

## ELECTED

Well! the Municipal Elections are over for another year. They created quite a bit of feeling, but it's soon forgotten.

### THE DAILY MEALS

however, we experience every day and it is necessary for our happiness that these be the best. Good meals require GOOD GROCERIES. If you buy your goods here you can be sure of getting "The Best."

### DUNCAN LAWSON CHAPTER PRESENT PICTURE TO COUNCIL

There was presented by the Duncan Lawson Chapter I.O.D. E., to the municipal council at their statutory meeting yesterday afternoon a picture of the Fathers of Confederation. The presentation was made in commemoration of the Diamond Jubilee last year, the picture bearing a brass plate with an inscription giving details of the circumstances surrounding the presentation. Reeve Vinson received the picture on behalf of the council, and later the council passed a resolution to be conveyed by letter to the chapter thanking them for the gift.

### NORTH SHORE POPULATION GIVEN AS 19,000

Wrigley's Directories Ltd. in their latest figures give the entire population of the North Shore as 19,322. The figure is divided as follows: North Vancouver City and District, 13,492; West Vancouver, 5,830.

### Personal

R. Norman, a former resident of Alberta, who has been living in West Vancouver for the past two months is opening a used furniture store on Marine Drive directly west of the West Van. Garage.

Mr. and Mrs. W. L. Jones, 2161 Bellevue, are rejoicing in the birth of a son. The young man arrived last Tuesday, making his advent at the home of his grandmother, Mrs. Edward Cooke, 22nd and Marine Drive, and by all accounts appears to fully appreciate his outlook on life. Mother and babe are both in the best of spirits.

Ex-Councillor and Mrs. K. A. Ray are expected home this coming week, having left Los Angeles the latter part of last week.

Miss Agar, who succeeded Miss Maycock on the High School staff, has recovered from a severe attack of flu and resumed her duties on Monday.

Mrs. Chet Shields arrived home last Tuesday night from Portland, Oregon, where she had gone to see her sister-in-law, who however, died of diphtheria a few hours before Mrs. Shields arrived.

Little Lois Waterman, the 6 year old daughter of Mr. and Mrs. W. B. Waterman, 16th and Inglewood, was operated on for appendicitis on Monday at the North Vancouver General Hospital. She is making a good recovery.

Mrs. George Childs, 15th and Waterfront, who was taken to the North Vancouver General Hospital on Monday, is improving.

Miss Wemyss, 13th and Fulton, is confined to her home with blood poisoning.

Mr. and Mrs. Ben Taylor, both of whom have been in the North Vancouver General Hospital, have returned to their home at 12th and Duchess.

### EASTERN STAR DANCE WELL ATTENDED

The Naomi Chapter of the Eastern Star held a very successful dance in the Hollyburn Pavilion last night. The floor being comfortably crowded for the event. The tasteful and original decorations were especially remarked upon by those present and the good feeling and sociability of the crowd, which is a feature of these dances, was much in evidence. Dainty refreshments were served by the ladies, and dance novelties were introduced during the evening.

### L. O. B. A. TO HOLD DANCE

The L. O. B. A. held their general meeting at the Ambleside Hall last night, when it was decided to hold a dance on February 16th. Further details will be given later.

### GET YOUR NAME ON THE VOTERS' LIST

Mr. Philip, the Registrar of provincial voters, desires to respectfully call the attention of the very large number of them, about 3000 in all, who are not yet on this provincial voters list. Enrolment on the Federal list is not sufficient. Application forms can be had and application can be made at Mr. Philip's office, 53 Lonsdale Ave. for next revision up to the end of March next. As this may be general election year let no one be disappointed by not being enrolled.

### NICKAWA RECITAL A GREAT SUCCESS

Hollyburn Theatre was packed on Tuesday night on the occasion of the Nickawa recital. Miss Frances Nickawa was in great form and it is not too much to say that her audience enjoyed every moment of her recital. She is a remarkably versatile artist, and has the capacity of making her characters live before her audience. She was just as much at home in reciting Scotch poetry as in describing nature and the life of her own people. Her repertoire ran the whole gamut between pathos and humor, and in addition she gave renditions of several songs. Major Lester gave two solos, Mrs. J. E. Durbin was the accompanist. Miss Nickawa during the evening introduced to the audience Miss Riley, who, having adopted her when she was 3 years old, took her from her own people, and gave her all the advantages of an education.

### APPLICATION ADJOURNED TO PRESUME DEATH OF PROF. CLAY

An application in Supreme Court last week to presume the death of Milton Clay Vancouver music teacher, who was allegedly drowned on December 24 between Horseshoe Bay and Sunset Beach, was adjourned by Mr. Justice W. A. Macdonald for the purpose of enabling Mr. Walter Ponsford, who appeared as counsel, to investigate the matter further.

His lordship intimated that he would not make an order presuming death in the short time which has elapsed since Clay's disappearance, but that the matter could be renewed in administration proceedings.

### NEW CHEVROLET CAR NOW ON DISPLAY

The North Shore Motors Ltd. distributors of Chevrolet and Oldsmobile motor cars for the North Shore now have on display one of the new Chevrolets at their show-room, 1st Street West, North Vancouver.

The first impression given is that of a high grade six-cylinder car. It is certainly far superior to anything we expected to see in a low price four.

The high radiator with the new artistic name plate and neat cap, the long low stream line body and beauty of finish express dignity and refinement at first glance, while a closer inspection reveals an interior of luxury and comfort unequalled.

The upholstery and fittings are of the highest grade and the neat arrangement of the instruments on a panel with indirect lighting greatly enhance the appearance.

Mechanically there are several outstanding improvements. The well tried and tested Chevrolet motor has been further improved and as a result it now develops forty-six horse power on road tests, making it we believe, the highest powered four-cylinder car now on the market. It is also quieter and even more economical than formerly.

The front wheel brakes are self-energising and non-locking, and have been used for the past two years on higher priced cars where they have proved themselves satisfactory in every way. The new shock-absorber springs improve the riding qualities of the car fifty per cent.

Many other features too numerous to mention here have been incorporated in this new car.

It will interest many to know that prices have been reduced, and are as follows, delivered to your door:

Touring and Roadster, \$808; Coach and Coupe \$931; Cabriolet and Sedan \$1030; Landau \$1086.

Almost immediate delivery is promised, but we are advised that as many orders are being received they will have to be filled in rotation and it is advisable if you wish early delivery to place your order as soon as possible.

Anyone interested in automobiles should certainly take the time to see this new car. Mr. H. C. Osborne represents North Shore Motors Ltd. in West Vancouver and will be glad to drive you to the show room at any time convenient to you. His phone number is West 628Y.

### High School Notes

The meeting of the Students' Association of the West Vancouver High School was held last Friday. Murray Watson, vice-president, took the chair. Very interesting speeches were given by

Stanley Boshier, "Denicotized Tobacco," Billy Gardiner on "Lindbergh's Flight to Mexico," and James McGlechan on "A New Way of Reserving Animals."

These speeches were followed by a debate "Resolved that the bridge and road by-law should be passed" in which the following students took part:

Affirmative—J. Summerfield and B. Hamilton.  
Negative—G. Gray and J. Allan.

By the vote of the students it was decided that the negative side presented the best arguments.

The Senior and Junior girls' basketball teams of the West Vancouver High School played against the North Vancouver High School teams in the gymnasium on Tuesday January 17. Score—Seniors, W. V. 18, N. V. 11. Juniors—W. V. 12, N. V. 15.

## During the Election

Did you notice the disturbance caused at the different meetings by the audience clearing the throat?

Wampole's Throat Ease would have remedied that. It will for you.
