### Successful Sunday School Entertainment

Dundarave Hall was crowded last Friday afternoon for the annual Christmas entertainment of the Primary Department of St. Stephen's Sunday School and in the evening for the Main School. There were games, an impromptu programme and refreshments for the little ones with presentation of the year's prizes and it was a pleasure to see the large number of mothers present. For the evening's programme each class contributed a number with the result that a varied entertainment of decided merit was given. One of the best numbers was a play entitled "The Spirit of Christmas" given by the Trail Rangers. Mr. J. H. Camm, represented the Greater Vancouver S. S. Athletic Association and presented the Allan Cup for track and field sports and the Leckie Cup for swimming to the Sunday School and the individual awards won by the boys and girls in these competitions. The last number on the program was the giving of the attendance prizes. The prize list from Advent 1926 to Advent 1927 for the whole school is as follows:—

### Rib Roast of Beef

Wipe with a damp cloth and set, skin side down, on a rack in a dripping pan, a rib roast of beef, cut to include the first ribs. (The first five ribs are the most suitable for roasting). Rub over with salt and flour; set in a hot oven to sear over the surface, and baste (dip the melted fat in the pan over the meat) every ten minutes. Reduce the heat after twenty minutes and let cook for an hour and a half to three-quarters, as a rare, medium or well-done piece of meat is desired. Turn the meat when half cooked, so that the skin side may be properly browned. With roasted beef the rule is high heat at first to sear over the outside and keep in the juices, then low heat, till the cooking is completed fully.
