**MAIN OFFICE BEATS MILL  
5-3 IN HOLLINGER LEAGUE**

Enthusiastic Crowd Well Pleased with Good Hockey in Opening Match of the Hollinger Hockey League Last Friday Evening.

An unusually enthusiastic crowd gathered at the Timmins rink last Friday to witness the opening game of the Hollinger hockey league. The puck was faced off promptly at 6.30 by G. S. Lowe ("Scorch"). It was fitting that the honour of opening this new amateur league among the mine employees should go to "Scorch," whose work in connection with clean hockey has long been appreciated by hockey supporters throughout the community. The old-timers present recalled snappy hockey when "Scorch" himself used to don the uniform and strike terror into the heart of many a goal tender. Mr. Lowe is chairman of the advisory board of the league. Throughout the game he quietly but effectively controlled the play. A few penalties were justly administered.

The game itself was superior to the expectations of the organizers whose object is to create interest in a friendly amateur league among the mine departments. Mr. Longmore, president of the league, whose interest has crystallized the long-cherished hopes of the hockey enthusiasts in this matter, had a ringside seat and followed at close range every play of this closely-contested match.

The opening period was marked by uproarious support from the onlookers who watched the hard-working Mill team break rush after rush of the Main Office squad. The first goal was tallied against the Mill by Harold ("Gus") Rice, the vigorous Main Office center. The cheers re-echoed when "C.P.R." Joe Lavereaux went into action and on a pass from Fournier pulled a fast one that found the net behind the tricky Main Office goal-tender. The first ended with the score, one all.

Everyone was on his toes as the second period opened. David ("Dinty") Moore, well-known softball coach, showed that he had a trick or two up his sleeve and beat Walker by an accurate baffling shot from the defence line. The white collar boys, thus inspired, tore up the ice and kept Walker busy defending his net. Their efforts culminated in Scully playing a carom off Angus Horne to the net. Portenale and Jacobs of the Mill team retaliated by some brilliant stick-handling which kept Simpson working hard and finally netted the Mill their second goal. The period ended with the score 3 to 2 for the Office.

The third period showed that the old-timers on the Mill team had the skill but not the condition of the harder-skating youngsters of the Office. Fast skating and brilliant stick-handling made a second tally for Dinty. Jack Platt, steady worker on the right wing, whose peppering of the Mill goal throughout the game had aroused many a cheer, brought in the fifth and final goal for the Office team. The Mill rallied and fought strenuously for the remaining time.

**Route for Extension to be Announced Shortly**

Word from Toronto this week is to the effect that following a conference between Geo. W. Lee, chairman of the T. & N. O. Railway commission, and Premier G. Howard Ferguson, the premier gave out the announcement that within a few days the definite route of the James Bay extension of the Temiskaming and Northern Ontario Railway would be made known.

In enlarging on this announcement the Toronto newspapers and the despatches from that city say that Premier Ferguson is at present engaged in perfecting plans which will effect a saving of \$200,000 in cash and shorten the line by four miles. The new line, the premier said, would run directly through the coal beds on the Abitibi river which are to be operated as a public works by the Government and also through the valuable and extensive gypsum beds which are controlled by an English syndicate.

Engineers are working on the plans for the latest route which has been suggested and the Premier has sent to North Bay for some further information before giving the final order to the commission to proceed with construction of the extension.

As soon as that order is given supplies will be taken in and clearing of the right-of-way commenced. The extension should be completed within a year.

**DOMINE MINES STATEMENT FOR THE YEAR JUST PASSED**

An approximate statement for the twelve months, January 1st to December 31st, 1929, just issued to shareholders by Domine Mines, Ltd., shows the following:

Number of tons milled (Jan. 1st to Oct. 29th), 452,900; total recovery, \$3,590,189.30; operating and general costs, \$2,028,473.19; estimated Dominion and U.S. taxes, \$89,457.56; net income \$1,472,258.55; non-operating income, \$321,170.46; total income, \$1,793,429.01. In the above figures, the statement points out, no allowance is made for depreciation or depletion.

A breathless hush went over the crowd when Harold Craig was knocked out in a scrimmage near the Mill goal. Alex Cadman, the rink manager, effectively took charge and had him up and going in a few minutes. The crowd dispersed after the final bell; some to go home and some to take advantage of the skating arrangement thoughtfully made by the rink manager, which allowed the spectators to see the hockey match and then enjoy their 8 to 10 skating, all for twenty-five cents.

The line-up of the teams was as follows:

Mill—Walker, goal; A. Horne, right defence; J. Lavereaux, left defence; A. Portenale, centre; J. Jacobs, left wing; J. Roberts, right wing; H. Smith, J. Pare, D. Holland, B. Halton, C. Fournier, spares.

Main Office—Simpson, goal; D. A. Moore, right defence; J. Scully, left defence; H. Rice, centre; R. Webb, left wing; J. Platt, right wing; H. Craig, G. Mondeaux, G. McIntyre, G. Gordon, spares.

**First Loss by Timmins Juniors on Friday Last**

Timmins Juniors met their first defeat of the season at Iroquois Falls on Friday evening last when they played their second match with Monteith in the N.O.H.A. Junior series of this northern group. Monteith Academy team is playing all its home games on Iroquois Falls ice, having no proper accommodation of their own. It would be fairer all round if Monteith had a covered rink of their own, the present plan not favouring either Timmins or Monteith. Of course, this is no alibi for the Timmins Juniors in their loss last Friday. As a matter of fact, those at the game on Friday evening say that the match was not the best of hockey and that neither team played well. Timmins Juniors had had no special difficulty in defeating Monteith in the previous game and it was not thought they would lose out Friday night. However, the final score was 4 to 3 in favour of the Academy lads. The Monteith team apparently had it all over the Timmins boys until the last period. The first period ended with the score: Monteith, 1; Timmins, 0. At the close of the second period Monteith had four goals to their credit, while Timmins still had its goose egg. In the third period Timmins scored three, but that was a couple short, the game ending 4 to 3 in favour of Monteith. On Monday evening the Juniors redeemed themselves by defeating the Iroquois Falls team on Timmins ice and thus staying at the head of the procession.

**Woman Sent to Jail for Fourth Offence, B.L.C.A.**

At police court this week, Mrs. Mary Peterson, 21 First avenue, was charged with B. L. C. A., which being extended means breach of the Liquor Control Act. She had liquor not purchased on her permit. As this was her fourth offence under the act there was no option but to give her a jail term. Magistrate Atkinson sentenced her to three months. A similar charge against a man living in a shack at the rear of a Third avenue place was dismissed.

Two drunks each paid \$10.00 and costs, while one of them faced the charge of having liquor not on his permit and he was assessed an extra \$100.00 and costs on this count.

A Robitaille, who is charged with perjury in connection with evidence given in a recent liquor case, was remanded for a week, his bail being renewed.

A theft charge laid by Provincial Officer Hartlieb against a man accused of taking wearing apparel belonging to another man, was dismissed, and a second similar charge was withdrawn.

The case of the charge of theft of trees from a property owned by Bruno Carnovale was remanded for a week.

A boy was charged with the theft of wood and was convicted and sentenced to St. John's Industrial School. A charge against his mother for the alleged receiving of stolen goods knowing same to be unlawfully obtained was dismissed.

A woman living on Elm street who was accused of creating disturbances and annoying the neighbours was remanded for a week for decision in the matter.

The Ladies' Aid of the United Church will hold their usual anniversary supper early in February. Further particulars later.

N. J. Atkinson, of Cobalt, has been appointed chief of police for the town of Cobalt to succeed R. O. Stromberg, who recently resigned the position.

**SCHUMACHER LODGE L.O.B.A. INSTALS YEAR'S OFFICERS**

Grand Concert Planned for United Church Basement, Jan. 30th. McIntyre Bowling Results. Other Items of News From Schumacher.

Schumacher, Jan. 22nd, 1930. Special to The Advance

Mr. Armstrong left last week for Kirkland Lake where he has secured a position.

Mrs. G. S. Jarrett, of Sudbury, is in town on a visit to her parents, and renewing acquaintances.

Mr. A. Neame left last week for a few weeks' visit to the United States.

Mr. Roy Asselstine left last week for a few weeks' visit to the United States.

We are sorry to hear that Master Stirling Hayward, the only son of Mr. and Mrs. James Hayward, is ill with pneumonia. We all wish him a speedy recovery.

Miss Bruce, the popular teacher of the public school, was elected president of the Young People's club (Excellisor), at their meeting last week, when the resignation of Mr. D. Greer was accepted. Mr. Joe Grimston was elected as vice-president.

A grand concert is to be given on Thursday, January 30th, in the basement of the United Church. The services of most of the best talent in the camp have been secured for this concert. It will consist of vocal and instrumental items. Keep this date open.

The United Church board of stewards met last week and elected their officers for the ensuing year. Mr. W. C. Arnot was elected chairman; Mr. W. Wylie vice-president; Dr. E. M. Honey, secretary; and Mr. F. Williams, treasurer. Finance committee—Messrs. Arnot, Honey, Wylie and Wills. Entertainment committee—Messrs. Boyce, Elton, Docking, Cotcher, and D. Greer. Property committee—Messrs. Weston, Murphy, Elliott and Olton.

We are glad to hear that Mr. D. Grazer of the McIntyre electric staff, is able to resume his duties.

The McIntyre Bowling league has been going great guns this week, each team striving hard for the leadership. So far there is not much between the teams. The best bowling during the week was that of R. Proulx, McNeil and G. Cameron who scored 725, 703 and 701, respectively. The hardest-fought game was that between McMillan and Tonkin. Each team struggled hard through the game, and finished up with 2 points each. Angrignon got three points from Weber, while Jenkins took the well-earned four points from Newlands. The results of the bowling league for the week ending January 13 were as follows:

McDonald	228	191	167	586

If you want to see something new and colourful don't forget the Rainbow dance on January 29th at the McIntyre Recreation hall. Special music by the popular Club Royal orchestra.

Schumacher L.O.B.A. installed their officers for the ensuing year on January 13th, as follows:—Sister E. Townsend, W.M.; Sister J. Harris, D.M.; Sister K. Bonnell, Rec. Sec'y.; Sister L. Williams, chaplain; Sister M. Farrell, Fin. Sec'y.; Sister O. Ward, Treasurer; Sister M. Harting, 1st. Com.; Bro. J. G. Harris, Guardian; Bro. J. C. Bonnell, Inner Guard. After the business of the evening refreshments were served and a most enjoyable evening was spent.

The Shillington correspondent of The New Liskeard Speaker says:—"Mr. Kusti Solo, a farmer near Moose Lake, was using a horse hitched to a small sleigh to convey him around to see his traps. While crossing a small river his horse dropped through the ice and got stuck in the mud below. Mr. Solo being alone, was unable to get the horse out, and rather than see the animal freeze to death he shot it. To his disappointment, a wayfarer happened along very soon after the animal had been shot."

**INTERESTING PROGRAMME AT BAND CONCERT SUNDAY**

Large Crowd Well Pleased with Band Selections and Excellent Vocal and Instrumental Music by Gifted Artists.

The first band concert for 1930 was held in the New Empire theatre on Sunday evening after the church services, the series of indoor winter band concerts having been discontinued as usual during the holiday season. The crowd at Sunday evening's event proved the popularity of the band concerts, while the programme presented was ample evidence that these events are well worth attending. The hall was well filled for Sunday evening's event.

The band selections were especially well given and found general favour. Bandmaster Wilford and his bandmen presented the various numbers in very effective way and their part of the programme was specially enjoyed. Among the numbers given by the band were: "The Runaway"; selection, "Bandmen's Delight"; valse, "In a Rose Garden"; march, "On the Trail." Another band selection that was much enjoyed was the baritone solo "Euphonius," by Bandsman Bowden, with band accompaniment. This number was much appreciated.

The vocal and instrumental numbers given by artists assisting the band on the programme were notable for the variety of the selections and the evident appreciation with which all were received. Mrs. P. H. Carson delighted all with her presentation of "The Lord is My Shepherd," which may well be described as a beautiful number, perfectly presented by a fine voice. This number was earnestly enjoyed and in the response to the encore the selection given by Mrs. Carson was equally appreciated. Mrs. J. W. Faithful added to the effective presentation of these numbers by her usual talented work as accompanist at the piano. Stanley Bell's violin selection was heartily enjoyed and his second number was also well applauded. For these violin solos T. Bird played the piano accompaniment. Thos. Whitney proved decisively popular in his presentation of popular songs. He has a good voice and sings with special expressiveness, and won the audience from the start. His opening number was very insistently encored, and his response with "Just a Vagabond Lover" won even more persistent and emphatic approval. As usual B. Halvorsen made a big hit with his clever music on the mouth organ and guitar. He was encored and the audience was inclined to encore the encore number. Equally popular was the vocal solo by H. Crane whose powerful voice had to respond to a very insistent encore and equally pleased the audience with his second song. Mrs. R. Stroud's singing of "God Bring You Back to Me" was another of the popular numbers of the evening, all being pleased with Mrs. Stroud's singing and giving very hearty encore. W. A. Devine played the piano accompaniment for Messrs Whitney and Crane and for Mrs. Stroud.

The next band concert will be held in the New Empire theatre after the church services on Sunday evening, Feb. 2nd.

Blairmore (Alberta) Enterprise:—An exchange remarks: "It is extremely annoying to have another hunter mistake you for a moose if you have ever studied the moose countenance."

**Local Curlers Contest Now for Timmins Cup**

The second special feature of curling this winter on the local ice, the competition for possession of the Timmins Cup, got away to a good start on Monday evening of this week. This year the competition is being run as a straight knock-out, there being no group plays for winners, and then competition between the winners of the various groups to decide the final possession of the cup.

The following are the results of the first and second rounds of the Timmins Cup competition up until last night.

First Round	
W. Rinn won from W. Lang	
W. Ecclestone won from A. Young	
A. Prout won from J. Todd	
J. Watt won from G. Gauthier	
J. Sullivan won from G. Drew	
J. Hunt won from L. Walker	
Geo. Lake won from C. Ramsay	
S. Caldwell won from H. Montgomery	
H. Jackson won from S. Walker	
Second Round	
I. Solomon won from Fr. O'Gorman	
D. Ostrosser won from D. Sutherland	
H. Hucklebone won from S. McCoy	
W. Rinn won from W. Ecclestone	
J. Hunt won from J. Sullivan	
Geo. Lake won from S. Caldwell	
A. Prout won from J. Watt	

**WENNERS ON SATURDAY IN T.B.A.A. LEAGUE HOCKEY**

In the Timmins Boys' Athletic Association league hockey series last Saturday, the following were the winning teams:—

Junior—Holy Name Club Juniors defeated Trail Rangers, 3 to 2. Junior Tuxis defeated Scouts, 2 to 0.

Senior—Tuxis Seniors defeated Holy Name Club Seniors, 2 to 0. High School and the Junior Seconds played to a tie 1-1 in an overtime game.

The games on Saturday were the first in the T.B.A.A. series and are generally admitted to be lively hockey with the boys showing a lot of hockey promise. Those who know hockey and who saw Saturday's games say there is some very promising hockey material to be developed from these young lads. The schedule of the balance of the T.B.A.A. games will be found elsewhere in this issue.

**COURSES AT PITTSBURGH FOR RESCUE STATION MEN**

Austin Neame Left Last Week to Take Special Course of Study at United States Bureau of Mines Training Station.

Austin Neame, superintendent of the mine rescue station at Timmins recently established by the Ontario Government, left last week for Pittsburgh, Pennsylvania, to undergo a ten-day course at the United States Bureau of Mines training station. The purpose of the trip is to give the Ontario mine rescue station men a thorough knowledge of the latest methods of mine rescue work. The training course will be under the direction of Prof. J. J. Forbes of the U.S. Bureau of Mines staff. The establishment of the mine rescue stations is a new move for Ontario but this class of work has been carried on extensively in the United States where modern methods have been perfected. The rescue stations here were established following the recommendations in the report of the Royal Commission that investigated the Hollinger fire disaster in 1928. Having taken up the work the Ontario Government is planning to secure the success and efficiency of the plans. The course for the superintendents is one of the training features taken up along this line. With Mr. Neame went E. C. Keeley, of Kirkland Lake and G. S. Jarrett, of Sudbury, mine inspectors, as well as R. H. Cleland of Timmins. It is expected that in the handling of the equipment at the new mine rescue stations and in the general methods to be used in case of any emergency, the course at Pittsburgh will prove of great value.

Influenza is reported as very prevalent these days in the Nellie Lake district. The type of the disease, fortunately, is a mild one.

The plan is now open at Moisey and Ball's store for the reserved seats for the concerts to be given on Tuesday and Wednesday, Feb. 7th and 8th, in the United Church by the Imperial Welsh Singers.
