

**I. O. D. E.**

The September meeting of the Duncan Lawson Chapter, I. O. D. E., was held Monday afternoon, at the home of Miss Dauphinee, with the regent, Mrs. Small, in the chair. The reports of the secretary, treasurer, and conveners of various committees were adopted as read, and the meeting voted \$2.00 to the Earl Haig Fund, and also \$14.00 to the War Memorial Fund.

The chapter feels that their sincere thanks and indeed the thanks of every resident of West Vancouver is due the committee convened by Mrs. Pearce who so ably attended to the beautification and care of the Memorial Arch this summer. The annual Armistice Day service will be held there on November 11th. this year, as usual, details of which will be announced later. Poppy Day will soon be here, and a committee composed of Mrs. Leyland, Mrs. Eastman, Mrs. Leggatt and Mrs. E. V. Forster, convened by Mrs. Gourlay, were appointed to make all arrangements in connection with the Duncan Lawson's share in the sale of poppies.

Mrs. David Morgan gave a most interesting report of the National annual meeting held in Victoria this year for which a most hearty vote of thanks was given her.

The meeting was also pleased to extend to Mrs. Eastman, their congratulations on the distinction bestowed on her father by the King in his majesty's birthday honor list.

The Hallowe'en dance for which the I. O. D. E. is so noted will be held this year on the first Friday in November.

After the serving of tea, the hostesses being Mrs. Morgan, Mrs. Crawford, Mrs. Fiddes, Mrs. Lawson and Miss Dauphinee, the meeting adjourned.

The October meeting will be held at the home of Miss McBain, 29th and Waterfront.

**DEATH OF MRS. VIGAR**

Mrs. Vigar, wife of H. J. Vigar 1179 West Keith Road, passed away on Wednesday in her 43rd year at the Vancouver General Hospital. She is survived by her husband, one son and two daughters.

The funeral services were held at 1 o'clock today at St. Stephen's Church, Rev. A. Harding Priest officiating, and interment was made in the Capilano View Cemetery. Harron Bros. and Williamson had charge of the funeral arrangements.

Mrs. Vigar, who had been a resident of British Columbia for over twenty years came to West Vancouver about two years ago.

**KEITH—TITE**

A pretty wedding took place in Calgary on Saturday evening, September 7, at 8 o'clock at the home of Mrs. Chalmers when Elizabeth Louise Tite and David Alexander Keith, both of Hollyburn, B. C., were united in marriage, Rev. Todd, of Central United Church officiating.

The bride was attended by Mrs. Sykes, and Gordon Keith, brother of the bridegroom, acted as best man.

The bride looked charming in a gown of white crepe de chine with a spray of pink roses and fern.

Among the guests were Mr. and Mrs. E. Keith, of Hollyburn, B. C., parents of the bridegroom. After the ceremony a reception was held at the home of Mrs. Sykes, 315 Sixth Avenue West. Among the many gifts to the bride was a beautiful fur coat from the family.

Mr. and Mrs. Keith will reside in Calgary. — From "Calgary Herald."

Gerald, the infant son of Mr. and Mrs. James Donnan, (Union Gas and Oil station), is very seriously ill at the Infants' hospital in Vancouver.

**SOCCER SEASON TO START SEPT. 1ST**

First, second and third divisions of the Vancouver and District Football League will officially open their season on Saturday, September 21, and schedules are now in the course of preparation. Opposing teams in the opening games of the season will be announced in a few days. Secretary John Munro is as yet unable to state what team will oppose the North Shore United First Division aggregation in the opener, but he reports that the schedule will be arranged shortly.

Present indications are that North Shore fans will have the privilege of witnessing a league fixture at Confederation Park each Saturday afternoon of the season. North Shore United will represent the North Shore in the first division and North Vancouver Ex-High and Capilano will be the North Shore's representatives in the second division in the coming season. Just how the home games of the three teams will be arranged here remains to be seen, but there is sure to be a first or second division game here each Saturday.

All three clubs claim strong aggregations. Practically all of United's players of last year will be available and reports have it that several notable additions will be made to the roster ere the first game is played. In this connection the names of at least three very prominent footballers have been mentioned of late, but naturally the club officials are not telling all they know until they have the "John Hancocks" of the players in question on the dotted line.

Ex-High will have a considerably stronger team than last year, according to reports, and some interesting battles are expected this season between the Ex-High and Capilano elevens. The Capilano boys will be playing their first season in second division football, but their showing of past seasons has been noteworthy to say the least, so they may have a surprise or two to spring on their more experienced rivals for second division honors.

**PROGRESS BEING MADE FOR N. SHORE JUNIORS**

The special committee appointed last Friday evening to canvass the local situation with respect to the formation of a North Shore Juvenile Fotoball Association reports that considerable progress has been made in the past few days and that the calling of an organization meeting will be in order shortly. Managers for several teams have already been secured and several offers have been received from well-known arbiters to handle some of the juvenile games here this season. More managers are required, however, and any soccer enthusiasts willing to assist in this capacity are requested to communicate with Mr. McDiarmid, North 181R, or James Chapman, North 120R3.

Twelve teams will be required to effect organization of the association, there being four clubs to each of the three divisions.

**Mint Punch**

Melt 2 cupfuls of granulated sugar in the strained juice of 12 lemons, then add 6 peeled and sliced lemons (slice very thin). Leave all in a big bowl set in ice until just before serving, as it can not be too cold. Then transfer it to the punch bowl and add to it 2 quarts of finely pounded ice. Stir and pour into it, from a height, 6 bottles of pale dry ginger ale. Lastly, add 2 dozen sprays of fresh green mint, washed and slightly bruised between the fingers.

**Whimsical Review**

The lady who had been motion to stop asked, indignantly: "What do you want with me?" "You were running 45 miles an hour," answered the traffic officer.

"Forty-five miles an hour? Why, officer, I haven't been out an hour."

At which the officer crumpled up and she proceeded in serene complacency.

Pat was over in England working with his coat off. There were two Englishmen working on the same railroad, so they decided to have a joke on the Irishman.

They painted a donkey's head on the back of Pat's coat and watched to see him put it on.

Pat, of course, saw the donkey's head on the back of his coat, and, turning to the Englishmen, said: "Which of yez wiped yer face on me coat?"

The train halted for a moment at the station and the traveller reached out, called a small boy, and said: "Son, here's 50 cents. Get me a 25-cent sandwich and get one for yourself. Hurry up, now."

Just as the train pulled out, the boy ran up to the window. "Here's your quarter, mister," he shouted. "They only had one sandwich."

Teacher: "Johnny, if your father earned \$40 a week and gave your mother half, what would she have?"

Johnny: "Heart failure."

"Well, now, what time do I have to git to work mornings?" asked the new hired man.

"Any time you like," responded Farmer Fumblegate, "so's it ain't later than half-past four."

Summer Boarder: "But why are those trees bending over so far?"

Farmer: "You would bend over, too, Miss, if you wuz as full o' green apples as those trees are."

Silas: "Is Bill Perkins a liar?" Hiram: "Well, I don't know as I'd go so far as to say that, but I'll tell you this much—when feeding time comes he can't get his pigs to stir 'till he gets someone else to call them for him."

Man (rushing into county clerk's office): "I want a license, and hurry, please."

Clerk: "Marriage, hunting or dog license?"

Man: "Marriage. I've hunted long enough and led a dog's life while doing it. Now I'm ready to get married."

Prof.: "What is a phenomenon?"

Student: "I can't describe one, but if you see a cow, or hear a bird sing, those aren't phenomenon; but if you see a cow sitting on a thistle singing like a bird, that's a phenomenon."

Asked by her teacher to write an essay on a subject of her own choosing, a little girl produced this classic:

**"Essay on Men"**

"Men are what women marry. They drink, and smoke and swear. They don't go to church like women do. Both men and women sprang from monkeys, but women sprang farther."

"He's quite an auto fiend, isn't he? Never seen without his car. Always doing 60 miles an hour or more?"

"That so? I saw him yesterday without it."

"Where was he?" "He was sitting on the cow-catcher of a trolley car with a steering wheel around his neck."

**The Signs Were Bad.**

Ahusky negro applied for a job in a big ship-building company and his fine figure and strength got him accepted. He was told to report to a certain department in the end of a mammoth building.

He hadn't gone ten feet before he saw a sign hung above an alcove reading: "Stretcher Here." Duplicates of this assailed his eye here and there, and then came a bigger sign which said: "To the Hospital." The odor of ether and other smells filled his nostrils and he turned back.

"Boss," he said to the man who had hired him, "Ah resigns. Ah'm through."

"Why, Sam, what's the matter? You're not afraid of danger, are you?"

"Nossuh, boss, danger Ah craves, but not wilful destruction, no suh."
