly Rees.—Ash, goal; Elrick, and Collings, backs; Stodden and Johnston, half-backs; Walsh, Thompson, Hamilton, Norish, and Stewart, forwards.

A raid on a Finlander boarding house on Monday evening resulted in the seizure of a quantity of liquor cached in the partitions of the kitchen, and also the arrest of the woman in charge, who was later released on bail. COUPLE MORE OF THE SNEAK BURGLARIES THIS WEEK.

There were a couple more of the petty sneak-thieving burglaries this week. Dr. Porter's office was entered and electric fixtures taken away including lamp, shades and bulbs. Also the warehouse of Chas. Pierce & Sons was entered and a couple of bags of oats stolen. The police have been on the track of the sneak thieves for some time and arrests are expected shortly that will clear up these petty robberies. The two robberies this week bring the total of recent burglaries to about a dozen. In no one case has any serious loss been suffered, but the incidents are annoying and against the rule of the town for law-abiding orderliness.

Dome Team Completes in First Aid Competition for North

Only Two Other Teams in Contest—Hollinger and O'Brien Mines. Timmins Wins from Dome at Football. Interesting Soft Ball Games. Other "Dome Foam" for the Week.

Mrs. Lambertson and Miss Mona Bridson, of Windsor, Ont., and Mr. and Mrs. Joe Cretny, of Timmins, were visitors to the home of Mr. and Mrs. Dan Hughes on Sunday evening. The many friends of Mr. and Mrs. "Dick" Curboy are bestowing congratulations to the popular couple because a little baby girl was born to them on the eighteenth.

The St. John Ambulance Association held their initial First Aid Competition among the Brigades of the mines of the North. The trophy is a beautiful silver shield, donated by Mr. George Wright, of Toronto, who is Vice-President of the Association in Ontario. Capt. Debnay was up from Toronto to officiate as examining judge and the Dome Division were represented by Mr. S. Phillips, (Capt.), Mr. Ed. Uren, Mr. Robt. McWilliams and Mr. H. H. Costain. These four went to compete with a determination that they would make any other competing team "step out" to beat them. This being the first year of this contest, there were only three brigades entered—the Dome, the Hollinger and the O'Brien Mine of Cobalt. No word has been received up to the present regarding the outcome, but the Dome boys are optimistic, and are anxiously waiting word from headquarters.

where the final summing up of the marks is being made. It is planned that the shield will be presented by Mr. Nesbitt, President of the St. John Ambulance Association, and the Honourable Minister of Mines, Mr. McCrear, to the successful team.

Mr. Walter Cliff and family are leaving shortly for Tampa, Florida, where, we understand, Mr. Cliff is going into the real-estate business. Walter has made a host of friends around the Camp and all join in wishing him great success in his new venture.

The Soccer Match between Timmins and the Dome in the Dickson Cup Series was an easy win for the Timmins aggregation,—five goals to nil. The result was hard to swallow, but the team from the most populous section of the Camp is without the least doubt a good team, and we know it. The game reminded us (because it was so different) of the 1921 season, when the Dome were unbeatable, and Timmins were the losing team. However, as Bob Harrower says, "now that Kirkland Lake have been eliminated by Timmins (2 to 0), the final for this district's trials for the Ontario Cup will be played on the Dome's ground next Saturday, and several of the old 1921 team, whom we will call the old contemptibles, are going to get out for this game to show Timmins that the Dome is still worthy of notice." A good hard-fought game may be looked for, as the winners of this match will be the Ontario Cup champions for this district and it is hoped that a good crowd of spectators will grace the grand stand, and also the HAT.

Motoring would be a whole lot safer if the scrub green brush that obscures the view on the many curves on the roads of the district, were cut down so that a driver would have a chance to see what was coming. Those who have the authority to order this safety-first precaution adopted, are respectfully asked to have this done before there is a bad accident.

P. Marino, who drives the Rickenbacker taxi, had a bad scare on Saturday when, while turning in on the taxi stand at So. End, a youngster ran right into the car, and only for the promptitude of Marino, might have been killed. Witnesses state that absolutely no blame could be attached

to Marino, but he assumed the cost of all possible expenses and also offered the parents of the young lad fifty dollars.

Mr. Ted Brooker left on Sunday for Central America where he has secured a responsible position with the Honduras & Rosario Mining Co. Mrs. Brooker sailed from Montreal for the Old Country on the 28th.

The Dome Athletics trimmed South Porcupine on the 24th—12 to 9.

You have probably heard or read that quotation, "When Greek meets Greek they open a shoe-shine parlor," or is it, "Then comes the Tug-of-War?" Well the Dome Athletics and the Dome Tripods met in a P.D. S.B. league game on the 25th and it sure was a tug-of-war, and the fans and players had as much fun and ex-good for their hardening arteries. eitement dished out to them as was The score 9 to 8 in favor of the Athletics is an indication of the thrills that were in this game. These P.D. S.B. games are not patronized as much as they deserve, probably from the cussedness of human nature, that folks don't appreciate anything they don't have to pay for. The class of ball as played in the games are full of just as many good baseball plays as the best of the hardball this season.

Miss Elizabeth Robertson, of Alloa, Clackmannanshire, Scotland, arrived at the home of her brother, Mr. Joek Robertson, on Sunday evening. Miss Robertson, (or probably, as this is read, Mrs. M. Watson) related a horrifying tragedy that happened when the C.P.R. liner, Marloeh, on which the young lady sailed from Glasgow to Montreal, collided with and cut in two, a tug boat that sunk with a crew of nine of which 7 dead bodies have been recovered. Miss Robertson happened to be standing close to the bow of the Marloeh when the tug attempted to cross its bows. This happened at Quebec port last week.

A young man named Donald Russell who has been working in the Mill and was a brother-in-law to Mr. Hughie Dysart, and Mr. P. Philbern, died of pneumonia at 4.30 a.m. Sunday morning in the hospital. He is to be interred from Schumacher to Timmins cemetery on Tuesday. The sympathy of the Camp goes out to the bereaved family.

Nurse—There's a man outside who wants to know if any patients have escaped lately.

Doctor—Why does he ask?

Nurse—He says somebody has run off with his wife.—Cornell Widow.

Kind Lady—Boys, boys; you mustn't fight. Don't you know this is Sunday?

Small Boy—Aw, shucks, lady we don't belong to none of them labour unions.
