

Man Instantly Killed by Truck on Sunday

Driver of Truck Held on Reckless Driving Count

Ivor Laakso, South Porcupine, Struck Down while Crossing Fourth Avenue Last Night at 6.30. Police Found Little Braking Power on Truck.

Struck by a truck last night about 6.30, Ivor Laakso, aged 41, of South Porcupine, was instantly killed. The truck driver, Ilmari Kovi, of 91 Third avenue, is held by police on a charge of reckless driving pending an investigation into the accident.

According to eye-witnesses, Laakso emerged from behind a vehicle parked at the northwest corner of Fourth avenue and Balsam street. He apparently did not look up the street for the truck struck him when he was not quite to the middle of the travelled portion. Bright sun, shining in the eyes of the driver, is said to have prevented clear vision.

Laakso must have died within a very short time after being struck for his skull was fractured, neck broken, the body seriously bruised and a deep cut in the palm of one hand. Internal injuries were obvious from the amount of blood that came from the mouth.

The truck, which is reported as having little braking power, slid to a stop 75 feet beyond the spot at which the accident occurred. It carried a load of ten bags of potatoes from Kovi's farm and two cases of empty beer bottles. Although the smell of liquor on the driver's breath was noticeable, the man was not intoxicated, police say.

Constables Archambault and O'Gorman, who investigated, found a bag of doughnuts on the road at the point

Illustrated Lecture on Fire Prevention

L. J. Bishop of Fire Marshal's Office to Give Address and Lantern Slides, October 4th.

Fire prevention will be graphically portrayed to Timmins people on October 4th when two meetings will be held in town at which L. J. Bishop of the fire marshal's department at Toronto will be present.

Mr. Bishop has a series of lantern slides to present, along with an interesting and instructive address, showing how millions of dollars in fire loss can be prevented by proper care.

He will be at the High School during the afternoon and at the town hall in the evening.

SCHUMACHER'S MAIN STREET SINKS

Here is the hole made necessary by the sinking of Schumacher's main street at the point in front of the Bank of Commerce building where an old, unsafe mine stope came through almost to surface. The roadway has sunk once or twice before and owing to weather conditions, only temporary repairs were made. This time a real job is to be done and the street made perfectly safe. At the bottom of the pit can be seen the twisted sewer and water lines.

Hon. J. C. Elliott to Speak Here Friday

Big Meeting in Interests of Liberal Candidate to be Held at the Timmins Rink

Hon. J. C. Elliott, former minister of public works in the cabinet of Rt. Hon. W. L. Mackenzie King, will be in Timmins at the end of this week, it was announced from Liberal headquarters. Mr. Elliott will be the main speaker at a meeting to be held on Friday evening, for which arrangements are now being made. Jos. A. Bradette, M.P. for Cochrane, will also speak. It is possible that a number of other prominent Liberals will be in the district at the time and if they are, they will be asked to come here. The meeting will be held in the skating rink.

Committee rooms for the Liberals were opened over the week-end, one in Moneta, one on Wilson avenue and the other in the business section. Literature is being distributed and a survey of voters being conducted.

Two Men Reported Lost, Searching for Each Other

No little excitement was caused yesterday near Schumacher when two men were reported lost in or near Murphy township. They had gone out for some sport at dawn and, becoming separated, had done some searching for one another.

One man came out on the road near the sand claims and reported his companion lost. The other arrived back at the car about 14 hours after he had first left it and reported the first man lost. Just about the time a widespread search was to be organized, the men were brought together. Neither admitted being lost but claimed to be searching for the other.

Found After Being Lost in the Bush Overnight

Wilbert Shields ill at Home After Trying Experience. Wandered off Trail Near Hawk Lake. Large Search Parties Organized to Hunt for Missing Man.

Wilbert Shields, whom it was feared was lost in the Night Hawk Lake area last night was found by searchers about nine o'clock this morning near the cabin in which he and two others, Glad and Val Ray had been staying.

While on their way out yesterday, the two Ray boys went on ahead of Wilbert and when they got near the car they noticed that he did not follow. They waited for some time but their companion did not show up. A search was begun at noon but revealed nothing. Seven Taxis boys who were at their camp in Northeast bay were enlisted to help and although they worked

through until after dark, did not find the missing man.

Early this morning the search was resumed and after a few hours work, Shields was found ill. He was rushed to his home and is now well on the way to recovery. It is believed that not far from the end of the trail, he wandered off into the bush, became confused and was unable to find the way out. He did retrace his steps nearly to the cabin at which the young men had been staying.

Provincial police had already begun organizing a widespread search to-day.

Over 400 at Banquet in Honour of Dr Krnjevic

Croatian Deputy and Secretary-General of Croatian Peasant Party Given Notable Welcome at Schumacher. Banquet in Croatian Hall an Outstanding Event. Leading Citizens Join in Honour to Visitor.

There were fully 400 people at the banquet given in the Croatian hall last night in honour of the visit to the district of Dr. T. Krnjevic, Croatian Deputy and Secretary-General of the Croatian Peasant Party, who is now on a visit from Geneva to Canada and the United States. The banquet was given by the Croatian people as a tribute to Dr. Krnjevic for his outstanding talent and patriotism and his long and able efforts on behalf of the people. Dr. Krnjevic, who was welcomed at Schumacher on Saturday afternoon on his arrival there on the afternoon train, was in Kirkland Lake to visit fellow-countrymen there, but returned here by car for the banquet. On account of a fire blow-out on the trip his return was somewhat delayed, but he was given a notable reception when he arrived, cheers and applause greeting him as the large gathering rose to its feet to welcome the distinguished guest.

The hall looked especially well for the occasion and the tables were laden with good things to eat. There was a full-course dinner of the most pleasing kind with a bountiful supply of everything. From the tomato cocktail to the beautiful fruit everything reflected the highest credit on the Croatian people. Meat, fowl, vegetables of special excellence, and elegantly cooked, featured the banquet.

Music by the Croatian orchestra, all dressed in national costume and playing Croatian musical instruments, was another special feature of the evening. The meeting opened with the singing and playing of "O Canada" and the Croatian National Anthem.

Dr. J. A. McInnis, Timmins, acted as chairman in the absence of Reeve C. V. Gallagher of Tisdale, who was out of town. Dr. McInnis presided in his usual happy way and added to the interest of the evening by his comments. He gave very hearty welcome to Dr. Krnjevic, the distinguished guest of the evening. Telegrams of sincere regret at their inability to be present for the occasion were read from Jos. A. Bradette, M.P., and Hon. Paul Leduc, Minister of Mines.

A charming little girl, beautifully gowned in Croatian costume, Annie Krznaric, presented Dr. Krnjevic with a beautiful bouquet of flowers, first giving very effectively a little address of welcome and greeting in the Croatian language to the distinguished guest.

Lions Hear Thoughtful Address on Law Matters

S. C. Platus Considers System of Paying Crown Attorneys by Fees Not a Good One. United States and Canadian Law Contrasted. Other Items About Timmins Lions Club.

Timmins is one of the few places in Ontario where the fee system of paying crown-attorneys is still in use. S. C. Platus told the Lions club in an address last Thursday evening. The fee system, he explained, is the taxing of convicted persons for a sum of money to pay the crown attorney for his work on the case.

Attacking the system itself, he explained that it had nothing to do with any individual but that it is regrettable that such a condition is allowed to continue. It is unfair, he claimed, and long outmoded in British justice. Salaries now offered throughout the province for the position of crown-attorney are low, the speaker said, so low that private practice must be continued by the man who takes the job. The objection to the combination of a crown-attorney's position with that of a private legal practice was quite obvious, Mr. Platus remarked.

Comparing Canada with U. S. An interesting comparison of Canadian judicial procedure with that in use in the United States formed another part of the address. The system of electing judges and attorneys, in the states of the union is one point at which the two systems differ; another is the variance of criminal codes throughout the 48 states, each setting up its own and leading to general confusion. In Canada, judges and attorneys are appointed, and a single criminal code applies throughout the Dominion. In both countries civil laws are made by state or provincial government.

In outlining briefly the various courts in Canada, from the minor ones presided over by a justice of the peace to those of the supreme court of Canada, Mr. Platus gave the Lions a valuable summary of how the courts of the country function.

President F. H. Ball expressed on behalf of the club the members' appreciation of the informative speech.

To Begin Safety Campaign A campaign for safety on the streets, to be instituted among the school children of Timmins in the near future will be backed by Lions club funds, it was announced.

Lions salute was awarded President Ball and Lion Fred Hall for their unbroken attendance records, neither of them having missed a single meeting since the organization of the club.

Plans for the big Fall Frolic, to be held at the Riverside Pavilion on October 4th are now complete, the committee in charge reported. There has been a fine advance sale of tickets.

Lion A. Desroches was welcomed back to the club after having been absent during the past few weeks from illness. L. Dawkins, formerly of Toronto, but now of Timmins, was a guest at the meeting.

J. Connell, of Toronto, a past director of the Lions International, will be in Timmins on Thursday, October 3rd, to address a joint meeting of the Timmins and Schumacher Lions clubs.

Big Swim at the Bay Called on Saturday

Marvin Nelson Five Yards Ahead of Young when Men Taken from the Water.

The big swim at North Bay was called by Mayor Bullbrook, official referee, when the swimmers had done somewhat more than six of the scheduled nine miles. Marvin Nelson was at the time just five yards ahead of George Young.

The start of the race was delayed as Nelson refused to swim until the government wharf had been cleared of people who had not paid an "admission" fee, so that it was after dusk when the swim was called. No arrangement had been made about the purse at an early hour this morning.

Though the water was cold, both the swimmers appeared to be in good condition when taken from the water.

C. C. F. Candidate Holds Meeting Here

Sunday Evening Meeting in the Goldfields Theatre in Interests of Harry Beach

Harry Beach, Co-operative Commonwealth Federation candidate in this riding for the coming Dominion election, addressed about 250 electors last night at the Goldfields theatre and received enthusiastic applause from the crowd.

Attacking the banking system of the country, Mr. Beach stated that the C.C.F. would, immediately upon being returned to power, take over all the chartered banks without hesitation and use the vast credit machinery which is the only one the country possesses, for the people as a whole.

The speaker, a comparatively young man, had a forceful platform manner and made a real impression on those who heard him as he enunciated the policies of his party. The other three parties taking part in the election are all the same, he said, in their fundamental policies. The tariff argument, he claimed, is a mere blind to beloud the real issue at stake—the patching up of the capitalist system. This is impossible, the candidate said.

Sam Lawrence, only C.C.F. member of the provincial house, was the guest speaker at the meeting, and in a long address told of how the C.C.F. had come into being as a combination of Labour and Socialist parties and unfiliated members of the house.

Noon weather report for Northern Ontario—Fair and cool Tuesday, partly cloudy, with somewhat higher temperature. Probably scattered showers.

Dr. Porter Struck by Car and Injured on Friday

Dr. A. S. Porter sustained a broken collarbone and some minor bruises on Friday night when he was knocked down by a motor car at the intersection of Fourth avenue and Pine street. The doctor had been crossing the street when a friend to whom he had been talking called. He turned and the car struck him. Fortunately the vehicle was travelling slowly.

Dr. Porter, confined to his home for the past few days, will be out and around again by to-morrow or the next day.

Death Sunday Night of James F. MacLean

Eight-year-old Son of Mr. and Mrs. J. D. MacLean, Passes in St. Mary's Hospital.

James Francis MacLean, eight-year-old son of Mr. and Mrs. J. D. MacLean, 2 Cherry street, died in St. Mary's hospital last night about midnight. The little fellow had had an operation for appendicitis just a few days before and although he seemed to be nearly past the danger point, was unable to recover from a weakness on Saturday evening. Deep sympathy will be extended to the family in their sad loss.

Frank was a bright cherry youngster, full of good spirits most of the time, apparently healthy and strong up to the time of his sudden illness, and took great interest in sport. He attended Holy Family school.

Funeral services will be held at the Church of the Nativity on Wednesday afternoon.

Big Time Tonight for Moose Members

Visit to Lodge of Deputy Grand Secretary. Motion Picture Films to be shown at St. Anthony's Hall.

This evening (Monday) the Timmins lodge of the Loyal Order of Moose is being honoured by an official visit from Harry Jeffers, the Deputy Supreme Secretary of the Order. At 5.30 p.m. Bro. Jeffers will meet the officers of the local lodge and discuss matters in regard to the Order.

Not to Make Windsor Tour to North Land

On Account of Insufficient Number from Western Ontario Plan to Visit the North Abandoned.

W. O. Langdon, president of the Timmins Board of Trade, received word this morning from the Windsor Chamber of Commerce that the proposed plan of Southwestern businessmen to tour the North had been abandoned, there not being a sufficient number signing up for the trip. Windsor Chamber of Commerce thanked all in the North for kindness and interest in planning for the trip and regretted the necessity for dropping the tour for the present. The visitors were expected here this week.

Plans Completed for Jubilee Event Here

Mass at St. Anthony's and Banquet in Skating Rink will Mark Twenty-fifth Year of Father Theriault Here.
