ORIENTATION '86

Welcome To Laurier!

Orientation '86 — "Diamonds In The Ruff"

It's been 75 years and we're celebrating Laurier's diamond anniversary. Think of it as a prepaid, pre-university get together. One thousand first year students pack the campus for seven days and seven nights of nonstop fun and adventure.

Events such as Yuk Yuk's Komedy Kabaret, the Diamond Head Surf Club Party, a Giant Twister game, a golf tournament, a day at Bingeman Park (waterslide, bumper boats, go Karts, wave pool etc.), and Laurier's 25th anniversary Shinerama Spectacular have been planned to fill your every waking moment.

From the moment you set foot on campus our team of enthusiastic and friendly Icebreakers, Dons and BACCHUS Boosters will be there to ensure you have the time of your life.

Icebreaker: host of information and wealth of knowledge and fun

Don: introduces and guides you through residence life at Laurier

BACCHUS Booster: Boost Alcohol Consciousness Concerning the Health of University Students promoting fun but responsible drinking

To ensure you are able to take full advantage of this fabulous week, we would recommend you send your completed Orientation registration form and fee to us as soon as possible; otherwise it will cost you an extra \$5 to register during the week.

For only \$40 you receive your Orientation Shirt and Boxer Shorts and a week of food, entertainment and new friends!

Orientation '86 is looking forward to welcoming you to Laurier and student life at its best.

See you in September!
