

## **PLEASE NOTE:**

In order to smooth out the peaks, reduce the workload on our volunteers and reduce waiting time in line ups, we are going to try staggered times for bringing your paintings in for jurying this time around. If we could have members with surnames starting with K to Z come between 6 (not earlier) and 6:45 PM and members with surnames starting with A to J come from 6:45 to 7:30 this may go a long way to smooth out the peaks and waiting lines.

**Saturday May 13th-** Pick up painting at Jury site

**Sunday May 14th** - Take paintings chosen for the Spring Park Royal Show to the North Mall at 6:00 PM via the back door by going around the west end of the mall past London Drugs and the Liquor Store and back to the middle double doors. ## *Workshops*

Our next workshop will be given by Edith Warner and is entitled **Outside the Box**. Dates are May 26, 27 and 28<sup>th</sup> Friday through Sunday - a 3 day workshop. This workshop is in response to comments from jurors in the past who have said we need to take more risks in our work and not play it so safe! Edith's forte is experimental mixed media and she has won several awards for her work and has been in numerous Federation of Canadian Artists show as well as through the Guild. Her workshops have received rave reviews. Her enthusiasm and spirit of adventure are contagious and there is sure to be lots of fun and new techniques to try. Her caution is that one needs to come to the workshop with an open mind and without expectations of finished, polished pieces of work. If you are interested in trying something new and breaking out of the box, we will be signing up for this workshop at the next meeting at 6:30 PM. Also, you may wish to drop Edith an email and she will try to send you an advance supplies list (it can be lengthy). This is no guarantee that you will get into the workshop but if you do, you'll be prepared. The full supply list will also be available at the time of registration. Registration fee is \$90.00 by cheque or cash. Please bring a lunch; tea and coffee will be provided. Workshop time is from 9:30 to 3:30 at Klee Wyck
