Notice: Club members have proposed that we do something for Rosemary Bonner, who lost most of her possessions in a house fire last summer. We learned that Rosemary was particularly sorry to lose her art library. Others have helped replace her art materials. The board has endorsed the idea of starting a fund for Rosemary to help her build a new art library. Each director has made a starting contribution.

Beginning in October a sealed box marked "Rosemary's Books" will be put out at meetings to receive contributions from members. Contents will be checked by our treasurer each month and this will continue until an appropriate sum is obtained. Members are asked to contribute loonies, toonies, bills or cheques (made out to the WV Sketch Club) as a single contribution or in installments, as you are able. We will not record names or amounts.

For those who aren't aware, Rosemary has been a member for 17 years and has helped the club in several capacities. She served two terms as club president from mid 1993 to mid 1995. This club fund will be our expression of sympathy and friendship.
