United Church

The Seventh Anniversary Services of the West Vancouver United Church will be held on Sunday, October 31st. The Rev. P. T. Pilkey M.A., of St. John's Church, will be the special preacher in the morning and the Rev. Principal Brown of Ryerson College in the evening. There will be a special soloist at both services. The choir will sing the anthem, "Hark, Hark, My Soul" in the morning and "O Gladsome Light" in the evening.

The Anniversary Banquet will be held in the New Ambleside Hall on Wednesday evening, November 3rd, at 6.30. In addition a special programme has been arranged by the choir. The Rev. E. D. Braden of Kerrisdale and Chairman of the Presbytery will give an address. Preparations are being made for a big crowd.

The Sunday School Teachers of the United Church met on Tuesday evening for their regular monthly meeting. Arrangements were made for White Gift Sunday. The date of the Christmas entertainment was set for Tuesday, December 28th. Other routine business was transacted and the meeting closed with a cup of tea and cake.

Both the Sunday School football teams won their game on Saturday. The Junior "A" team travelled to Beaconsfield and defeated the Collingwood United by 2-1. A very hard game was played between the Junior "B" team and Knox, Kerrisdale, the locals only emerging victors by the close score of 1-0.

On Saturday, 30th October, the Junior "A" team will play Beaconsfield at Hollyburn School grounds. The Junior "B" team will travel to the Cecil Rhodes School to play Chalmers. The boys will take the 12.50 p.m. ferry.

Trouble-Saving Ideas

Soot will remove grease spots from shoes.

When making fruit pies, put the sugar between two layers of fruit and the juice will not boil over.

After washing hair brushes they should be held under a cold water tap. This hardens the bristles.

Don't waste sour milk. For making scones it is better than fresh milk.

When making cakes that contain baking powder, they should be put into the oven as quickly as possible after mixing.

To prevent cakes from becoming stale, put a thick slice of bread in the tin in which they are kept and renew it every third day.

Turpentine, candle-ends, and shredded soap well mixed together make an excellent substitute for furniture polish.

The smell of onions, fish, or cabbage is quickly removed from pans by the addition of a little vinegar to the water in which they are washed.

Moisten stove polish with a few drops of vinegar instead of cold water and very gentle rubbing will produce a bright polish.

A mixture of soapsuds and turpentine—a gallon of suds to two teaspoonsful of turpentine—will brighten a carpet after beating and sweeping in the usual way.

Rub a drop of olive oil on knives and forks that are to be put away and they will retain their brightness and be found free from rust when required again.
