

Life Saving Demonstration at Horseshoe Bay

Sixteen members of the Royal Life Saving Society, under the leadership of H. H. Duggan, Secretary of the Society, gave a life-saving demonstration at Horseshoe Bay on Sunday afternoon, July 25th, under the auspices of the Horseshoe Bay Boating and Yachting Club.

At least three thousand people witnessed the performance—the members of the Boating Club and friends being accommodated on the Club House verandah while a host of spectators thronged the beach. A great number of small boats, launches, row-boats and canoes gathered around the float to watch the interesting demonstration.

In addition to the practical work a lecture on "First Aid" was then given by Mr. Duggan, assisted by M. E. Curran, in the Club rooms.

The members of the Royal Life Saving Society were then entertained at a dinner given by the Club in the Horseshoe Bay Hotel and the Blue Dragon Inn.

Summer School Picnic at Whytecliff

More than two hundred students and members of the teaching staff of the University Summer School were present Friday last at the school's annual picnic at Whytecliff.

After lunch had been served at 11 a. m. at the University, the party left for North Vancouver where they took the 2 p. m. train to Whytecliff. Boating, hiking, games and dancing were features of the day's outing. The party returned at 11 p. m. to the city.

Beach Party at 19th and Waterfront

On Saturday night Mr. and Mrs. H. Nicholls, 19th and Waterfront, gave a swimming party and bonfire on the beach at the foot of 19th. Community singing was indulged in, and refreshments were served. Among those present were: The Misses Cleary, Mr. and Mrs. Conway, Mrs. and Mrs. Leopold, Mr. and Mrs. Hallows, Mr. and Mrs. Kidd, Miss Murray, Miss Hallows, Mr. Hilton, Mrs. Willoughby, Miss Stanford, Mr. Erickson, Mr. Greenwood, Mr. McCallum, Mr. Martin, Miss Floyd, Miss Whittingham, Mrs. Smith, Miss Caunt, Miss Olson and Mr. and Mrs. Parker.

West Van Scottish Society

A committee meeting of the executive and the picnic committee was held this week to arrange for the purchase of the gold medals to be donated to the Dundarave Regatta. These medals will be competed for by bona fide West Vancouver children resident in the municipality, the same as last year.

All members of the society are invited to attend the Memorial Service on Sunday, August 8th, in the Memorial Park, 20th and Marine, at 3 p. m., under the auspices of the West Vancouver Branch of the Canadian Legion. It is hoped that as many members as possible will avail themselves of the opportunity to attend this very worthy service.

Mr. Charles Appleton has returned from Surf Inlet, where he has been for several years connected with the Belmont Surf Inlet Gold Mining Company, which is now closed down. Mr. Appleton is an old resident of West Vancouver, and has again taken up residence here.
