

HOLLINGER WINS FIRST OF FINALS

Timmins Delnites Bring Back Northern Ontario Championship in Softball Tourney on Monday

Hold the Championship that Paymaster Won Last Year in Associated Canadian Travellers Tournament at North Bay on Monday. Drummond is Outstanding Star.

The Delnites Mine Shamrocks, of Timmins, won the Northern Ontario Softball Championship at North Bay on Monday afternoon when they administered a 10-6 shellacking on the Sault Ste. Marie Esquires in the final of the Associated Canadian Travellers' tournament. The Delnites had previously beaten the Wright-Hargreaves entry in the first game of the tournament and had then drawn a bye into the finals. Delnites thus brought back the championship that was won by the Paymaster team last year. Aunor Mines of Timmins also had an entry in the tournament but they were eliminated in their first game by the same Sault Ste. Marie Esquires.

Most sensational pitching of the tourney was that of Jackie Drummond of the Delnites crew who gave up only three hits to the Wright-Hargreaves team in the first game and then came in from centre field in the seventh inning of the last game to pitch hitless ball for the last three innings.

Delnites, Sault Ste. Marie and the Orco Club from Sudbury were the winners of the first three games and then Delnites drew a bye into the finals leaving Sault Ste. Marie and the Orco Club to fight it out for a berth against them. The Sault Ste. Marie team won their way into the finals and then bowed out to the strong Delnites nine.

The last game of the tournament produced two fist fights and plenty of other excitement before the Delnites walked off with the championship that was saved for Tommy Stewart when Drummond was called in from the field when the Sault Ste. Marie team started to get tough in the seventh inning. Drummond let the Sault team down without a hit in the last three innings and his mates pounded in another run to make sure of the win.

The complete results of the tournament were:

Over One Hundred Dollars in Fines Collected Monday

Number of Charges Cleared Up on Monday Night Before Regular Court on Tuesday.

A large number of serious charges were settled before court this week when Magistrate Atkinson accepted a number of guilty pleas on Monday night in order to take some of the weight off the heavy docket that was lined up for Tuesday afternoon.

Most serious of the charges disposed of on Monday were one of dangerous driving and another of failing to remain at the scene of an accident. Both of these charges drew fines of twenty-five dollars and costs when the parties involved pleaded guilty. Another charge of careless driving was also disposed of on Monday night and several minor charges, such as disorderly conduct, illegal possession of wine, over-time parking and drunks were also cleared up early.

Battistone Benjamin, 15 Kirby avenue, also got in trouble with the Timmins police on Saturday night. Police apprehended him about half past nine on Tisdale avenue. He had three-quarters of a gallon of wine with him and he has since discovered that it is not a good practice to wander about the street with an open jar of wine. He pleaded guilty on Monday night to a charge of having wine in other than his private residence and paid ten dollars and costs.

Albert Valley, 21 Young street, Kapuskasing, was apprehended by the Timmins police on Saturday morning at 2:20 a.m. and charged with dangerous driving. He pleaded guilty to the charge on Monday night and paid a fine of twenty-five dollars and costs.

At 6:40 a.m. on Saturday Oliver Carson, 201 Balsam street south, reported to the Timmins police that someone had run into his car during the night. His car had been parked outside his home during the night and when he came out in the morning to go to work he found that someone had damaged the fender on his car.

At 9:15 on Saturday morning the police were notified by Feldman Motors that one of their cars had been stolen the night before. Workers missed the car at eight o'clock when they came to work but they didn't report the loss at that time because they thought that one of the employees had the car out. The stolen car was a black Mercury 1940 sedan. Police believed that this car was the one that had hit the parked auto and they started a hunt for the car.

The car was located and police charged Aldonea Clermont, 72 Maple street south (rear), with being the driver. The charge laid against him was failing to remain at the scene of an accident. On Monday night Clermont went before Magistrate Atkinson and pleaded guilty to the charge and paid twenty-five dollars and costs.

was most interesting as well as informative. He touched in very effective way on the value of the doctor to the community, not only through his profession, but also as an able citizen. He believed that doctors should use their knowledge and influence to advance right thinking as well as healthy living. Referring to the present battle for freedom and democracy he spoke eloquently of the way in which doctors as prominent men of the communities and from their close touch with the people, could—and were—holding aloft the ideals that would bring victory. Other speakers were: Dr. McCutcheon, Toronto; Dr. H. M. Torrington, Sudbury; Dr. H. M. Yelland, Peterborough; Dr. F. L. Crowe, North Bay. Dr. G. C. Amritage was chairman.

Wright-Hargreave' Conquerors are Vanquished in Ninth Inning Attack Led by Chase and Barton

Hollinger Blitzkreig in Last Half of Ninth Inning Wins the Game With Nobody Out. Chase and Karahan Lead Hitters With Three Apiece. Barton Scores the Winning Run.

Amid the cheers of the largest crowd to jam their way into the Hollinger Park for a long time, Vince Barton scampered across the plate last night with the winning run in the first of the playoff games for the T.B.L. championship. Barton went in to play in the ninth inning and when he ran in with the winning run the bases were still loaded and nobody was out. It was Frank Chase that hoisted a hard hit ball between right and centre fields with the bases loaded to bat in the winning run. The second game of the series is being played at the Hollinger Park this afternoon and then the two teams journey to Kirkland Lake to finish the series.

Toburn grabbed an early lead and it looked as though it would prove their margin but in the sixth inning the Bombers tied up the game and then in the ninth they went out to show the year's best crowd why they are called the Bombers. It was a typical Hollinger finish and the brains behind the finish were Barton's. He went in to pinch-hit for Scarlett in the last half of the ninth with the score tied and with a couple of breaks and a good hit from Frank Chase's bat he was in with the winning run.

There weren't any outstanding stars in the game. Only two batters were able to hammer out extra base knocks and neither of the teams was able to pull off a double play. The hitting was just about even but the errors were piled on one side a little too much.

Stoyand started the Toburn crew off with a bunt that Oltman threw badly to first base. Stoyand pulled up at second and then Cherevaty walked. Rudel, Hillman sacrificed both men around and Rice was passed to lead the bags. It was just the spot that Jimmy Donald was waiting for and he bashed out a long single that scored two runs. Rice stayed at second and then stole third while Donald stole second. Jelly's long outfield fly scored Rice with the third run. Doraty, the man who broke up the last Toburn game with Hargreaves, was thrown out at first to finish the inning.

One man was out when the Hollinger started out to get their one run in the first inning. Cookson, second man up was walked and Karahan's single left two men on. Chase batted out a hard ball to short stop and when Donald tried to make a double play off the out at second he threw wild to first base and Cookson scored. Chase then wandered off the bag, thinking that he would be waved down to second, and he was tagged out for the third out.

Hollinger tied up the game in the sixth inning when they again started with one man out. Chase singled to left field for his first bingle. Lawton fled out to right field and there were two out. Then Rudel messed up Romualdi's hard rap and both men were safe. Doraty banged out a long single to right field that scored Chase and sent Romualdi to third. When Toburn made the play at the plate Doraty went to second and when Cramer missed the throw to the plate Romualdi scored and Doraty went to third. That was when Toburn decided to yank Rice from the box and send in their ace, Rolly Bussiere. Bussiere walked the first man and the second man was thrown out at first base.

In the seventh inning the Bombers went into the lead for the first time when Scarlett was safe at first as Rudel threw wild to first in an attempt to catch him. Scarlett went to second on the error and when Karahan was thrown out at first he advanced to third. Chase's single to left field scored him.

In the eighth inning Toburn tied the count and the game began to look like extra innings. Scarlett dropped Hillman's long fly and by the time the ball was recovered and thrown into the infield Hillman was at second. Rice's double to right field scored Hillman with the tying run. Donald was safe on Chase's error and when Rice tried to round third and score he was nabbed at the plate. Jelly fanned. Doraty was walked and Bussiere was thrown out at first to finish the inning. Toburn only got one man as far as first base in the ninth inning and then in the last half the Bombers let their

Timmins Dart League Starts

The Timmins Dart League got off to an auspicious start on Monday night of this week when eight of the twelve teams entered play. Two other teams would have been in action as well but for a misunderstanding. The United team were waiting to play their game on their home grounds and the new team in the league, Thorpe Radio, were also waiting at their home grounds. The game should have been played at the United's home.

The close competition in this year's league can be well seen from the results of the first night's play, only one team being able to sweep the series and they did that by taking a game by default. In all the games that were played the points were split. Only one team managed to count two points for the first night and that was the Legion team of Imperials. They took their game by default from the Wanderers who failed to have a team ready to play inside half an hour after the play was called.

United and Thorpe Radio are the only teams that have a chance to catch the leaders. They have to play a double-header tomorrow night. Each of these teams have one game in hand and either one of them can make two points and catch the leaders.

Mattie Madden, of the St. John's team was the high scorer on the first night's play.

Results of the opening night's play are as follows:

Wander 0; Imperials 2
Seven Ups 1; Algoma 1
Legionaires 1; White Labels 1
St. John's 1; Goldbelts 1
Dinkie Doo 1; Canada Bud 1.

The league standing after the first night:

Team	P	W	L	T	P
Imperials	1	1	0	0	2
Seven Ups	1	0	0	1	1
Algomas	1	0	0	1	1
Legionaires	1	0	0	1	1
White Labels	1	0	0	1	1
St. John's	1	0	0	1	1
Goldbelts	1	0	0	1	1

Canada Buds	1	0	0	1	1
Uniteds	0	0	0	0	0
Thorpe Radio	0	0	0	0	0
Wanderers	1	0	1	0	0

Games for tomorrow night are:—

Imperials vs Wanderers
Algoma vs Seven Up
Thorpe Radio vs United
White Labels vs Legionaires
Gold Belt vs St. Johns
Canada Buds vs Dinkie Doo.
