## NEWSLETTER

No. 102

October 1996.

Dear Friend of the Library, NOT TO BE TAKEN FROM THIS BUILDING

### EDITORIAL

A committee of three has been convened to take over the editing of the Newsletter following the return to England of Tony Scammell and his family last July. Starting with next month's issue, the Newsletter will be produced in an exciting new format which we hope you will enjoy reading. Also, in the future copies of the Minutes of each Meeting will not be sent to every member and, instead, information from the Minutes will be incorporated into the Newsletter. Contributions are always welcome and, if you have any short articles - or perhaps a short poem - that you feel would be of interest to members, please contact one of the committee as follows:

Betty Neilson:- 925-4453 Joanna Knight:- 925-8644 Ted Hill:- 922-6711
