#### NOT IMPORTANT

Two convivial fishermen rowed energetically towards the far shore of the lake.

"Are the whisky and cigars aboard?" asked one.

"Yes," replied the other.

"The lunch?"

"You bet."

"The hooks and lines?"

Search revealed that the tackle had been left behind.

"Well," said the first speaker, after due reflection, "we'll just have to get along as best we can."

#### NO WONDER

Footballer (to captain): I say, skipper, the visitors seem very upset because one of 'em hasn't turned up. I suppose he's their best player?"

Captain: "No, it's not that. He's the treasurer of their slate club."

City Banker (visiting the farm): "I suppose that's the hired man?"

Farmer (who has visited banks): "No, that's first vice-president in charge of cows."

What is fashion? Dinners at midnight, and headache in the morning.

Rastus Jackson, a thoroughly married dusky, was one day approached by a life insurance agent.

"Better leave me write your policy, Rastus," suggested the agent.

"No, sah," declared Rastus, emphatically. "Ah aint' any too safe at home as it is."

As Billy Jones and Ernie Hare remarked, "Prosperity is like parking spaces—plenty for those who get there first."

"Success is the product of ability multiplied by circumstances."

#### Some Speed!

A man had just bought a car. He took his wife on a few expeditions, during which she did not hesitate to criticise her husband's efforts at driving.

"Halloa, old man," said the next-door neighbor one evening, "I see you've got a little two-seater. What do you get out of her?"

"About forty thousand words to the gallon," answered the other sadly.

#### But It Didn't Ring

He dashed into the electrician's office, his face flushed with anger.

"Didn't I ask you yesterday morning to send a man to mend our door bell?" he roared; "and didn't you promise to send round at once?"

"But we did send, sir," broke in the manager. "I'm quite sure of it. Hi, Bill!" he called to one of his workmen, "Didn't you go round to Park Lodge yesterday to do that job?"

"Yes," replied Bill. "I went round all right, and rang the bell for ten minutes, but I couldn't get an answer, so I guessed they must all be out."
