BOXING TOURNAMENT ON
LAVISH SCALE TO BE HELD

"Tex" Jardine Directing Dance on May 27th for the Benefit of the Big Event.

Announcement is made this week of a grand dance to be held in the McIntyre Recreation hall, Schumacher, on Friday, May 27th, under the direction of "Tex" Jardine. All the proceeds from this event are to go to the organization and financing of a grand boxing tournament to be held in Timmins, likely on July 1st. This boxing event will be held on the most lavish and extended scale ever attempted in this North Land.

For the dance on May 27th, the A. S.D. orchestra, specially augmented for the occasion, will provide the music, which means that the music will be something extra special. All other features will be along similar special lines of superiority. The idea is partly to make an event that will be talked about as to create particularly striking interest in the coming big boxing tournament that it is heralding. Special buses and other transportation facilities have been arranged from Timmins and district. Dancing from 9 p.m. prompt to 1.30 a.m. Refreshments served at midnight.

ARROW ATHLETIC CLUB
FIELD DAY AND DANCE, MAY 24

The Arrow Amateur Athletic Club, recently formed in town, is putting on a field day on May 24th, and in the evening are holding a dance in the McIntyre Recreation hall, Schumacher. Tommy Stephens and his Red Jackets will provide the music for the event. Refreshments will be served. All are invited to finish up the Arrow field day with the Arrow dance.

Father and Son Banquet at
South Porcupine Last Week

Addresses by the Boys Remarkable for the Skill and Ability Shown. Very Enjoyable Event. Meeting of Home and School Association Next Week. Address by Miss Duff, of North Bay to be Feature.

South Porcupine, May 11th, 1927. Special to The Advance.

On Wednesday evening, May 4th, at the United Church, between fifty and sixty fathers and sons enjoyed the banquet put on by the Trail Rangers and Explorers Clubs.

This year's event was marked by a much larger turn-out of fathers than was last year's, two long tables being taken up by fathers proudly sitting by their sons as all enjoyed the bounteous meal prepared by the mothers.

After the toast to the King was fittingly acknowledged, Master Joe Miller proposed the toast to the Junior Club, that is, the Explorers. This was briefly responded to by Earle Hamilton, who gave their leader, Rev. Bain, much credit for his efforts to make useful citizens of them.

The Premier of the Trail Rangers Parliament, Carlo Catarello, proposed the toast to "Our Country," giving clearly the main facts of history leading to the formation of the Dominion. In his response to this toast, Owen Wright enlarged upon what had been already said and also mentioned the celebration of the Diamond Jubilee, slated to take place this year. Rev. I. Kennedy, of Schumacher in the toast to "Our Boys," gave a very forceful talk on boys' work and boys' ambitions, stating that the more we expect and encourage in them the more we are likely to have to be proud of about them.

In a neat impromptu speech Mae McDougall responded hoping he and his club brothers could live up to the principles stated by Mr. Kennedy. A violin solo, cleverly executed by Max Smith, Jr., made a most pleasing interlude. Then came the presentation of medals to those winning them in the bond-selling campaign, by our member of the Boys' Parliament, Maurice Bucovetsky, who, in a speech that could have done honour to any older member of the House of Commons, spoke clearly and explicitly of the work being done and influences created by the Boys' Parliament. Among those receiving medals were: Silver—Barney Bucovetsky. Bronze—Carlo Catarello, Israel Kokotow, Harry Martin, Albert Boyle, Harold McNis and Owen Wright. Maurice himself had also won a silver medal.

Rev. J. D. Parks, of Timmins, gave a short talk that was closely listened to by both dads and lads. He explained the object of the C.S.E.T. work in directing the energies of boys of the present day into useful channels. No one minister or man can do this alone and he might as well give up if some of the parents did not take an active interest and help out a little in some

of their outings, etc. Just at present the need was for volunteers to help out with the boys' camp planned for Night Hawk Lake in the summer. It is expected there will be 100 or so boys there from Timmins, Schumacher and South Porcupine. The toast to the "Dads" was made by Harold McNis and fittingly responded to by Mr. Milas Clarke. One of the best short talks of the evening was given by Master Jack McNis, the youngest speaker, and the ex-premier of the Explorers' Parliament, when he proposed the toast to the Trail Rangers.

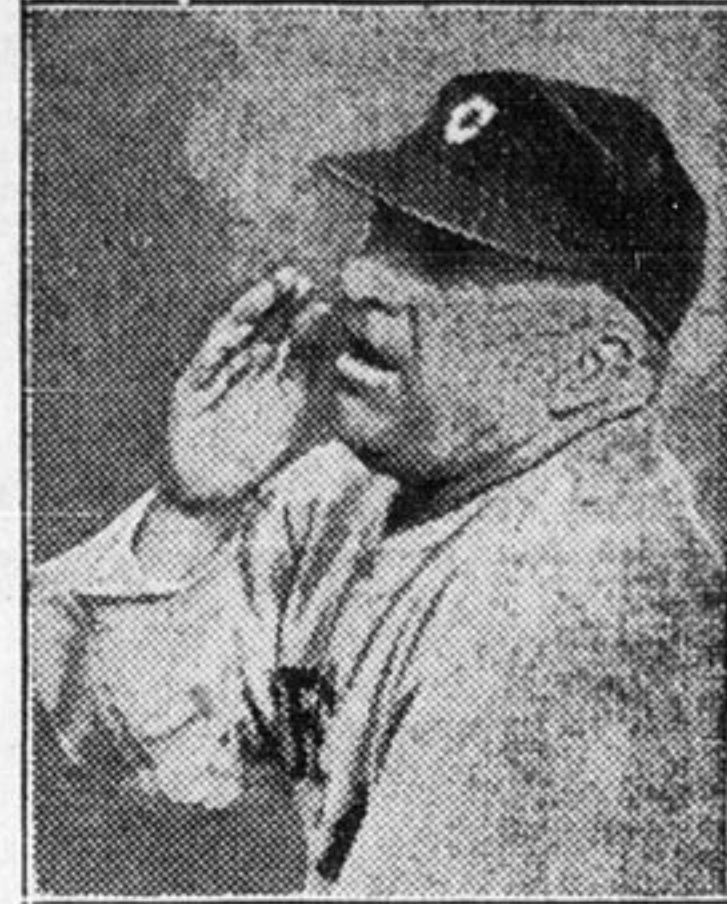

This was well responded to by Jim Cottrell, who told of the ambitions of this group in sport as well as in other lines. Rev. P. Bain, toastmaster, very heartily expressed a vote of thanks to the mothers and teachers who had prepared and served the banquet. Mrs. M. Smith made response stating how much the ladies had enjoyed it. Before closing, Mr. Max Smith, Sr., paid a special tribute to Maurice Bucovetsky, who has received his eleven years of schooling wholly in South Porcupine, and whose character and ability are winning honour, not only for himself, but for his school, his town and his home.

One pleasing feature was the gallantry and willingness with which many of the lads helped their mothers clean up the dishes afterwards. Not only were the dishes well cleaned up, but remaining pies, etc., also.

There will be a meeting of the Home and School Association in the public school on Wednesday, May 18th, at 8 p.m. Miss Duff, of North Bay, will be the principal speaker of the evening. There will be special music for the occasion. Parents should not fail to hear Miss Duff speak on some of the vital questions of the day.

A large number of car-owners have been added to this part of the camp during the past week or so. Mr. F. Horn has a new Stutz; Mr. Geo. Rowe an Essex; George Humphrey has a Dodge; Messrs J. Ireland and A. De Rosa have purchased cars while A. Corrigan, W. Barret and A. Holmes of the Ankerite are also among the number steering their own motor cars and stopping (?) where and when (?) they please.

Kirkland Lake Baseball League this year has a number of old-time residents of the Porcupine on its list of officers, as will be noted from the following election:—president, W. Sixt; vice-president, K. DeLong; secretary-treasurer, Dr. Kay; manager of Kirkland Lake team, Chas. Sheehan.

JACK MCCALLISTER

Manager of the Cleveland "Indians." This is the first season he has occupied the position of manager, but he has coached the team for a number of years.

NORTHERN ONT. JUNIOR
FOOTBALL ASSOCIATION

First Annual Meeting Held at Timmins on Friday Evening Last, May 6th.

The first annual meeting of the Northern Ontario Junior Football Association was held on Friday last at Timmins. The following officers were elected for the ensuing year:—

Honorary presidents—Messrs J. Knox and R. J. Ennis.
President—Mr. Pat. Larmer.
Vice-president—Dr. E. M. Honey, Schumacher.

Secretary-treasurer—P. T. Moiseley. It was decided not to affiliate this year with the O.J.F.A., the clubs feeling they needed more experience before taking this step.

Mr. W. A. Field, representing the Dominion Football Association, was present, and he and President P. Larmer were named as a committee to draft a constitution for the association. All applications for affiliation with the Northern Ontario Junior Football Association must positively be in the hands of the secretary on or before May 20th. No variation from this rule is to be permitted this year, so all concerned should note the rule and govern themselves accordingly. The outlook for Junior Football in the district is particularly promising this year.
