"LILAC TIME" AT THE
LONSDALE THEATRE

"Lilac Time" with Colleen Moore is the big offering to be given at the Theatre Lonsdale, North Vancouver, on Thursday, Friday and Saturday, 7, 8, and 9, February. This play, one of the most popular of recent productions, has had a tremendous run and comes direct from the Strand Theatre, Vancouver.

The Theatre Lonsdale in its luxurious appointments and the comfortable seating accommodation provided for patrons compares favorably with the best in Vancouver, and this particular play is well worth your patronage.

B. of T. Annual Meeting

Wm. McQuaker Elected President

The West Vancouver Board of Trade held their annual meeting in the Legion rooms, ferry building on Monday night at 8 p. m. In the absence of the president, Colonel Savory, due to sickness, the secretary gave a resume of the board's activities for the year.

The election of officers resulted in the following appointments: Honorary President—Col. K. W. Savory.

President—W. McQuaker.
Vice-President—M. Williams.
Secretary—S. Harrison.
Treasurer—W. Dickinson.
Committee—A. Ridley Dr. G. E. Bayfield, A. W. Lunn, F. Tite, G. Gourlay, G. Williamson, J. T. Watt, Harry Hodgson, F. F. Lovegrove.
Auditor—C. Appleton.

A letter was received from the Chief Superintendent of Postal Services in Ottawa acknowledging receipt of the petition from West Bay residents asking that the name of the new office be changed. He stated that there was already a post office called Westbay in Nova Scotia, and two other offices where West Bay formed a part of the name. If, however, a name not so similar was submitted, it would receive consideration.

Mr. Hodgson, who, as a committee of one, had been dealing with this matter, was asked to make further recommendations.

The West Vancouver Swimming Club wrote the board asking for their co-operation in bringing before the council a plan of alterations proposed to improve the facilities for swimmers and spectators at Dundarave Pier. It is intended to make the pier a centre for safe bathing and for galas regattas, etc. The Club stated their desire to appear before the board, and an invitation was sent them to do so at the regular February meeting.

A letter was ordered sent to Colonel Savory sympathising with him in the long siege of sickness from which he and his family have suffered, and conveying the congratulations of the board on his recent election as police commissioner. Also an appreciation of his valuable work as President of the B. of T. during 1928.

The following agenda was laid down for the year 1929:

Improvements of beaches and parks.

Increase of postal facilities.
Reduction of lighting and telephone rates, and the extension of telephone service by B. C. Telephone Co. to Whytecliff.
Amendments to Zoning Bylaw.

The Misses Stevenson of the Clachan moved on Wednesday into their new home at 25th and Bellevue.

The football match scheduled for Tuesday afternoon on the Hollyburn grounds between the high school bantams and Prince of Wales bantams was postponed on account of the frost.

How Would You Like to Be Hubby?

Bob: "How is your husband this morning?"

Wife: "Oh, very poorly. He's got such an expensive illness. The doctor says he must be kept in good spirits."

Correspondence

Editor West Van News,

Dear Sir:—I hope you will excuse me writing so often, but having the interest of our municipality at heart, anything for the betterment of it appeals to me.

Before our new council passes on the estimates for 1929, I would like to point out to them and our ratepayers three items of importance to us.

1st. A generous financial vote for our beaches and parks.

We have in Memorial Park a beautiful site, at a cost of approximately \$500 we could build a bandstand, say \$250, allow \$150 for ten Sunday concerts, \$100 for seats, and then we could enjoy listening to the musical talent we have here in West Vancouver; second to none, during the coming summer.

2nd. I understand, re widening of Marine Drive from West Bay to the Eastern Boundary they intend following the procedure of the Whytecliff extension, concrete strip two feet six inches each side of the present road.

Now, I think that is a serious mistake. Why not finish the North side of the drive to the curb, and leave the South side as it is.

Within the next few years we will require all that portion of roadway to put down larger water-mains lay sewers, the B. C. E. R. and the B.C. Telephone will perhaps lay all their present overhead wires in conduits and maybe the gas mains will be extended from North Vancouver, so why go to work laying this strip of concrete and then have to tear it all to pieces again?

3rd. At Bridge No. 3, Altamont and Marine Drive we have a bridge 250 feet long, across a creek 15 feet wide.

Within 5 years this bridge will have to be renewed at a cost of \$25,000, approximately. Why not make one job of it now and fill in all this, leaving a culvert 20 feet wide and 10 feet high which is ample to take all the overflow from the creek.

At the East end of present bridge a retaining wall 6 feet high built at the 80 foot width of the road would carry the crown of the road quite safely and thereby do away with a dangerous and unsightly obstacle to our highway.

J. NYLAND,
Altamont.

To the Editor West Van News,

Dear Sir:—I feel I cannot let the first month of a new year pass without writing to voice my appreciation of your paper.

After reading it through we often say that many newspapers of long standing and wide circulation would do well to take a copy from it.

In the West Van News there is such an absence of party feeling, such an apparent desire to see questions under discussion from all angles and view points, such an utter absence of unkind criticism, or personalities, and an utter avoidance of anything approaching scandal or gossip, that we fortunate residents of this municipality have great reason to wish for success and long life to the West Van News.

ONE WHO HAS SEEN THE
STRUGGLES OF FORMER
WEST VAN PAPERS.

The Editor, West Van News,

Dear Sir:—While attending the meetings of the candidates for Municipal office, at the late elections, I was much impressed by the eulogies on West Vancouver expressed by the different speakers.

The forceful metaphors of Beaconsfield, the persuasive eloquence of Gladstone and the silvery tongue of Bryan were all in evidence and reminded me of the story of a man in the Old Country.

"This man owned a business which he was getting rather dissatisfied with. He had worked hard and faithfully but the returns were so meagre, he decided to sell.

One day he went to an advertising agent and gave him the particulars of the business, telling him to write out an advertisement and bring it for approval before placing it in the newspaper.

When the agent came, in due course, and presented it, the old chap read it and looking up at agent, said, "Is this my place you are writing about?"

"Yes," said the agent.

"Then, by gums," said the old chap, "I'm danged if I am going to sell out, I've been looking for a place like this all my life."

ONLOOKER.

The rails at the easterly end of the P. G. E. switch line at Ambleside station have been removed.

WEST VAN. HORTICULTURAL ASSOCIATION

Demonstration and Lecture

A pruning demonstration will be given at Mrs. Lefeaux' garden corner 24th and Nelson, at 2.30 p. m. Saturday, 2nd February, by G. E. W. Clarke.

Mr. Clarke will also deliver an interesting lecture in the evening at 8 o'clock in Ambleside Hall.

The lectures arranged by this Association are always very interesting and instructive, and those who attend this lecture can be assured of receiving a good deal of useful information. Mr. Clarke is an authority on the subject, and is well known among West Vancouver horticulturists.

**BUCK AND BARRIE WILL
BE AT DANCE NEXT WEEK**

The dance to be held in the Hollyburn Pavilion on Saturday, February 2nd, promises to be something novel and entirely different for West Vancouver.

Buck Holly, one time boxer, animal trainer, and physical culture expert, will be there with his dog Barrie, the famous movie dog. The Personality Kiddies, who created a furore at the Capitol Theatre during Christmas week will also put on several turns and five puppies sired by Barrie will be given the holders of lucky tickets. It sounds like a fine large evening. Buck himself is quite a character and if you go to the Pavilion on Saturday of next week don't forget to have a few words with him. An endeavor is being made to get him to remain in West Vancouver and start a physical culture class and gymnasium for the teen age folks, boys and girls, and to give instruction in boxing, etc., to the older young people.

Gemmill's Hypophosphites

Is one of the best tonics. We recommend it for that weak feeling after Flu. It will increase the appetite, and tone up the system generally. A 16-oz. Bottle for \$1.00.

SYRUP OF FIGS

Try Gemmill's own make for your child. It is a gentle but effective laxative, 35c.
