### Floral Festival Very Successful

The eighth floral festival put on by the West Vancouver Horticultural and Agricultural Society in Dundarave Hall, last Saturday was one of the most successful ever staged by the Society. ### ALEXANDRA ROSE DAY

The Duncan Lawson Chapter, I.O.D.E., are sponsoring the sale of Alexandra Roses on Monday, Tuesday and Wednesday of next week. Alexandra Rose Day originated in England where the proceeds were used for crippled children's hospitals, but now it has spread to Canada and only one per cent of the proceeds goes to the crippled children's hospitals in England, the other 99% being used for relief work in the district where they are sold. Realising that we are facing a winter where the need for relief will probably be very great, the Chapter decided to take this means of creating a Welfare Fund from which to draw when the need arises.

It will be very fashionable to wear an Alexandra Rose on Wednesday, June 24th. It will be your badge showing to your fellow-men that you are interested in their welfare and willing to sacrifice a little that others may have a share of the necessities you enjoy.

Remember that the world is moved, not only by the mighty shoves of its heroes, but by the aggregate of tiny puffs of every individual worker. So when you have the opportunity of buying an Alexandra Rose, please give just as you can afford knowing that every little bit added to what we've got—makes just a little bit more.

In supporting this Alexandra Rose Day you are not augmenting the private funds of the Duncan Lawson Chapter, but forming a fund for the use of the needy in your own district through the I.O.D.E. channels.

Each year the Duncan Lawson Chapter publishes in the local newspaper a copy of their annual report and last year showed that \$185.00 had been spent in Relief work, exclusive of clothes, food and rent, etc., given privately. Surely the Chapter's past record demands your respect and co-operation for the future.

So let's all be wearing on Alexandra Rose, Wednesday, June 24th—for the sake of others.

### REEVE TAKING STEPS TO PROVIDE RELIEF

The following telegrams have passed between Reeve Leyland and the Provincial Government in reference to unemployment relief:

VICTORIA, B.C., JUNE 11.

J. B. LEYLAND,

Reeve Municipality of West Vancouver.

Senator Robertson and Dominion Director of Unemployment Relief are expected to be in Victoria Monday, fifteenth instant in order to inquire a sto Municipal requirements for unemployment relief. Failing your ability to be represented kindly immediately forward me by Night Letter a note of the representations you wish made.

P. PHILIP.

MR. PAT PHILIP,

PUBLIC WORKS DEPT., VICTORIA, B.C.

Replying your wire suggest urging Dominion Government obtaining further Order in Council granting additional relief distribution for balance of year pending any National or Provincial undertaking decided upon. Also suggest grant cover full labor cost instead of fifty per cent. To obtain last five thousand Government grant the Municipality spent ten thousand labor and ten thousand material for bridge, road and water pipe repairs meaning Municipality paid out twenty thousand to obtain five thousand grant. Municipality could possibly furnish equipment and material if Government financed full cost labor. Large number unemployed in West Vancouver among residents living in Municipality but previously working in city concerns. At most moderate rate of pay on relay shifts of ten days a month would require between twenty-five thousand and thirty thousand to give temporary relief to end of year.

J.B.LEYLAND.

HON. DR. S. F. TOLMIE, VICTORIA, B.C.

Deeply appreciate efforts being made by you to assist in solving unemployment problem and trust conference with Honorable G. Robertson will be satisfactory. West Vancouver Council doing everything possible to assist unemployed previously working in city though problem most difficult. In connection with Provincial Public Works Department programme being considered strongly urge extension of Marine Drive to Squamish, Garibaldi and Lilloet. Would suggest that monies expended from Public Treasury should return an investment to province, and such a road, returning by Cariboo Highway would prove one of finest circular scenic trips on continent and would return millions to this Province from Tourist traffic. West Vancouver solidly behind you in your splendid efforts to assist the unemployed and Council glad to co-operate with Governments to that end.

REEVE J. B. LEYLAND.

A delegation of members of the Duncan Lawson Chapter, I. O. D. E., headed by the regent, Mrs. Helen R. Hayes, appeared before the Council in connection with the presentation of an inhalator to the Municipality. The regent, having read the address, presented it to the Reeve who replied that the Council heartily appreciated the splendid sentiments expressed and he wished, on behalf of the members of the Council and the Citizens of West Vancouver to thank the order for this very useful and timely gift and for the excellent spirit which had prompted the action. The Council had decided to keep the inhalator in the police department where it would be available at any moment and had also arranged that all members of the force be instructed in its use by Mr. Murphy of the North Vancouver Fire Brigade.
