BAND CONCERT THURSDAY EVENING OF LAST WEEK

The fifth open air band concert of the season was held on Thursday evening of last week, but owing to the weather was not as largely attended as some of the previous events this summer. Many, however, turned out to enjoy the evening's good music, and all were well pleased at the excellent work of the band. A special feature for the music-lovers was the cornet solo parts in some of the selections, these parts being very pleasingly given by Mr. Williams, a new member of the band. All the numbers by the band were effectively given and much appreciated. It was intended to have another band concert on Sunday last, but the weather prevented. All band concerts this season are necessarily dependent upon the weather. Weather permitting there will be another band concert this coming Sunday evening July 18th, after the church services. On account of the members of the band being on different shifts it is not possible to hold a concert on a week night every week, and so every second week the use of Sunday evening for the concert is necessary, if the events are to average one a week.

Schumacher's Celebration of Twelfth Was Noteworthy

Even Poor Weather Failed to Dampen Enthusiasm. Large Gathering of Orangemen. Big Day of Sports. Many Fine Addresses. Other News from Schumacher Correspondent.

Schumacher, July 14th, 1926. Special to The Advance.

Schumacher will remember July 12th for quite a long while. It was simply a great day for the local Orangemen. The main thoroughfare was gaily decorated and a large archway was temporarily built and a huge banner to welcome the visitors. Unfortunately for the Sunday night parade rain fell heavily, when the local lodge headed by the Pipe Band marched to the Union Church, where the service was conducted by the Rev. Ivan Kennedy and the Rev. E. Baker.

The weather on Monday was fine but cloudy, and the parade was an exceptionally large one, the different lodges having their banners flying. The speakers were all given a good hearing and many were interested in the newly-formed pipe band who were specially engaged for the occasion.

Great interest was taken in all the events on the programme and there were some close finishes. At night a dance was held in the McIntyre Hall, which was well attended. Mrs. Neary was the lucky lady to win the motor, and I am sure she has the congratulations of the local residents in her good fortune.

The McIntyre had as visitors to their ground on the 12th the Lancashire Club to play for the cup in connection with the L.O.L. sports.

A large holiday crowd witnessed the game, which was a typical cup match from start to finish. In the first few minutes Jackson ran right through the home defence only to shoot wildly over the bar. The Lanes were playing hard and would not let the home team settle down but Ned Dougall was putting up a good defence and worked hard to get his team going. Foy was the next to try his luck at the home goal but again his shot went past. From good work by Barron, Ned Dougall received the ball and shooting from a distance scored for the McIntyre amid great cheering. Half time arrived with the score, McIntyre 1, Lanes, 0.

The Lanes were the first to press on the resuming of play but Parker was safe in goal. Foy, at outside right for the Lanes, making good headway for them and Jenkins giving him good support. The Maes, however, were determined not to let them score and put the ball out when there was any danger. From a centre by Jones, Martin handled and the referee promptly awarded a penalty kick. Wilkinson took the kick but shot straight at Parker who cleared easily. The Lanes tried hard to score towards the end but weak finishing cost them the game.

Final score, McIntyre 1, Lanes, 0. At the finish of the game the cup was handed over to the referee, Mr. J. Moore, of Timmins, to present to Ned Dougall, captain of the winning team. Dougall was heartily cheered and was carried shoulder high to the dressing rooms.

The teams were as follows:—McIntyre—Parker, goal; Dougall, and Johnson, backs; Grove, McDon-

ald and Barron, half backs; Goodman, Halliwell, Cran and Wallace, forwards.

Lancashire—Winder, goal; Phychela and Wilkinson, backs; Jenkins, Trenouth and Higginson, half backs; Foy, Roberts, Jackson, Bratby and Jones, forwards.

The Twelfth for Schumacher L.O.L. No. 2975, may be summarized as follows:—

Lodge opened in the morning at 6.30 a.m. for special business and was very largely attended. At 9.30 a.m. all members of Timmins L.O.L. 2552, L.O.B.A. and Schumacher fell in headed by the Pipe Band of Schumacher for the purpose of meeting the visiting lodges coming by train.

Train steamed in at 10.20 a.m. with visitors from all points between Cochrane and Matheson. After the line-up at the station they marched back to the hall, and there disbanded for the purpose of running the children's sports, which went off very good. After the sports the visiting members made their way to the Union Church where there was a fine dinner served to them.

At 1 o'clock members began to gather at the hall for the parade.

At 1.30 p.m. the County Marshall Bro. Bernie of Connaught, L.O.L. called out the lodges to fall in, headed again by the Pipe Band.

The lodges represent in the parade were:—Ladies Orange Lodges, Timmins L.O.B.A. and Ladies of Iroquois Falls. Men's L.O.L. were:—Shillington, Matheson, Iroquois Falls, Cochrane, Porquis Junction, Poreupine, Timmins and Schumacher.

There were also present several members of distant lodges, also members of the Black Preceptory.

After marching through the town and around the avenues 1st 2nd and 3rd, then back to the sports grounds, where they formed a square at the platform, where the speakers of the day presented themselves to the visitors.

Worshipful Bro. Weir, of Iroquois Falls, L.O.L. was the chairman for the day. The speakers on the platform included:—Wor. Bro. Bernie, Wor. Bro. C. Weir, Rev. Mr. Vowles, Iroquois Falls, Ven. Archdeacon Woodall, Porquis Junction, Rev. Ivan Kennedy, Schumacher, Bro. Dawson, of the Black Preceptory, Mr. D. Kerr, Reeve of Tisdale Township and the Grand Chaplain of Ontario West, Rt. Wor. Rev. E. Baker and H. Smith, V. C. M. The addresses were of a very high order and much appreciated.

Mr. J. Griffiths and his sister, Mrs. T. Johnson, of Gold Centre, are visiting friends in Montreal.

Miss Cissy Craig arrived in town from Cobalt on Saturday last.

We are pleased to hear that Margaret, eldest daughter of Mr. and Mrs. L. Miller, is recovering after her recent operation.

The new track which has been laid

up to the new shaft at the McIntyre Mine was opened for traffic last week. On Sunday morning last about 3.00 a.m. the fire truck was called to Feldman's barn. Fortunately only slight damage was done.

Mr. A. Law has left town for Montreal.

Mr. and Mrs. Edward McFadden of Navan, Ont., are visiting their son, Mr. Vincent McFadden, at Gold Centre.

Sneak thieves are busy in Schumacher. One young lady, a visitor to the town, went to the Orange dance in the McIntyre Hall where a sum of money and a compact case were taken from her pocket.

The McIntyre Football Club dressing room was entered and a locker broken open and several pairs of boots, jerseys, knickers, etc., were taken away. The McIntyre boys feel very sore about this and are hoping to lay hands on the thief or thieves.

GEN. WILLIAMS INSPECTS THE PROVINCIAL POLICE

Provincial Officers Finger, of Timmins and Craik, of South Poreupine, were in Haileybury last week in connection with a visit to the North Land by Gen. V. S. Williams, the Commissioner of the Ontario Provincial Police. All the Provincial Police in the North Land were at Haileybury for the occasion, except Constable Wetherall, of Cochrane, who is still off duty following the injuries he received in a collision between two speeders on the track near Cochrane. In all, about twenty Provincial Police were inspected by Gen. Williams. After a pleasant dinner at the Hotel Haileybury the men were addressed by Gen. Williams, who complimented them on their smart appearance and also on the good work they were doing in the North Land. Gen. Williams also inspected the District Jail while in Haileybury. The Provincial officers were paraded under charge of Inspector Walter Moore for the inspection by the Commissioner.

The New Liskeard Speaker, last week says:—"Mr. T. Moseley-Williams returned on Tuesday from a trip to Quebec. Mr. Moseley-Williams escorted the Temiskaming Excursion party on the Ausonia from Montreal on July 3rd, returning on the Athena the following Monday. Mr. Moseley-Williams was a guest of the Cunard and White Star Lines and made an inspection of five or six of the Companies liners at both Montreal and Quebec."
