New technology and decision making  
subject of C.I.L. lecture at Laurier

Dr. Peter C. Bell of the school of business administration at the University of western Ontario in London, Ont., will discuss new technology and managerial decision making Jan. 23 at 1 p.m. in the Paul Martin Centre of Wilfrid Laurier University.

His talk is given as part of the C.I.L. Distinguished Lectureship Series. It is open to all those interested at no charge. Refreshments will be served.
