The First Limerick

Limericks have been very popular for years. The making of them has provided many with a pleasant mental exercise as well as creating considerable amusement. Like wine they have apparently improved with the years, for the following, said to be the first Limerick ever invented, is good, but not so good as many later ones:

"I never saw a purple cow,
I never hope to see one;
But this I know and tell you now,
I'd rather see than be one."

Football

The following players will line up for West Vancouver: Stronge, Bird, Colpitts, Davie, Ferguson, Seeds, Grout, Normand, Burns, Cullin Smith, Harrison and Neville.

W. B. A. WHIST DRIVE VERY PLEASANT EVENT

The progressive whist drive put on by the Woman's Benefit Association on Wednesday night was a very pleasant event. Alex Stronge acted as director of play. Mrs. Burling was convener; being assisted by Mrs. H. Stephens and Mrs. C. Hay.

The prize winners were: Ladies, first and second respectively, Mrs. M. Johnstone and Mrs. Harry Hodgson. Gents, Mrs. Alex Stronge and Harry Hodgson. Miss Woodcock was the winner of a special prize. The consolation prizes went to Mrs. W. Urquhart and Mrs. C. Hay.

At the finish of the play refreshments, provided by the members of the Review, were served.

The gathering was a thoroughly sociable one, and was much enjoyed by those present. It is the intention of Review No. 24 to hold a masquerade dance in the near future, and a special endeavour will be made to make this an outstanding event.

JAMES MORGAN NOW LEADS UNITED CHURCH CHOIR

Mr. James M. Morgan, director of the West Vancouver Musical Society, has been appointed choir master of the United Church and formally took charge of the choir work at the practice held last night. Mr. Hadyn Young who resigned the position owing to ill-health will remain as a member of the choir and says he will assist Mr. Morgan in any way he can in making the United Church choir an outstanding musical organization.

Mr. Morgan is too well known in West Vancouver to need any of his history being given here, suffice it is to say, that he is one of the most successful choir directors in British Columbia and the United Church is to be congratulated upon receiving his services. We will watch the development of this choir with much interest. Miss Durbin will remain as organist for the church.

Your Druggist

Is more than a merchant. This week has been designated Pharmacy Week throughout Canada. Its purpose is to impress on the public that a druggist is not merely an ordinary merchant but is a professional man of much study and training, the prime purpose being the protection of the public in the purchase of medicines.

This store conforms to the spirit of this intention by having two registered druggists to serve you.

SEVENTH ANNIVERSARY OF WEST VAN. PHARMACY

Mrs. H. A. Eager Wins China Tea Set.

Saturday was the Seventh Anniversary of the establishment by George Gemmill of the West Van. Pharmacy, the first drug store to be opened in West Vancouver. A useful souvenir was presented to each adult customer visiting the store on that day, also a free ticket on a China tea set. Free candy was also distributed to all children who came into the store accompanied by an adult. In spite of the heavy rain that poured down all day, Mr. Gemmill had a large number of visitors and customers. Mrs. H. A. Eager, 22nd and Fulton, won the tea set.

SCOTTISH SOCIETY

The annual meeting of the above society will be held in the "Clachan" on Friday evening, October 27th. The election of officers will take place and a full attendance is requested.

Cinderella Dance

All is in readiness for the dance in the Hollyburn Pavilion tomorrow (Saturday) evening from 8 to 12, and the lure of the "old time" dances is bringing requests for more invitations. Thos. Killin will again be master of ceremonies assisted by several others. There will be a "spot prize" during the dances and also a special "Cinderella" prize for ladies. This is novel and entertaining. Tables of cards will be in charge of Magnus Ross, and any friends wishing extra invitations or tickets please communicate with President Robert McVean, Vice-President J. McGowan, or James Fiddes.

SHOOTING SEASON OPENS —LOCAL SPORTSMEN ON THE TREK

Quite a number of West Vancouver sportsmen are leaving the district tonight in preparation for the hunting season which opens at daybreak tomorrow. Among these are Charlie Roberts, the Ambleside butcher and his son Dudley, who with W. McQuaker and Ed. Black make up a party going to the Ladner district. Dudley will return on Monday, but the others will be away for the whole of next week.

A. A. Rerrie of the Capilano Timber Co. is another who will be making his annual pilgrimage to the sports ground or should we say water.

The reputation of these residents is at stake and we expect to hear of "big bags." Just the same we might candidly admit that next to a good fish story we enjoy the finer flights of the hunter's imagination. The above gentlemen can be relied upon to do their best.

NORTH SHORE CANADIAN CLUB

In response to many enquiries we are informed that the new Canadian Club has been organized for the benefit of those on the North Shore who are unable to attend the noonday lunches of the Canadian Club in the City of Vancouver.

Meetings will be held about once a month, taking the form of a supper, (beginning at 6.30 p.m.) followed by an address the meeting concluding at 8 p.m.

The Speaker will be an authority on his own particular subject and will be sponsored by the Association of Canadian Clubs.

During the last 20 years the Canadian Club have established a branch in every city and nearly every large centre in Canada. It is not in any sense a social or service organization, but rather an educational body of those interested in developing a national patriotism and wishing to study the institutions, history, arts, literature, and resources of Canada. The organization is absolutely non-political.

The ultimate object is that citizens may become so informed on subjects of national interest as to unite Canadians in an enthusiastic endeavour for the welfare of the Dominion.

The North Shore Club membership is available to men and women who are British subjects by birth or naturalization.
