PARENT-TEACHERS' ASSOCIATION MEETING

The first meeting for the new school year of the West Vancouver Parent-Teachers' Association took place at Pauline Johnson School on Tuesday evening, Sept. 15th, at 8 o'clock. There was an attendance of about sixty. At the meeting the new teachers were introduced. The P. T. A. prize of a ten dollar gold piece was presented to Miss Jessie Hoyle for the highest aggregate marks made at the West Vancouver High School in the Junior Matriculation last June. Officers were elected for two vacancies, the chairman for the program committee and the second vice-president, Mr. Russell for the former and Mr. Davison for the latter.

Miss Harrop delighted her audience with a vivid and chatty talk on her visit to the Old Country and Europe. Many people went back with her in imagination to the places which she described and which had been familiar to them; others listened to a new tale. A hearty vote of thanks was offered to Miss Harrop for her charming address.

The thanks of the meeting, too, are due to the Misses Vera and Frances Johnson for a pianoforte duet. Mrs. Webb gave a recitation and encore which was splendidly rendered and full of entertainment and altogether a successful ending to a pleasant evening. Watch for the next announcement.

Wife: "How lovely to be as slim as that."

"RALLY DAY"

The Sunday school will meet at 10:30 a.m. instead of 9:55, to mark the rolls and other items of detail.

at 11 o'clock the Sunday School departments will join with the congregation in the Annual Rally Day Service.

An interesting printed program has been prepared by the committee in Toronto which we will use. Different members of the various departments will have part therein.

The annual promotion will be one of the features as last year, the promoted classes passing through the gate as a symbol of the move to the higher grade.

Dr. Henry will give a short address and the choir will furnish some additional music to that on the program.

Both adults and girls and boys are earnestly asked to make this day a real one. Those who have been absenting themselves, come back. Those who attend no other school are welcome to share our good work.

At 7:30 p.m. Dr. Henry will continue the short addresses on "The Possibilities of Character Permanency."

A week from Sunday we have our Autumn Communion at the morning service.

Preparatory service Wednesday evening, Sept. 30, 8 p.m.

On Friday evening at 7 o'clock the C.G.I.T. will assemble to talk over future plans.

The Trail Rangers will meet for re-organization Tuesday evening next.

On Tuesday a quilting bee will be held in the Church Hall under the Women's Association and the Women's Missionary Society at 10 a.m. Two quilts will be used for welfare work. The women will bring lunch and tea will be provided.

On Saturday afternoon the bowling club expect two rinks from Point Grey.

The arrangements for last Saturday could not be carried out, but it is expected they will be able to come this Saturday instead.

Refreshments will be served after the games. We look for a good time if the good weather lasts, and we invite all interested in bowling to come and visit the lawn.

Everyone in the United Church is delighted at the splendid improvement in the health of Mrs. Geo. Hay, and all cherish the hope of seeing her one day back at the work she loved.

The Young People's Society are hoping to devote an hour each week on Monday evening to the study of some of the topics suggested by the general committee of the United Church.

Next Monday at 8 p.m. they will meet in Dr. Henry's study at the church. The program suggested is fourfold: devotional, missionary, citizenship, literature.

Next Monday the topic is, "What do we believe about Jesus." The text is Matthew 16:16 and John 20:31.

In these serious days we invite the young people to come and think on the important themes.

As I roam here and there ere my journey's end,
May I always find friends as true.
May Dame Fortune and kindness my daily path blend
With a bunch of good fellows like you!

In this world I have found that we get what we give.
We are done to forsooth as we do.
My prayer is that I may live while I live
With a bunch of good fellows like you.

There's a glint in your eye, there's a clasp in your hand,
There's a tone in your voice ever true
And I think Providence must be some kind of land
With a bunch of good fellows like you.

Here's a pledge to your health, your joy, your success;
For folk of your kind are too few.
There's something to hearten and gladden and bless
In a bunch of good fellows like you.

So I pledge you again and can only say this,
That it springs from sentiment true.
I shall always regret every day that I miss
From a bunch of good fellows like you."

Waiter: "There wasn't any under crust to that pie, sir; it was served on a paper plate."
