1944 Baseball Outlook

Enlistments have presented many difficulties in the organization of baseball teams again this season but the Waterloo Baseball Club has spared no efforts toward the formation of senior and junior teams that will merit the same measure of support Waterloo teams have enjoyed in the past.

An unexpectedly good senior group will again assure an abundant measure of interest in the major division, while the junior team will be the most formidable in the history of the club. In fact the juniors for the first time are expected to receive patronage equal to the seniors.

Frankly, with the prospects of senior ball not too bright last fall, the club took extraordinary measures to provide an outstanding junior team. The result is that several members of last year's Toronto St. Michael's junior hockey team form the nucleus of the junior club.

With many newcomers to the ranks of both teams, introductions are in order.

Four new members of the Waterloo Tigers are Bob Walker who played with the Preston juniors last year and batted .546 doing so; Norm Hill, New Hamburg school principal, who played with Stratford National two years ago; Bill Cybuski who hails from Smith Falls; and Lloyd Roubell who played professional hockey with Pittsburgh Hornets and Hollywood Wolves last winter. Formerly with Stratford Midgets junior hockey team, Lloyd played ball in Windsor.

Dick Ritz of New Hamburg also will be a member of the team although the former Kitchener Blue Top first sacker is not exactly a newcomer, having played two playoff games with Tigers last season.

Two former members returning to the Tiger fold this season are Eddie Brill and Bob Bridgeford.

Members of last year's team available are Jack Dunbrook, who has received his discharge from the army, Whipper Watson, Pete Priamo, Cy Bricker, Shelly Groce and Tommy Sparks. Hans Wagner, a former Waterloo junior, is making his debut as a senior this year. Jerry Bauer will be available for only a few games, having joined the Navy.

From these Reg Dorey, Tiger manager is expected to round out a team that will uphold the standard of past performances. Incidentally Reg. received his coaching from Vinc Barton who played professional ball with Baltimore and Chicago Cubs.

Members of St. Michael's hockey team with the Waterloo Tiger Cubs are Dave Bauer who played with Cardinals and also with Tigers last year and who will coach the team, Frank Dunlap of Ottawa, Ted Lindsay, Frank Melong and Gus Mortson of Kirkland Lake and Tommy O'Neill, Toronto, who was later called up by Toronto Maple Leafs last winter. Dave Bauer, Ted Lindsay and Gus Mortson finished the season with the Canadian junior champion Oshawa Generals.

Another St. Michael's College student with the Waterloo juniors, although he was not a member of the hockey team, is Doug McLellan of Timmins.

Members of last year's Waterloo juniors and juveniles available are Stan Schneider, Cliff Turel and Bill Young.

Jack Raymond who has been at the helm of the junior teams for the past few years, again will manage the team.
