IN THIS ISSUE - Look for our coverage of events for the months of April and May. In our Opportunities and Courses we feature a new program of the Government of British Columbia to help artists with their special projects. Our profile this month features Gene Ramsbottom, co-founder of the Ramcoff Concert Society and organizer of the Whistler International Mozart Festival, by Andrea Winterbottom, our contributing writer.

We would like to wish all our readers a pleasant Easter and all the artists a productive and successful Spring.
