## GRAVEL AND SAND—AND PLACER

There seems to be a general agreement that the North Land should have representation in the Senate. It is difficult to see how the Government can further neglect this important section of the province in making its Senate appointments. In this part of the North there appears also to be general approval of the idea that Dr. J. A. McInnis, of Timmins, should be the choice for Senator for the North. It is not often that a Government is given so decided and clear a showing of what the people desire. It will be interesting to note how much attention the Government will give to the clearly expressed wishes of the people.

Good progress is being made in the construction of the new post office building for Timmins. It is to be hoped that equal progress will be made in assuring a new service at the Timmins post office. For years Timmins has suffered from a smelly post office building inadequate to the town's needs, and an equally smelly service utterly out of keeping with the times. It might be a good idea to place a tablet somewhere in the new building with the inscription:—"This post office is for the service of the people, not the people for the accommodation of the post office."

Complaint has been made recently that the lights at the T. & N. O. station are not turned on until a few minutes before train times. This means that passengers waiting for trains have to sit in the dark, which is not desirable. It is also not in keeping with the T. & N. O. spirit of service and accommodation. The matter is apparently just something that has been overlooked, and it is likely that now that the question is brought to attention it will be very promptly remedied.

It would appear that editors of North Land newspapers are not wanted at meetings of the Northern Ontario Associated Boards of Trade. In any event all the recent meet-

ings of this body have been held on Wednesday, which is an impossible day for most editors whose paper goes to press on Thursday. It does not seem possible that Wednesday is the only acceptable day for all others, and as the matter has been called to attention on previous occasions, it leaves little to believe but that the particular day of the week is selected to keep the troublesome editors at home. At one Northern Ontario Associated Boards of Trade event at Halleybury one editor was referred to as "the one discordant note" because of insistence on urging the needs of roads for settlers, help to settlers and increased interest in the North Land, though two cabinet ministers were present. Because the editors may be debarrd, all others interested in the North should make especial effort to attend the Northern Ontario Associated Boards of Trade sessions. The annual meeting of the organization is being held at Ansonville on Wednesday, February 5th, and all who are able to attend should do so. Even though the choice of date may keep editors away, nothing will stop the newspapers of the North from advocating roads for settlers, help for settlers and other means and methods for the advance of the North.

The Northern Tribune of Kapuskasing makes a good point in an editorial note last week when it asks the Government: If it is the intention to restrict the land grants to the British settlers the Government proposes to bring to this North Land. If the proposed British settlers are handicapped by the inadequate grants of 80 acre farms they will not be fairly treated. If the new settlers are allowed the proper grants of 160 acres, the proceeding then is rank discrimination towards the settlers now struggling along on farms too small to assure them a fair future. The remedy would appear to be to rescind the 80-acre restriction imposed only on this section of the North. It should never have been passed and the sooner it is removed the better for all concerned.

The Advance has often commented on the high esteem in which education is held in this North Land. The people here have never hesitated to spend money to assure better educational facilities. Another instance of this attitude is given by the proposal made by E. M. Goodman, T. & N. O. agent for many years at New Liskeard. Speaking at a banquet to telegraphers on the T. & N. O. recently, Mr. Goodman urged the establishment of a scholarship with an annual value of \$600.00, open to any boy or girl in the district tributary to the T. & N. O. lines. The proposal was received with interest and approval by all present. Geo. W. Lee, chairman of the railway commission promptly expressed the willingness of the commission to contribute half of the cost if the railwaymen's unions would contribute the balance. The railwaymen received the proposal with equal sympathy and it is probable that the scholarship will be established at an early date, to add one more incentive and opportunity for educational advantages for the boys and girls of the North.

**SUES DEMPSEY'S MANAGER**  
Mrs. Jack Kearns, wife of Jack Dempsey's former manager, is suing Jack Kearns for \$500 a month alimony, which she says he agreed to pay her in 1924. This legal battle is intensely interesting to friends of both parties. Jack refers to the plaintiff as "Miss Edith Angel," announcing that she never was his wife.

## PRETTY WEDDING JAN. 9TH AT ST. MATTHEW'S RECTORY

A very pretty wedding took place quietly at St. Matthew's rectory on Jan. 9th, when Miss Lillian Rita, second daughter of Mr. and Mrs. Joseph Hacquet, of Sunbury, became the bride of John Elwood Latham, youngest son of Mr. and Mrs. T. G. Latham, of Timmins.

The bride looked charming in a lovely gown of white tulle and Princess lines, with hat and shoes to match. The bride was unattended.

After the ceremony the wedding dinner was served at the home of the groom's parents, 166 Mountjoy street, where many friends gathered and enjoyed music and dancing, all heartily wishing the young couple a happy and prosperous wedded life.

Mackay, of Cochrane, is named as returning officer for North Temiskaming, and H. A. McKee, of Cobalt, for South Temiskaming. ## ASSOCIATED BOARDS MEET AT ANSONVILLE, FEB. 5TH

Fire Insurance Rates to be Among Special Topics. Bridge at Englehart and Tourist Travel in North Other Subjects.

C. W. Wright, president of the Northern Ontario Associated Boards of Trade, this week has written The Advance as follows:—

The annual meeting of the Northern Ontario Associated Boards of Trade will be held at Ansonville on Wednesday, February 5th, 1930. Information to this effect has already been sent to each board in the district, and a really representative meeting is expected.

Among the important questions for discussion might be mentioned the following:—Tourist Travel in the North, White River bridge at Englehart, Fire Insurance rates in the North, and a proposed motor trip to Ottawa.

The Canadian Fire Underwriters' Association have agreed to send a representative to this meeting, and the whole question of rates and rate structure will be fully discussed.

In view of the importance of fire insurance rates to boards of trade, municipal authorities, business interests and citizens in general, we feel that this meeting will provide an excellent opportunity to fully discuss the whole question.

The Central Canada Exhibition will be represented by at least one of its directors, through whom it is expected an invitation will be extended the North to visit Ottawa at exhibition time.

The officers for the ensuing year will be elected and general routine business disposed of.

The executive are asking for a representative meeting, and in view of the foregoing, particularly the reference to fire insurance rates, we hope each and every board of trade will have its full quota of delegates.

## G. T. HAMILTON ELECTED MAYOR OF HALLEYBURY

G. T. Hamilton was elected mayor of Halleybury on Monday, polling 492 votes against 162 for W. Charbonneau. The latter was elected mayor at the elections on January 1st, but his opponent, J. A. Legris, claimed the seat on the ground that Mr. Charbonneau was disqualified as his taxes were not paid at the time he was nominated. On this account Mr. Legris claimed the mayor's chair, and after Charbonneau's election, took the matter to the courts. The judge did not give the seat to Mr. Legris, but ordered a new election. It was this election that was held on Monday.

Mr. Legris did not contest the mayor's seat in Monday's election, but instead was one of the candidates for the Halleybury town council. Mr. Legris was successful in being elected to the council on Monday. The other five elected to the Halleybury council for the year include one woman, Mrs. Houston. Some years ago Tisdale had a lady reeve, Mrs. J. A. Thomas, so women in municipal politics in this North Land are not now without precedent. Halleybury's municipal government for 1930, according to the election returns on Monday, as announced will be:—G. T. Hamilton, reeve; J. W. Bell, A. P. Knetchell, M. Piche, J. A. Legris, Mrs. Houston and J. Langlois.

## Enjoyable Time at the Auxiliary Whist Drive

The Oddfellows' hall on Monday evening was the rendezvous of the whist players of the town and district, and twenty tables were soon filled and going strong. The drive was under the auspices of the Ladies' Auxiliary of the Canadian Legion, and the event was a very successful one all through.

The winners were:—first, lady, Mrs. McAleavy; second, lady, Mrs. Rig; first gentleman, Mr. Farrer; second, gentleman, Mr. McMillan.

A very attractive feature of this card party was the covering of the tables, these covers being cloths embroidered with the Auxiliary crest in the centre and the various designs of cards at the corners.

A very fine luncheon was served during the evening and this was a feature for which the ladies again received very special credit and praise.

After the tables had been cleared W. A. Devine took his place at the piano and assisted by P. Boyd on the violin, rendered the latest dance music with a few old-timers thrown in. This part of the programme was much enjoyed and judging by the applause the music must have been to everyone's liking.

The next big event by the Ladies' Auxiliary will be the big Valentine Masquerade dance in the McIntyre hall on Wednesday, Feb. 12th. Further particulars in regard to this event will be given in The Advance later.

## Veterans of Ministry in North Land Fields

Under the Heading, "Northern Fields Hold Veterans of Ministry," with the sub-heading, "Winter Finds Devoted Missionaries still at Work," The Toronto Mail and Empire last week had the following that will be of special interest to readers of The Advance:—

In northern Ontario this winter three men, who in most occupations would be counted old, are carrying on work that usually requires younger men in that country. They are frontier missionaries, travelling about among the settlements. Rev. George Edwards, of Sudbury, officially eligible for retirement in 1917, has completed 12 years of mission work in Sudbury presbytery and has finally retired. He went on from year to year supplying vacant fields, often travelling more than 3000 miles to fill his appointments for one Sunday. Another grand old man of the northern ministry is Rev. William Farmer, of Bracebridge, who this winter is supplying Muskoka Falls mission. He is superannuated, but when the students return to college and churches would have to be closed he invariably answers the appeal of the superintendent of missions. Although he joined the ranks of retired ministers last July, Rev. John McDougall, D.D., is now at Connaught mission in Cochrane presbytery, with a field along the T. & N. O. branch from Porquiss Junction to South Porcupine. At North Bay suburban mission is a fourth veteran, Rev. H. McTavish, who keeps his appointments in spite of travel difficulties. There are three churches and two of them, newly built, have come out of debt under his ministry.

Mrs. Lilly, who has been seriously ill with pneumonia at the home of her daughter, Mrs. E. M. Allworth, is much improved this week though not yet out of danger. All will wish Mrs. Lilly an early and complete recovery.

## DEATH OF MRS. M. SMITH ON MONDAY OF THIS WEEK

Funeral on Wednesday Largely Attended. Profusion of Floral Tokens Showed the Regret at the Death and the Sympathy for Relatives.

There was very general regret here at the death on Monday morning at the St. Mary's hospital of Mrs. Manson Smith, wife of Capt. M. Smith, of the permanent fire brigade staff. Mrs. Smith was only ill a few days, and though effort was made by blood transfusions and other medical plans to save her life, she passed away on Monday morning.

The late Mrs. Smith was a daughter of Mr. and Mrs. Fiske, of Bourke's, and was born in Sweden. She was very popular and highly esteemed here and the deepest sympathy goes out to the bereaved husband and other relatives. Her parents, Mr. and Mrs. Fiske, as well as three of the brothers of the late Mrs. Smith and her younger sister, came to Timmins for the funeral here on Wednesday. The funeral was held on Wednesday afternoon, services being conducted at the United Church by the minister, Rev. Bruce Millar, and interment being made at the Timmins cemetery. The attendance at the funeral was very large and there were large numbers of beautiful floral tributes, the fire department and members of the brigade, as well as the police and other
