## And The Winner Is...

There is a winner in our midst. A musician? A sculptor? An actor? A painter? A writer? A dancer? A film-maker? Suggestions?

One of the North Shore's many outstanding, internationally renowned artists will be honoured at home in October. And we want you to tell us who.

The Foundation for the Arts on the North Shore invites your nominations for its first *FANS Award* to be presented at the *FANS Night Premiere*, October 3, 1995. The Foundation is an arm of the North Shore Arts Commission.

For further information, or nomination forms, please contact the North Shore Arts Commission at 984-3559 or fax us at 984-3563. **Deadline for nominations is July 14.**
