## AUTO COLLISION

A serious collision took place late Wednesday night on the cement Capilano bridge between an auto driven by Roy Borthwick going west and a car containing a party of young Vancouver residents who were returning from a private dance given by some ex-students of the Vancouver Technical School in Ambleside Hall. Roy Borthwick's car lost its left front wheel but the Vancouver car was badly damaged, the left front axle being bent, the left front wheel smashed off, and the front crushed in up to the wind-shield. Some of the Vancouver party were badly cut by the broken glass.

## CREATING AN INTEREST IN GARDENING IN WEST VANCOUVER

Under date of May 1st, 1928, we wrote to Mr. McQuaker of the West Vancouver Horticultural Society offering a prize of \$15 worth of Shrubs, Perennials etc., and also a complete set of garden plans valued at approximately \$30. Both prizes to be awarded at the spring Flower Festival to be held in West Vancouver, June 23rd, 1928.

In order that we may do everything possible to create a greater interest in gardening in West Vancouver and in the West Vancouver Horticultural Society we now offer to provide without cost or obligation of any kind, a complete set of garden plans to the first five residents of West Vancouver who write to us stating that they are building or planning to build a home in West Vancouver or are desirous of improving their present grounds.

We are planning to attend the Flower Festival and will at that time talk with the writers of the first five letters to reach us after the publication of this letter. Arrangements will also be made at that time to secure the necessary measurements, etc., of the grounds to be improved.

Knowing us as you do and from previous conversations you will realize that this is not an advertising stunt, but is a sincere offer made solely with the idea of creating a greater interest in gardening in West Vancouver.

Time permitting we may not limit this offer to the first five but for the present it is necessary.

Letters should be addressed to Mina G. Hutt, 8226 18th Ave., North East, Seattle, Wash. Acknowledgement will be made to each letter received and the winners will be announced as soon as possible.

MINA G. HUTT.
