GROUSE MOUNTAIN SKI CLUB PARTY

The Grouse Mountain Ski Club held its fourth annual hike up Crown Mountain on Thanksgiving Day. The party consisted of ten men and four ladies all of whom succeeded in reaching their goal, the Camel, which is a well-defined rock projecting from the east slope of Crown Mountain.

With the aid of ropes, L. Loutet as leader and W. Grant as end man, succeeded in placing six members upon the head of the Camel. This was an exceedingly difficult task and much credit goes to Miss Sheila Boyd and Miss Phyllis Dumbrell, who proved their mountaineering ability by scaling this dangerous peak.

Many alterations are being made to the club's camp "Tele-mark" on Grouse Mountain and indications are that the coming year will be a most successful one.

A little girl was spending her first night from home. As the darkness gathered she began to cry.

The hostess asked, "Are you homesick?"

"No," she answered, "I'm here-sick."

"Believe me, if all those adhering young charms
Which I view with admiring dismay,
Are going to rub off on the shoulders and arms
Of this suit which was just cleaned today;
Thou wilt still be adored with my usual zeal,
My sweetheart, my loved one, my own,
But I'll sternly repress the emotions I feel—
I'll love you, but leave you alone."

BUY YOUR POPPIES IN WEST VANCOUVER

The Poppy Committee of the Legion W.A., working under the chairmanship of Mrs. W. Atwood, make an appeal to the citizens of West Vancouver to buy their poppies at home. Large and small poppies will be available at the ferry wharf. The proceeds from the sale of poppies will be used for benevolent purposes in West Vancouver.

For information please phone Mrs. W. Atwood, West 122L, or Mrs. J. Wicking, West 696R2.

The "Demonstration Tea" presided over by Mrs. W. T. Rush. Judging by the interest shown in the two mats on the frames on which Mrs. McDonald and Mrs. McGregor were working, and those on exhibition done by Miss MacKay, it is probable that West Vancouver rag bags will rise to a new dignity this winter.

Nor were the rugs the only attraction. Pianoforte duets by Mrs. Alexander and Miss Frame and vocal solos by Mrs. W. H. Leggett and Mrs. S. B. Willoughby formed an excellent musical programme arranged by Mrs. R. W. Froud and Mrs. R. Howieson. The home-cooking stall convened by Mrs. J. Lawson and Mrs. G. D. Elgar was quickly cleared of its toothsome delicacies, and an enjoyable tea was served by Mrs. G. Baldwin and Mrs. A. D. Chisam and their helpers. Perhaps the happiest moment of the afternoon was when Mrs. Henry appeared for the first time after her long illness, and was able to stay and chat a little with many of her friends. Another happy moment was when the treasurer, Mrs. McCall Stitt, was able to announce that the tea had realized over \$30 for the W.A. treasury.

P. T. A. MEETING

The October meeting of the P. T. A. took place in the Pauline Johnson School on Tuesday.

The speaker, Dr. H. L. Anderson of North Vancouver, gave a very spirited and inspiring address on Health—What the parents can do to promote the health of their children. As well as being instructive, Dr. Anderson was entertaining, and those who were not present certainly missed one of the most delightful lectures of the year.

Great credit was due to Bob McCartney and Garnet Williamson for their cornet duet. West Vancouver feels proud that from its schools it can produce two such splendid musicians. The audience were delighted to listen to them and tendered them a very hearty vote of thanks, which included their accompanist, Mrs. Sutherland.
