Aliens at Kirkland Have to be Dispersed

Present Demands to Township Council, Then Stage Demonstration. Police and Legion Make Them Disperse.

The aliens at Kirkland Lake created a little excitement and eventually had to be dispersed. It looks as if more strenuous methods will be necessary at Kirkland Lake, as well as at Timmins, to make these transient alien agitators behave. At Kirkland Lake a small group of alien agitators who had for some time past been living well at the expense of their simple-minded countrymen have been trading on the name of the unemployed and while imposing on the other aliens have been attempting to do the same with the authorities. It should be borne in mind that the matter has no real connection with unemployment. It is simply an organized political game of foreign origin. The similarity between the demands in Kirkland Lake and the ones made here show the similar origin of both towns' nuisance in this regard. The demands are such that no council could grant them even if they were reasonable. It is expected from local hints dropped that the intention is to duplicate here next week the same sort of performance given at Kirkland Lake this week.

A group of aliens, joined by a few others and numbering a couple of hundred, gathered at the Ukrainian hall on Monday night. The meeting is said to have been instigated by the communists just as in Timmins. After some speeches they began their march down town, blocking traffic in front of the town hall and generally creating a nuisance. The bulk of the gathering waited outside the municipal building while delegates presented the demands of the men using the name of the unemployed.

The demands were:—
1. Work for all unemployed here with wages of \$3 per day and eight hours.
2. If no work, then two meals a day in restaurants for single jobless, and \$8.50 a week in cash to all married jobless and \$1 a week additional for each dependent.

3. Proper clothing and shelter for single jobless and free rent, light, fuel, water, etc., for unemployed families.
4. No eviction of unemployed because of inability to pay taxes and rent.
5. Non-contributory unemployment insurance at the expense of the Federal Government and the "capitalists."

The demands will be recognized in Timmins as the same peddled round here on sheets printed on a duplicating machine of exactly the same type and style as other circulars issued here last week and signed "Northern Ontario Branch of the Communist Party of Canada."

The demands above had been presented to the Teck township council on Friday last and ignored by them. Posters placed around Kirkland Lake for the Monday night meeting called upon the unemployed to "Fight! Don't starve!"

At Monday night's meeting with the delegates of the so-called unemployed, Councillor Kaplan said, "The council can not begin to take care of these transient unemployed and we can do nothing more than offer a meal a day at the soup kitchen." The delegation, receiving little notice, returned to the group waiting outside. A large number of the decent townspeople had also gathered noting the crowd of aliens. Speech-making started, and when the blocking of traffic was called to the attention of the alien leaders the police were booed. The meeting was finally broken up by the provincial and municipal police assisted by members of the Canadian Legion.

Crowd Dispersed by Police at Pt. Arthur

Demonstration Before Mayor's House at Port Arthur Said to Have Been Incited by Communist Agitator.

Word from Port Arthur this week tells a story of another attempt to intimidate the authorities. Reading between the lines it seems evident that a few agitators, using the name of the unemployed, staged a demonstration and gathered a crowd of spectators some of whom were perhaps unemployed but only a few of whom lent themselves to the schemes of the communist agitators.

Despatches from Port Arthur say that incited by Communist agitators at a mass meeting held Tuesday, following refusal of the city council to meet their demands for three meals a day and clean beds to sleep in, a crowd of more than 500 unemployed men, attempting a demonstration Tuesday evening outside the home of Mayor and Mrs. P. V. Ibbotson, was dispersed by a combined force of Royal Canadian Mounted, Provincial and city police.

No arrests were made during the attempted demonstration. A man known as E. Davysyn, chairman of the meeting of unemployed held earlier in the day, however, was taken into custody shortly afterward on a vagrancy charge.

Police used their batons freely, and a squad of eight mounted policemen rode their horses directly into the crowd. Shouting, the demonstrators took to their heels in all directions, breaking down hedges in the grounds of homes in the vicinity, losing their hats and coats in the mix-up and breaking a number of windows in their haste to escape the pursuing police.

The yard at the home of W. F. Langworth, K.C., Crown Attorney, and neighbour of Mayor Ibbotson, near which the unemployed gathered, was in disorder after the disturbance, shrubs being uprooted, flower-pots strewn across the grounds, and a pane of glass broken in a cellar window.

Learning in advance of the intention to carry out a demonstration at the mayor's home, police were stationed in the vicinity of the house, and swooped down on the crowd when the signal was given.

The mayor had been notified that a demonstration would be held in front of his home in a letter left at his door shortly before the crowd arrived. The letter, purporting to be signed by E. Davysyn, chairman of the unemployed council, requested: "When are we going to eat, and where are we going to sleep tonight?"

Unable Tuesday to obtain free meal tickets, nearly 2,000 of which were distributed by the city Sunday and Monday, a crowd of several hundred congregated outside the city relief office today, while one of their number was permitted by police to interview the relief officer and chairman of the relief department.

Informed that the city council at its meeting Monday night had not discussed the unemployment relief problems, and reminded that he had been told earlier that the city's emergency plan decided on Saturday was to provide one free meal to every unemployed man on Sunday and Monday only, an unemployed leader, alleged by police to be a Communist agitator, returned to the men and announced a mass meeting would be held in protest.

There was no attempt at a parade, and the crowd, many only spectators, and numbering nearly 1,000 was orderly.

JIMMY WALKER KEEPS ON BOWING OFF THE STAGE

(Border Cities Star)

Perhaps the most amusing feature of the New York political situation is contained in ex-Mayor Walker's radio-gram to the Democratic city convention when, withdrawing his name as a prospective candidate for the mayoralty, he said he did not want to "jeopardize the hopes of Democracy in the nation."

"Jimmy" has always thought a lot of himself. Even as he passes from the picture, he still gets a big thrill out of self-importance. Mr. Walker's dramatic withdrawal, of course, is only a bit of stage play. Tammany decided that it could get along very nicely without the former jazz mayor and acted accordingly.

Birthday Party in Honour of Clifford Jennings

On Saturday, Oct. 15th, Mr. and Mrs. Art Jennings gave a birthday party in honour of their son, Clifford, who has attained the age of 18 years. The evening was pleasantly passed in cards, singing and dancing. Alf Cory acted as M.C. for the evening.

Mrs. Tom Foy's song, "Danny Boy," was very effective and won enthusiastic approval. Mrs. Foy sang the number in both English and Welsh.

Jock Cull and Mrs. McCann did the Highland Fling in able way and were heartily encored. Community singing was much appreciated and enjoyed during the evening. Dancing was the favourite pastime of the evening. Lunch was served at 11 p.m. The many presents received by Clifford testified to his popularity and the regard in which he is held by all. He was fairly showered with good wishes for many happy returns of the day. Among the invited guests were:—Miss Rita Forbes, Miss Sylvia Stephens, Miss Bertha Harrison, Miss Lillian Lainsbury, Miss Bettie Prince, Mr. and Mrs. McCann, Mr. and Mrs. Rainsford, Mr. and Mrs. Foy, Mr. and Mrs. Trevenna, Mrs. F. SPECIAL SALE OF USEFUL CLOTHING TO BE HELD SOON

Through a generous offer made by a local tradesman to the Timmins branch of the Canadian Legion, that body will have a good chance to augment its relief fund. The offer made consisted of surplus stocks of boys and men's clothing and footwear, including boots, rubbers, socks, suits, coats, shirts, etc., and the price asked was of such a small figure that the branch officers did not think twice about accepting the goods. The officers of Timmins branch then had to think of a plan to dispose of the goods and announcement is made that on Thursday, November 10th in the Oddfellows' hall, the goods will be sold. This will be a grand chance for Legion members to fit up their boys and also themselves. It is understood that the event will be for members only and in this way those who attend and purchase will be helping along the work of relief in no small way. Fuller details will be announced later but for a good chance to buy cheap clothing remember, Thursday, Nov. 10.

Rev. Fr. F. Sowinski Held Esteem of Polish People

There will be very general regret at the recent departure from town of Rev. Fr. Sowinski, who left some days ago for Rouyn, Que., having been transferred to the parish there. During the five years he has been in Timmins he has made many warm friends, not only among his own people but with others with whom he came in contact. A member of his flock here wrote the following appreciation of Rev. Fr. Sowinski, and this appreciation will be endorsed by all who know him:—"A few days ago one of the best-known citizens of Timmins, Rev. Fr. F. Sowinski, the beloved priest and friend of the Polish people, left the town in order to take up his new duties at Rouyn, Que. The whole Polish congregation regret his departure. All are extremely sorry to lose Fr. Sowinski, who during five years of hard work in Timmins, gained an unparalleled esteem and love, not only of the Polish people, but also of the Timmins citizens at large. All those who knew Father Sowinski, and very few in town did not know him, regret sincerely his departure. He showed himself a true father to his flock. He was always ready to help the needy and to assist all kinds of need. It would be difficult to find a more sympathizing heart. Those who sought counsel or consolation with Father Sowinski testify this unanimously. The love, gratitude and good wishes of all the Polish people follow Rev. Fr. Sowinski. The Polish people do sincerely hope for his happy return."

The pastoral duties for the Polish people here have been taken up by Rev. Fr. Dennis Bilzinski and Rev. Fr. Cornelius Zak, both of whom have been welcomed here by the people of the church.

Bussineau Scores Win from J. Thomas

Fight Goes Five Rounds but is Easily Bussineau's All the Way. Some Other Good Bouts.

Henry Bussineau, heavyweight favourite of Timmins, scored a comparatively easy victory over Joe Thomas, formerly champion of the Porcupine district, last night in the Ukrainian hall, corner of Mountjoy and Second avenue. A crowd of over 300 saw the fight and gave it a great hand as interesting and lively. Joe Thomas gave Bussineau the hardest fight he has yet had in Timmins, but the result was never in question and what the fans here are asking is where any fighter is to be got here who can really stand up against Bussineau. Thomas conceded Bussineau a wide advantage, coming in at 185 lbs., while Bussineau weighed in at 198 lbs.

In the first round Thomas ripped in five or six left jabs before Bussineau could connect, but the did not appear to affect the big fellow. Thomas was rocked with a stiff uppercut as he tried to clinch. Thomas got several left jabs in on Bussineau's face and the round went to Thomas on points, as did the second round but as the bell rang Thomas was knocked against the ropes, Bussineau waking up and going to it. In the third Bussineau rushed Thomas to a corner and turned on the heavy artillery. Thomas went down for a count of eight and got up groggy. This was Bussineau's round by a wide margin. So was the fourth round. In this round Thomas took the count of nine but got up and staggered into a clinch. Thomas had a cut on his nose and both eyes blacked. Bussineau had a wide margin in the fourth. In the fifth round Thomas was knocked down for a count of nine but got up and clinched. Thomas was only able to stagger around the ring but he kept his feet gamely and put up a good defence. Bussineau put him down for another nine count, and he no sooner got to his feet than Bussineau did it again. The bell rang and saved the count.

In the bout between Bert Dempsey, of Timmins, 137 lbs., and Battling West, of Sault Ste. Marie, 134 lbs., Dempsey was the winner. It was a good fight, fairly judged, although the crowd did not approve. Dempsey had an edge all the way through. The first two rounds were Dempsey's and he landed some good ones. The third round went to West, Dempsey being nearly floored just as the bell rang. The fourth round was a draw, both fighters being cautious. In the last round the two went at it hammer and tongs. The judges gave the decision to Dempsey and the crowd boomed the decision.

Lawrence Dubeau, of Timmins, easily defeated Pat O'Brien, of Montreal, in a five-round match. O'Brien gave up the fight in the fourth round and the referee gave the decision to Dubeau.

In the middleweight class Porky Tonick, 158 lbs., was given a technical knockout over Herman Goddard, 154 lbs., in the second round.

The judges disagreed in the fight between Marcel Theriault and Kid Bergeron, but the referee gave Theriault the decision.

In the bout between Lawrence Harvey and Kid Daniels, the crowd saw two good beginners. In this class fight the judges' decision went to Harvey.

The judges were Len (Frenchy) Morris and George (Cowboy) Taylor. The time-keepers were P. A. Macaulay and Chief Borland. Art Leonard was referee.

Another programme to be sponsored by the same management is scheduled to take place on Oct. 28th. It is expected to be a hum-dinger, and why not? Bert Dempsey, Timmins, Wally Mayhew, of Kapuskasing, Red Irwin, of Sudbury, are to be on the list, with the best of the local boys, and real matches.

Henry Bussineau has equipped a modern gymnasium at the rear of the Northern Upholstering Company's store. It has a ring, dumbbells and other
