## PAINTING SELECTION

Paintings have been chosen from the last 2 juryings, being May of this year and November of last year. A total of 110 paintings were chosen - 80 for the original set up of the show and 30 paintings for the spares list. Paintings which have been sold prior to the show or during the show will be replaced by the **next selected painting on the spares list**. The first 87 paintings were chosen as 1 per artist who qualified in the jurying. After that the rest of the spares list was randomly selected which will result in some people having the potential opportunity to display 2 paintings. It was felt that this was the fairest possible way to select the works for this show. In fairness to all, **NO SUBSTITUTIONS WILL BE PERMITTED**. Please contact Al Spence and advise if your painting has been sold or is not available for this event. Please review the list carefully; the spares list is not alphabetical.

Selected paintings are to be **dropped off on Friday, August 4<sup>th</sup> at 9:30 AM** at the tent near the Harmony Arts office.

## PRICING

Harmony Arts take 35% commission on all paintings sold. Also you will be required to sign a release if you do not want GST charged on your work. Prices should remain fixed as at the time of the jurying. Please do not change any price tags on paintings at the show. If you must change your price please notify Edith Warner at 604-980-5358 or [warneren@telus.net](mailto:warneren@telus.net) **NO LATER THAN July 31<sup>st</sup>**. After that price changes will not be allowed as lists and paintings tags will be printed. Thanks for your co-operation.
