## CHILDREN'S CHOIR CONCERT SUCCESSFUL

The second annual concert of the Children's Choir was given on Friday night before an audience that filled the United Church.

The choir showed a decided advance both in tone and shading over last year. The program was a well chosen one of fine music and the audience showed a keen appreciation demanding encores for many of the numbers.

Particularly pleasing was Handel's "My Mother Bids Me Bind My Hair," by the girls section and "See Our Oars with Feathered Spray" by the boys.

The Senior Girls choruses were well sung; the tone and phrasing in particular being well handled. This group suffered in balance because of illness among its members but those able to be present did their loyal best to overcome the handicap and did some very delightful singing.

The young artists gave great pleasure also to their hearers. Mrs. Colin MacLean and Mrs. Sheffield are to be congratulated on the good work of the choir.

## HIGH SCHOOL NOTES

### Baseball

On February 14 the junior boys, junior girls and bantams played basketball at the Templeton Junior High School. Their opponents were corresponding teams from North Burnaby high school. The boys lost by a close score of 19-13 after a well played game. The girls lost their game by a score of 23-14 and the North Burnaby Bantams were also victorious. The score in this game was 25-11.

On Wednesday, February 18, North Vancouver High School teams were visitors and played two basketball games: Junior boys, and Junior Girls. The boys of North Van. were victorious by a close score of 17-15. The West Van. girls, however, evened up the day by winning their game with a score of 19-9.

### Football

On February 12 West Van. defeated North Van. High in a soccer game at Mahon Park by a score of 2-1.

On February 19, they again repeated their performance of the week before by defeating the High School of Commerce by a score of 2-0.

This makes the fifth successive victory and the local boys are at the head of their division. With only one more game to play, they have secured a place in the semi-finals.

### Concert

Last Friday afternoon Grade IXB entertained the student body with a concert. The items on the afternoon's program were 1. A Latin Play, "Gemini." (the Twins.) 2. Dialogue, "The Freckle-Faced Girl." 3. Scene from "The Frogs." of Aristophanes; the Journey of Dionysias to Hades.

The various numbers were well done and enjoyed by all present.

## POLICE BALL LARGELY ATTENDED

Last Friday evening the members of the three North Shore police forces held their First Annual Police Ball in the K. of P. Hall, in North Vancouver which was largely attended.

Refreshments were served by the wives of the constables and the music for the dancing was provided by Len Chamberlain's popular orchestra. Old time and popular dances featured the program and entertainment was provided by a very dainty troupe of Scottish lassies who danced reels and flings to the skirl of the pipes. Floral decorations were contributed by Livingstone the Florist of North Vancouver.

The many phone calls received by the secretary from those who attended indicate that it is desired that this become a leading annual event.

A reception was given by Mrs. T. E. Batchelor on Wednesday afternoon at her home at 1374 Gordon Avenue in honor of her eldest daughter Edith, whose marriage to Mr. H. Stokes took place on February 7th at Fort William, Ontario. Mrs. Stokes was wearing her wedding gown of delph blue with white fox trimmings and fox fur, the bride's mother receiving her guests in a very becoming black gown. The drawing room was tastefully decorated with daffodils and violets. Mrs. Blower, Mrs. Slater, and the Misses Morva and Verna Batchelor assisted the hostess in serving.

The guests from Vancouver were the Misses Dora Grayson, Roma Battye and Jean Arnott. Other guests included Mrs. W. T. Atwood, Mrs. W. Green, Mrs. Howdle, Mrs. W. Dickinson, Mrs. Hartley, Mrs. G. Childs, Mrs. R. A. Davis, Mrs. D. W. Watson, Mrs. Ed. Black, Mrs. Turner, Mrs. Wicking, Mrs. Colin Turner, Mrs. D. W. Graham, and Miss Jean Watson.

## W. M. JACKMAN'S SCHEME FOR IMPROVING THE MUNICIPAL TRANS- PORTATION SYSTEM

Mr. Jackman at the beginning of his report submits figures showing that, while in 1929 our transportation system had a surplus of \$22,840.33 over the running cost (cost of mechanical operation, including wages), there was, allowing for depreciation and debenture interest, a net loss of \$12,728.40.

He proposes an "Inner Landing" scheme to connect West Vancouver from Whytecliff by 1. West Vancouver System direct.

2. West Vancouver System and North Vancouver Ferry System.

### Necessary Equipment

One boat, ferry No. 6,  
Nine buses (three spares).

### Requirements

1. By-law for \$50,000 to buy three new buses to replace worn out old ones, the Whytecliff extension to be inaugurated with one bus to run to North Vancouver ferry, connecting with both West Vancouver and North Vancouver ferries.

2. Resolution of 1931 council supplementing resolution of 1921 council to the Dominion Government asking for a grant of land and right of way for road allowance through Indian Reserve No. 5 to connect with our Marine Drive at Capilano bridge.

3. Municipal engineer to survey for necessary dredging and half a mile of road to be constructed.

4. Council to investigate scheme so that the necessary by-law can be voted on and scheme put in operation by January 1932.

5. When three new buses are in use present No. 2 and No. 3 buses to be reconditioned. These two plus the present upper levels bus plus the three new ones and an additional three to be financed out of the major by-law will make a fleet of nine buses for the traffic.

The figures in reference to these proposed alterations are complicated but can be seen at the municipal hall by those interested.

This method of transportation it is claimed by Mr. Jackman, would be not only the shortest in distance, but also the quickest between West Vancouver and Vancouver. The purchase of another boat of the double-end type would make a further saving of five minutes.

## WEST VAN. TELEPHONE STAFF WIN

West Vancouver with a percentage of 99.3 won the service competition for the smaller offices in 1930. Kerrisdale was second with 97.7, and North Vancouver was a close third with 97.2.

West Vancouver's last victory in the competition was in 1926. Marpole was the 1929 winner.

The sum of \$10 has been awarded to the West Vancouver office in recognition of the victory. The staff has not yet decided how the money will be expended.
