Ottawa

Dear Sir,

I am in receipt of your favor of the 28th. of October last, conveying me the demand of the St. Patrick Asylum of Ottawa that I should, some time during next session, deliver in aid of the Asylum, the lecture which, some time ago, delivered on Abraham Lincoln. My time is always so fully occupied during the session that I cannot undertake to comply with this request, honored as I am by it.

Be so kind as to convey my thanks to the authorities of the Asylum for their courtesy, and believe me,

Yours very truly,

Wilfrid Laurier
