First Met Magistrate 25 Years Ago; Three Months Result of Last Meeting

Ben Jacobs Sentenced to Three Months for Keeping Liquor for Sale. Raiding Squad Found Three Men and Woman, All Unknown to Jacobs, in Place and 34 Pints of Beer. Dismiss Charge of Clothing Theft.

"It must be 25 years since we first met, Ben," said Magistrate Atkinson to Ben Jacobs in police court on Tuesday. The remark was made just before the Magistrate sent Jacobs to Haliburton jail for three months for keeping liquor for sale.

When he walked into Jacob's place at 3.30 a.m. on the morning of November 12 there were three men and one woman there, said Sergeant Gilbert DesRoches. All were drinking. When he asked who owned the beer Jacobs admitted that it was his. He did not know any of the people present.

A week previous to the twelfth he paid Jacobs another visit in his official capacity, the Sergeant said. At that time there were two men drinking.

Keeping observation on the place on November 1, continued the officer, he saw two men go in the house at about 8.45 p.m. Two more men went in before two men and one woman came out. The woman said: "My! Ben talks dirty."

"Just like his joint," responded one of the men.

Constable Hanson gave evidence to corroborate that of the sergeant and as Jacobs did not offer any defence aside from a denial of the police officers' allegations he was sent to jail. The place was made public for a year.

Dismiss Roche

Gordon L. Roche was very abusive to policemen after they picked him up at the door of a house in Timmins, where he was demanding to see a man, said Constable Peter Amlin. He called them names in the car when they were bringing him to the police station, and at the station, he contradicted the officer when he was making his report. He threw his gloves on the floor and nearly hit an officer with his knee.

The constable admitted that he was accusing Roche of being disorderly, not at the place where he was picked up but at the police station. The Magistrate ruled that the station could hardly be termed a public place and dismissed the charge.

Dismiss Theft Charge

A charge of theft of two suits and an overcoat against Wallace Clair was dismissed. Clair's landlady said that he had given away the clothing of a former boarder of hers who had enlisted and left his clothes with her.

Sergeant DesRoches said that Clair told him the whole story. He gave the clothes to a man who came to the door and said that he had been told by the enlisted boarder, Luff by name, to collect his suits and coat and bring them to him at Kingston. Clair told him that he did not ask to see any letter from Luff authorizing the man to take the clothing and admitted that he might have been negligent in failing to do so. However, he admitted responsibility and was willing to repay their worth to Luff.

"Charge dismissed," said the Magistrate.

Vagrants Sent to Jail for 60 Days for Street Begging

Assault Charges Against Block and Guildolin are Withdrawn.

Sam Miron and Leo Albert were each sent to jail for sixty days on charges of vagrancy in police court on Wednesday morning. Miron is alleged to have asked a passerby on the street for money and threatened to "knock your head off" when he was refused.

A second offense drunk, Alex McGrath, pleaded guilty and was fined \$50 and costs with the alternative of 30 days in Haliburton.

After several adjournments the charges of assault against Joseph Block and Anthony Guildolin were withdrawn. Both men pleaded guilty to charges of disorderly conduct and paid fines of \$50 and costs.

A. F. McDowell Chosen President of Kiwanis Club

Succeeds J. L. Fulton as Service Club Head. W. O. Langdon Elected Vice-President.

A. F. McDowell was elected President of the Kiwanis Club for 1940 at the regular Monday luncheon meeting in the Empire Hotel. He succeeds J. L. Fulton, who has occupied the chair for the past year. W. O. Langdon was chosen Vice-President for the coming year.

Directors elected for a three year period were W. H. Burnes and George S. Drew. Mr. O. R. Kenne was elected a club director for the next two years. Treasurer continues to be George Ross.

Members of the election committee, who brought the names of the candidates before the meeting of Kiwanians were Gordon Irving, Chairman, Reg. Smith, R. P. Kinkel, Percy Molsley and Arch Gillies.

The club slogan for 1940 would be "Unity, Service and Sacrifice," said the new President, Mr. McDowell. He thanked members for electing him to the office, said that he was proud to be their choice and that he would do all in his power to fulfill the duties of the office. Other newly elected officers all spoke briefly, thanking members for electing them.

Mr. R. P. Kinkel said a few words regarding the Ice Carnival proposed for this year.

Singing was under the direction of Fritz Woodbury. Peter Cosco, of the Moneta Hardware, was a guest at the meeting. Another was Melburn Turner, who is directing a play at the High and Vocational School the proceeds from which will go to the Red Cross.

Poppy Day Taggers Entertained by Committee

Legion and Auxiliary Do Honour to Taggers. Very Happy Evening.

Laughter, music, song and dance all blended together make a refreshing treat to serve anyone. So it appeared, on Monday evening at the Legion hall when close to 150 happy young people spent an evening planned by the Poppy Day committee of the Legion, and assisted by the entertainment committee.

The social was given as a mark of appreciation of the splendid work of the young taggers, and owing to its outstanding success will no doubt become an annual event. Walter Devine was at the piano for the evening and during the course of the programme in a short address thanked everyone for their efforts in assisting the Legion in its work. Fred Curtis acted as M. C. and by special request had to sing "John Willie".

An impromptu entertainment uncovered some of the talent of Timmins' younger set. These were numerous. Those who deserve special mention included Miss Peggy Wetmore, Miss Joan Melville, Master Colin Charron. Each one received insistent encore and Miss Wetmore, had to sing three selections before the large gathering was satisfied. A young Ukrainian girl rendered a very attractive dance routine and made a decided hit with her very clever dancing. Readings and tap dancing by others filled out a very highly talented bill of variety entertainment.

"Jitterbugs" held sway in the dancing and it was reported after the event came to a close that "The Barrel" had been completely smashed.

Mrs. Hardy and other officers and members of the Ladies' Auxiliary served the happy crowd a delightful luncheon and this was another feature of the evening along with the paper hats distributed.

At 11 p.m. The High School pupils gave the "Timmins School Yell" and sang the National Anthem, which bought the "Poppy Day Thank You" social to a close.

"Courage"

Zofia Charuck, Polish-born Montreal girl, spent the last three weeks of Poland's life in Warsaw while the German army conquered her native land. She said captured German aviators admitted taking some drugs to make them fearless. She said women often accompanied bombing-plane pilots.

\$2.35 From Der Fee Nets Valencia Harju 3 Months

Der Fee, Chinese, Says Valencia Took Money From His Pocket.

"I see you have quite a record of thefts. You can't seem to get over it can you?" said Magistrate Atkinson to Valencia Harju, who pleaded guilty to the theft of \$2.35 from a Chinese, Der Lee.

Lee said that the woman took the money out of his pocket while they were together at a house in Timmins. She simply reached into his pocket and appropriated it. He believed she got \$4 or \$5.

"Is there any fine?" asked Miss Harju when sentence was passed.

"No," said the Magistrate, "no fine. You probably would go out and pick somebody's pocket to get it if I fined you."

Dismiss License Charge

By-law charges with regard to town licensing by-laws are usually interesting inasmuch as they take on some of the features of a test case.

The license collector for the town, Clarence R. Stiver, told the court that at the time the charge was laid, October 19, the man charged, Harry Ostroski had no license of any kind so far as he knew. He saw him selling fruit and garden produce to retail stores and brought him in to the police station. Ostroski left and promised to return but later he saw him again, still selling. Mr. Stiver admitted that he saw a document of partnership dissolution between Ostroski and the firm of Lamberski and Son. He knew, also that Lamberski and Son had a transit-traders' license entitling them to sell fruit and vegetables wholesale to retail stores.

Ostroski produced an agreement showing that he had taken over Lamberski's business. He expected, he said, that he would be able to use Lamberski's license. At the present time, he said, he had instructed his solicitor to apply to the town for a transfer of Lamberski's license to him.

The Magistrate evidently did not consider Ostroski culpable as he dismissed the charge.

Other Cases

Edgard Ladouceur paid a fine of \$100 and costs for the illegal possession of liquor.

N. Allan Mayhew admitted driving carelessly. Constable Roland Munro said that the accused was driving down Wilson Avenue following a zig-zagging course. He had been drinking. Penalty: a fine of \$25 and costs and Mayhew's license to drive cancelled for 30 days.

For using markers on his car which belonged to another automobile, Albert Vallee paid a fine of \$10 and costs.

There were many other minor traffic charges and the usual line-up of drunks.

Tattered Canadian Ensign to Aid in Red Cross Drive

Toronto, Nov. 15—A tattered Canadian ensign that flew over the Canadian Red Cross distributing centre in Paris during the First Great War, has been returned to the Red Cross to aid in the organization's present drive for funds.

Miss Ethel Foster, of Toronto, who was the last volunteer Red Cross worker to leave Paris for home in 1919 has had the flag in her possession for 20 years.

"It took 18 pails of water to clear it of smoke and dust of those war years back in Paris," Miss Foster said. "I hope it will help the Red Cross in its work."

Kirkland Kiwanis Cable Compliments to Churchill

Kirkland Lake, Nov. 15—Exemplifying the enthusiastic reception in Kirkland Lake of Winston Churchill's forceful radio address on Sunday afternoon on the progress of the war to this time and on the objectives for which the Empire has entered the struggle, the Kiwanis Club of Kirkland Lake yesterday decided to send a cablegram commending the first lord of the admiralty on his speech to the Empire.

President Jim Burns made the suggestion to the Club that the straightforward and inspiring address should have some recognition and he urged that the club go on record as commending him for the splendid way in which the first lord of admiralty had presented the case for the British Empire.

Dr. E. C. McKee moved that a cablegram be sent immediately voicing the endorsement of the Kirkland Lake Kiwanis Club of his stirring speech. Frank Huff seconded the motion.

As soon as the members began to gather at noon for their weekly luncheon at the Curling Club the main topic of conversation was the remarkable address of the first lord of the admiralty on Sunday.

One comment which appeared particularly appropriate was that Churchill had revealed that the English language is capable of fully expressing the finest shades of thought when used by a master.

Power Plant Sites

There are reported to be many locations along this large Missanabi watershed suitable for the development of hydro-electric power.

Establishing of more paper mills in this section of the Northland up until the outbreak of war would have been considered as highly improbable. In recent years, until war came in September, plants of Abitibi and Spruce Falls at Kapuskasing, Smooth Rock Falls and Trochu Falls have been operating far below capacity. But now with the Scandinavian supply of pulp cut off by the war, and the worth of Georgia slash pine not yet proved in the manufacture of newsprint, the extra business has been coming to the Northern Ontario plants.

Running at capacity in recent weeks, Abitibi and Spruce Falls have picked up employment in the district and had a reflection for more traffic down the T. & N. O. Railway line.

Transcona, with a mill at Mattice, would be ideally situated for shipping, for the town is only a short haul of a few miles from hearst on the west, end of steel for the Algoma Central. Product of the mill could be hauled directly south to the railhead at Sault Ste. Marie for trans-shipment by lake freighter.

With the Great Lakes ice-locked in winter, the extra traffic could either be routed south to Fran to be picked up by the Canadian Pacific, or sent east to Cochrane and south along the T. & N. O.

Ministers Learn of Law Enforcement in Timmins

Juvenile Delinquency at Minimum During the Hockey Season.

The Ministerial Association of the Porcupine area met on Monday afternoon at the home of Rev. James Lytle, South Porcupine. The president, Rev. A. I. Heinonen, presided. The guest speaker for the occasion was Inspector Olson of the Timmins Police force who spoke on the subject of "Law Enforcement in Timmins," dealing particularly with the problem of Juvenile Delinquency and Seditious Literature. An interested discussion followed. It was learned that Juvenile Delinquency is at its maximum in the spring and fall, and at the minimum during the winter months when rinks and winter sports absorb the energy and attention of the boys and girls. The Inspector spoke of the constructive work for juveniles being done by the police in their club rooms.

The next meeting of the association will be held in December at the home of Rev. W. M. Mustard.
