Ladies' Auxiliary of Legion Make Plans for Picnic

The Ladies' Auxiliary of the Canadian Legion held its regular monthly meeting on Monday evening in the Legion hall, with the president Mrs. R. Hardy in the chair.

A large portion of the evening was devoted to the discussion of plans for the picnic which will be held on Wednesday, August 6th. Mrs. G. Hemmings resigned from the Entertainment Committee, partly because of ill health, feeling that some one else could take more over active part in the work. Nominations for the vacated office resulted in the election of Mrs. W. Wilkinson.

Mrs. A. Borland, Sr., drew the winning number for the raffle, which was No. 32, held by Mrs. J. Wilson. Mrs. L. Mason was chosen to be in charge of the trip to Kirkland Lake which will take place on Saturday, August 16th.

At the afternoon tea held by the ladies on Wednesday afternoon, members were pleased to have as their guest little Miss Dorothy Devine, who played several pianoforte selections.

Wedding Event at the United Church at South Porcupine

Miss Mary Mildred Anderson and Mr. J. F. M. Hutchinson Married.

South Porcupine, July 9—(Special to The Advance)—A very quiet wedding was solemnized on Monday afternoon in the United Church, the Rev. J. A. Lytle officiating, when Miss Mary Mildred Anderson, daughter of Mrs. H. Anderson, of South Porcupine, and the late J. Anderson, of Westmeath, was united in marriage to Mr. John Frederick Mervyn Hutchinson, son of Mr. and Mrs. S. Hutchinson, of Thornbury.

The church was prettily decorated with summer flowers, beautiful baskets of pink and white Canterbury bells, and pink and white sweet-williams being used.

The bride was very simply attired in a street-length dress of powder blue crepe, with white halo hat and white accessories, wearing a corsage of tall-moss rose-buds.

She was attended, as matron of honour, by Mrs. Clarence Anderson, attired in an ensemble of dusty-pink chiffon with white hat and accessories and corsage of blue iris and fern.

Mr. Clarence Anderson supported the groom as best man.

During the ceremony and the signing of the register Mr. Edwards, on the new Hammond organ, played soft wedding music, adding to the dignity of the occasion.

Many friends of the popular bride were present at the church to witness the ceremony and later attended the reception held at the home of the bride where her mother received the

The bride and groom left later for honeymoon in Toronto and other points, the bride wearing a pink silk jersey dress with cream flannel coat and accessories. They will reside on their return at 72 O'Brien Ave.

The bridegroom's gift to the bride was a set of travelling bags, to the matron of honour a compact, and to the best man a billfold. The bride's gift to the groom was a cigarette lighter.

The bride was the guest of honour at several functions before her marriage, the most recent being at a small party at Bayside Beach on Sunday, when both bride-and-groom-to-be were present.

Inflict Heavy Losses As the German Drive Boggled Down

(Continued from Page One)
ish attack got under way. Up to noon today there was still no reply to the ultimatum. The British had asked that Beirut be evacuated pending discussion of armistice terms.

Vichy reports this morning that the British have failed to reply to the Vichy government request for armistice terms and claimed that the British were attacking with redoubled intensity on all fronts this morning. Premier Churchill announced to the British cabinet yesterday that a request for an armistice had been received from the Vichy commander at Beirut and made the statement that the Syrian campaign had cost the British army between 1,000 and 1,500 men killed or wounded.

One of the terms of the armistice agreement is reported to be the request that the Vichy forces hand over all warships in Syrian waters as well as

all airplanes and any other war equipment at their disposal, it is reported from Ankara, Turkey.

The Royal Air Force bombers and fighters are reported to be sweeping back and forth across the channel again today as they continue to hammer the occupied French and Dutch coast. The loud explosions can be heard in England. The daylight raid today followed night attacks by the R.A.F. last night against Aachen and Osnabruck in Western Germany. Nazi airmen are said to have made scattered attacks on the British Isles last night but the damage was very small. Four of the raiders were brought down by anti-aircraft fire and R.A.F. fighters.

German planes were reported to have attacked the Suez Canal last night but again the damage is reported as being light. The Germans are reported to have downed a hundred and ten Russian planes in the fighting yesterday.

Merchants of Kirkland Object to Parking Meters

According to a petition submitted to Teek township council this week, the merchants at Kirkland Lake do not favour the installation of parking meters there. Among the other objections raised is the contention that no such expenditure should be undertaken in war time. In regard to the material in the machines, Ted Miron in a letter to the reeve says:—"In Germany they would tear them down to make implements of war."

U.S. PAPER ASKS FOR WAR

The New York Post, in a front page editorial today, called for the president and the Congress of the United States to make a declaration of war against Nazi Germany. The editorial stated that the U.S. has already been attacked and said that a declaration of war was justified.

Assault Case Arises from Work of Census Taking

Case Adjourned Until Next Week.

At police court at South Porcupine this week a charge of assault against Norman Granville, of Schumacher, was remanded to next week, bail being allowed at \$200.00. The charge arose from incidents concerning the taking of the census. Mrs. O'Donnell, one of the census enumerators, apparently had difficulty in securing the required census information from Mr. Granville and laid the matter before Sheriff Mackay, the head of the census work for the district. Sheriff Mackay pointed out that all persons were compelled by law to give the required information to the census enumerators. Mr. Granville visited another census enumerator and gave the information to her, this information being turned over to Mr. O'Donnell as in her district. In a meeting on street between Mrs. O'Donnell and Mr. Granville, there were some words, and during the incident Mr. Granville is said to have attempted to take the census sheet containing particulars about him from Mrs. O'Donnell. The assault charge followed the incident.

How to Make an Awkward Man Feel Free and Easy

(New York Post)

Clare Boothe attended a dinner party, wearing a new, white evening gown. The man seated to her right engaged her in the customary dinner conversation. Then, accidentally, his knife slipped from the plate—and some food remnants splattered across Miss Boothe's gown. The embarrassed man apologized, profusely—while the playwright cleaned her gown as best she could, assuring him that it was quite all right. He continued to tell her how sorry he was—while she replied, each time, that it was quite all right.

When, for the sixth time, he repeated his regrets and insisted: "I feel awful about this," Miss Boothe accidentally tipped a bottle of ketchup across his white shirt-front, and said: "There. Does that make you feel any better?"

Timmins Young Lady Seriously Hurt in Motor Accident

All Ribs on Right Side Broken. Other Injuries.

Miss Dorothy Turcotte, who was injured in an automobile accident near New Liskeard, and is in hospital there, is reported this morning as making satisfactory progress, and it is expected that she may be able to return to her home on Monday. However, she will not be able to be up and around for nearly a month, the injuries sustained in the accident on July 1st, being quite serious.

Miss Turcotte suffered a laceration of her forehead, over the eyebrow, which required twenty-six stitches; all ribs are broken on the right side of her body; and the liver is badly hurt or perhaps punctured. Mrs. R. Turcotte, of Cedar street south, who visited her daughter over the week-end, says that the attending physician expects that Miss Turcotte will be confined to bed for about twenty-eight days.

Few particulars are to hand as to the accident, but it appears that the car driven by Miss Turcotte went out of control in some loose sand and went over an embankment. The others in the car escaped with only slight scratches and bruises. They were returning from a holiday in the South.

Litvinov Urges Britain to Invade Germany Now

In a radio address on Tuesday Maxim strike at Germany in the West while Litvinov at Moscow urged Britain to the Russians held them busy in the East. He said there was no time to be lost and that the right policy was to give Hitler no moment's rest. Litvinov, who was formerly very prominent in Soviet circles has not been heard from for considerable time. He fell into disfavour, it is said because he opposed the agreement between Russia and Germany. Apparently, the change in the political situation suggests that his attitude was the right one in the interests of Russia has brought him back into favour.

APPREHENSIVE

A small boy sat at the side of the road, sobbing pitifully. An old gentleman who came along was very touched by the tears.

"What's the matter, little man?" he asked.

"I'm afraid to go to school," the youngster replied.

"But why?" asked the old fellow.

"Haven't you been a good boy?"

"Oh, it isn't that," said the youngster. "Your see, my sister jilted the schoolmaster yesterday."—Globe and Mail.

Dropped Between Stitches

By Ann

"Hall, guest, we ask not what thou art;
If friend, we greet thee, hand and heart;
If stranger, such no longer be;
If foe, our love shall conquer thee."

Those words, which are said to be from an Old Welsh door Verse, seemed to float through the air at Camp Bickell on Monday afternoon, when "Ann" was a lucky guest of forty-seven little gentlemen, and their three instructors . . . forty-seven boys who are enjoying all the glories of nature, and who, for a small sum, are receiving the splendid training and the happy companionship of "camping days."

And, honestly, out at Camp Bickell there's a special treat for the lover of good foods . . . Mr. and Mrs. Shippam, who reside in the cleanly kitchen, serve these tasty meals, one of which "Ann" was privileged to enjoy . . . the special treat was raisin pie . . . it's a shame to admit, but this guest to the camp dislikes raisin pie intensely, and was dreadfully disappointed 'cause the apple pie vanished before she was ready for dessert . . . but she wasn't one bit sorry after she'd had one bite of that delicious pie for which Mr. Shippam took the compliments . . . in fact, she was sorry when the last piece had disappeared.

In the evening the boys enjoyed a marshmallow roast, one of the many special treats that are arranged for them by the instructors . . . there are weiner roasts, sing-songs, ball games, swimming, and a little bit of work to even out the day . . . one of the "jobs" given the boys is keeping their cabins tidy, and this camping certainly makes good "housekeepers" out of the lads . . . it makes them into the kind of boys their mothers are proud to tell friends about, and it also makes them the kind of "regular fellows" that other lads want to have as their friends . . . yes, these forty-seven boys whose two weeks' camping period will be over at the end of this week, will have benefited in every way . . . in spirit, in body, and in mind.

Mr. P. A. Boyce, and Messrs. Lloyd Queen and W. H. Wylie are in charge of the camp, while on the committee are Mr. D. Keeley, chairman of the Public School Board . . . Mr. Nate Adams, representing the McIntyre Mines . . . Mr. Boyce as principal of the public school at Schumacher, and Mr. Wylie as representative of the cadet corps . . . another group of youngsters will go to the camp for two weeks after the end of this week, and those in charge hope that girls of Schumacher may also take part in the benefits of camp life.

Every happiness to you, Greg and Zita . . . yes, Gregory T. Evans, one of the town's popular barristers, and Zita Callon who came to Timmins not so long ago from Toronto, have decided to say their "I do's" in the fall . . . they're a mighty nice couple, and that's a mighty nice diamond that sparkles on Zita's third finger left hand.

Writing from London, Ontario, to a friend in Schumacher, Mrs. Anderson (nee Ida Duxfield) gives some news that will be received with much happiness by friends of Mrs. Bob Crosby . . . Mrs. Crosby has been at the London sanitarium for some time, and Mrs. Anderson says that she seems to be getting along well, and enjoys the baths which are a part of her treatment . . . her friends will join in the sincere wish that this well-known and popular lady will soon be back at her home in Schumacher.

To-morrow (Friday) evening is the date of the Kinsmen's Annual Barn Dance . . . no, don't get any wrong ideas . . . this is "strictly a modern dance," with a programme of the newest in swing, waltz and fox-trots played by Henry Kelneck's orchestra . . . and there will be special added "attractions" which include a delicious

Post-nuptial Cup and Saucer Shower

Mrs. A. J. Kelneck the Guest-of-Honour at Pleasing Event.

Mrs. A. J. Kelneck, who was a bride of May 13th, was guest-of-honour on Monday evening at a post-nuptial cup and saucer shower and musical evening at the home of Misses Doris and Jean MacDonald, the hostesses, on Riverside Drive. The glory of summer flowers gave the decorative touch to the setting, and pleasant friendliness added to the evening's pleasure.

A sing-song and piano selections, with the guest-of-honour and Miss Virginia McIvor presiding at the piano, provided pleasant entertainment, and a dainty lunch was served by the hostesses. The beautiful odd cups and saucers were presented to the guest-of-honour in a daintily decorated basket, and gave a moment of great surprise to their new owner.

Among those present were: Mrs. Vic Mullen, Misses Virginia and Gladys McIvor, Mabel Higginbotham, Evelyn Durkin, Jean McChesney, the hostesses and the guest-of-honour. Several other gifts were received from friends who were unable to attend.

lunch by the Kinettes, wives of the Kinsmen . . . the dance, of course, will take place at the Goldridge Stock Farm in Golden City, and buses and taxis have made special arrangements for transportation.

Yesterday's sunny weather made an ideal afternoon for entertaining, and Mrs. Wm. Thomas took advantage of the day to entertain four of her friends at afternoon tea . . . Mrs. E. Hall, Mrs. O. McCann and Mrs. C. M. MacEwee who is leaving on Saturday for holiday at points south . . . and they spent a very pleasant few hours.

Congratulations and best wishes to two couples who said their "I do's" this week . . . Mr. and Mrs. Louis Riopel who chose the Notre Dame des Lourdes church for their marriage on Tuesday morning . . . Mrs. Riopel is the former Miss Blanche St. Pierre . . . and to Mr. and Mrs. Henry Maisonneuve, who were united in marriage at the same church this morning . . . Mrs. Maisonneuve was formerly the popular Miss Bertha Major, daughter of Mr. and Mrs. Albert Major, of 5 Hollinger avenue.

Miss Mattie Clutchee, a nurse at St. Mary's Hospital, was honoured on Tuesday evening at a linen shower held by the nursing-staff of the hospital, in the residence . . . the bride-to-be, who will leave in the near future to become the bride of Bill Ball, of the R.C.A.F., Calgary, received many lovely gifts, and the best wishes of the many nursing friends who were present.

And, once again, to women of Timmins and district . . . remember that Red Cross work must be carried on throughout the summer months, as all articles are urgently needed . . . if you are planning to holiday out of town, please arrange for someone to replace you in the work . . . if you have not taken part in Red Cross work, perhaps you can arrange to start work now, when, more than ever, your help is needed . . . remember, there are no summer holidays in England.

Notre Dame Church Scene of Charming Wedding To-day

Miss Bertha Major and Mr. Henry Maisonneuve Married.

The Notre Dame des Lourdes Roman Catholic Church adorned with summer flowers, was the scene of a lovely wedding this (Thursday) morning at 9 o'clock, when the Rev. Fr.
