### CHANCE FOR HORTICULTURAL SOCIETY TO DO GOOD WORK

Several readers of The Advance, including several members of the Horticultural Society itself, suggest that much could be accomplished at the present time with that organization doing active work. Now is the time that valuable helps and hints could be given to gardeners and others, and at the same time the Society might assist in the beautifying of the town by co-operating in connection with the park on Spruce street. It is likely that a meeting of the Horticultural Society will be called at an early date when these matters can be taken up.

### HOT SUN CAUSES RAILS TO SPREAD, AND CARS DERAILED

On Sunday a rather peculiar accident occurred on the T.&N.O. near Redwater, some fifty odd miles north of North Bay. The hot sun caused the rails to spread and as a result ten cars were derailed, five of them being pulpwood cars. This is the third time in the history of the T.&N.O. that such an accident has occurred. No one was injured, following the usual T.&N.O. rule in such cases, but, of course, some little damage was done, and it was eight hours before the line was completely cleared again.

## Mothers' Day Appropriately Observed at Schumacher

Twenty-three Babies Baptized at Afternoon Service. Cradle Roll Annual Party on Monday Evening a Very Pleasing Event. Other News from Correspondent at Schumacher. Personal and Other Notes.

Schumacher, Ont., May 11th. Special to The Advance.

Mothers' Day was fittingly observed in the United Church on Sunday. Plants and flowers in profusion enhanced the beauty of the interior. In the morning the service, unique but impressive, was conducted by the Canadian Girls in Training. The revelation to us of the divine love through the love of mother, and her powerful influence for good in the guidance of her children, were the keynotes of an excellent address in the evening by the pastor, Rev. Ivan E. Kennedy. A programme of well-chosen music was particularly well-rendered by the choir. A solo, "Mother of Pearl," by our popular vocalist, Miss Rosina Mair, was very much appreciated.

At the baptismal services in the afternoon, twenty-three babies were baptized. Mr. Arthur Carveth, superintendent of the Sabbath School, delivered an appropriate address.

Mrs. W. Welt and young son have returned from a visit with friends at Cobalt.

Remember sale of aprons, home-made baking, and afternoon tea, on Saturday, May 14th, in Mr. Todd's vacant store under the auspices of Ladies' Auxiliary.

Mr. Finlayson, of Rydal Bank, Ont., is visiting his sons, John and Alex., and is so favourably impressed with this progressive mining centre that he proposes to move his family here at an early date.

A baby boy was born to Mr. and Mrs. B. Budgeon on Tuesday, May 3rd, at the South Porcupine hospital. The glad tidings was at once despatched to the happy father near the Red Lake mining district. Congratulations.

Mr. Bob Muskett, a former well-known resident of Schumacher, who has been in the Queen City for several months, arrived in town last week, and will spend the summer with Mr. C. Macdonald on a small farm at Gold Centre.

Miss Francis Olton has returned to her duties as nurse-in-training at the St. Catharines General hospital after a short visit with her parents, Mr. and Mrs. W. P. Olton, Ankerite Mine. She was accompanied by her elder sister, Mrs. Cripps.

Rev. Ivan E. Kennedy and Mr. A. Carveth are in Toronto, attending the annual conference of the United Church of Canada.

The many friends of Miss Violet Kennedy will be pleased to hear that she is recovering after her recent illness.

The Cradle Roll annual party, held on Monday in the United church, was quite successful, but owing to the unfavourable weather the attendance was not so large as anticipated. Much credit is due to all who take such an interest in this juvenile organization especially to the president, Mrs. Jas. Kent, and her willing associates who make such a pleasant success of the event.

The morning service next Sunday in the United Church will be conducted by the members of the Y.P. Society and the evening service will be in charge of the members of the choir. Special efforts are being put forth to make both services interesting and helpful.

### LANCS. WIN FIRST MATCH IN P.D.F.L. SATURDAY

The Game was a Lively one With a Record Crowd. Lances Won 1-0 Score.

The Lancashire Roses, the wooden spoonists of last year, have started the season well by taking the first match against Cornish One-and-All on Saturday last by a score of 1-nil. These two teams opened up the league last year with a tie score.

The weather was ideal for football on Saturday and there was nearly a record gate, which is very encouraging to the sport.

The teams lined up as follows: Lancashire—Wilkinson, goal; F. Jackson and Studden, backs; Backhouse, Smith and Higginson, half-backs; Kitcher, Daniels, Saiger, Carroll and G. Jones, forwards.

Cornish—Tucker, goal; Street and Hooper, backs; Rice, Cox and Higman, half-backs; Dodderidge, Taylor, Marks, Harris and Tonkin, forwards.

At the kick-off, the Cornish pressed and kept the leather in the Lances' quarters for a short while but were kept well out. The Lances, swung the leather down the field and forced a corner. A lively time followed the flag kick and Tucker was called on to clear Daniels' fine shot. Taylor and Dodderidge combined well; the former finished by sending a pass across the goalmouth, but there was no one there to take it. Wilkinson saved well a corner kick from Tonkin. The Lances took the play to the Cornish end, and some nice play followed, Carroll got the leather and tried to get through, but Street robbed him; the leather didn't get far before Jones came down again, and some nice combination was

### Piles Disappear

No Cutting or Salves Needed  
External treatments seldom banish Piles and for the very good reason that the cause is inside—bad circulation in affected parts, veins are flabby and bowel walls weakened.

To quickly and safely rid yourself of piles you must free the circulation—send fresh, healthy blood to the raw, sensitive membranes. Internal treatment is one safe method. Ointments and other external treatments can't give you lasting relief.

J. S. Leonhardt, M.D., a specialist, set at work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and it has proven successful in thousands of cases—so successful that now HEM-ROID is sold by druggists under a money back guarantee. It is a harmless tablet, easy to take, and can always be found at all druggists, who will promptly refund the purchase price if you are dissatisfied.
