

## "What History Each Musty File Portrays"

In a language eloquent to those who can interpret their somewhat hieroglyphic characters, these old prescription files tell of many a crisis in the lives of the people of the community, from childhood to old age, and they often bear silent testimony to devoted service in the hour of emergency by physician and pharmacist.

While the Prescription Drug-gist must often combine the duties of merchant and professional man in order to maintain his pharmacy, his chief pride is in the work he does back of his prescription counter, surrounded by medicinal agents gathered from all quarters of the globe to combat disease and promote the health of mankind.

## MANY DISTRICTS NOW ENTERING APPLE SHOW TO OPEN ON NOV. 27

More space will be required for the forthcoming apple show at Hastings Park, November 27 to 30, as already some large entries have been received from the associations within the province and individual entries from growers in Washington and Oregon.

The competition in the district exhibit will again be a feature of the show. At least six districts of the Okanagan will be represented and it is expected that some of the associations in Washington and Oregon will enter in this section.

Entries of chrysanthemums, cyclamen, primulas and ferns are coming in rapidly, and a very fine display will greet the vision.

### MUSHROOM TESTS

Editor, West Van News.

Many thanks for the insertion re The Mushrooms. For the benefit of readers, my own two tests are to sprinkle salt on the pink gills and in an hour or two they will turn black if they are the true species. The second proof is when cooking to place a silver article (spoon preferred) in with them and if it remains clear and bright they are mushrooms. It is a wonderful season I hear from several just now, and they are a fine wholesome delicacy.

M. BULKLEY.

### SCOTTISH SOCIETY

Robt. Reid Re-elected President

The Annual General Meeting of the West Vancouver Scottish Society was held in the Clachan on the 18th inst., at 8 p. m.

Despite the popular counter attraction, a fairly large attendance favorably received the reports on the various activities of the Society during the past year.

The election of the officers for the 1929-30 session resulted as follows:—Hon. President, Mr. J. Harte; President, Mr. Robt. Reid; Vice-President, Mr. J. McEwan; Secretary, Mrs. Alexander Henderson, Marine Drive; Assistant Secretary, Mr. Alexander Henderson; Treasurer and Librarian, Mrs. V. Nightingale. Membership Committee, Mr. J. Fiddes, Mrs. Christie and Mrs. Reid. Messrs Chisholm and Elgar were appointed Auditors.

A pleasing feature of the meeting was a daintily decorated tea table centred with a large bowl of Calendula surrounded by candles set in silver candlesticks.

Mrs. Harte and Miss Kerr presided at the pouring of the tea and the serving of refreshments. A syllabus of lectures and social entertainment is already being considered and on interesting session is anticipated.
