

### Letting your hair grow?

If you are one of the many who are wearing a longer bob, keep it neat. Nothing looks so untidy as straight ends, and it is quite unnecessary when you can have the ends of your hair permanently curled or in the very fashionable roll which needs no pins, for as little as \$3.50.

### United Church

Minister, E. A. Henry, D.D.

Sunday, December 6, 1931

Public Worship conducted by  
Dr. Henry 11:15 a.m. and 7:15  
p.m.

Morning topic: "Is Our Christianity Christlike?"  
Evening topic: "A Wonderful Friend."

Our Bazaar has once more come and gone and "in spite of fears" owing to the financial stringency we have once more exceeded our expectations and "gone over the top". The weather was favorable; Mrs. T. A. Spencer in a gracious manner officially opened it; the attendance was all one could desire; Miss Frame and Mrs. Alexander supplied delightful music during the day; the new games feature in the lower hall proved an additional attraction; the decorated stalls were delightfully arranged and the various articles of sale of choice values. There are still a few novelties and pieces of fancy work which will be offered for sale on Tuesday next at 4 o'clock after the W.A. meeting. It will give those who could not attend the sale a further opportunity of making purchases for Xmas gifts and of helping the church funds at the same time.

A special meeting of the Women's Association is called for Tuesday, December 8th at 2:15 p.m. As this is the last before the Annual meeting a full attendance is requested.

The regular meeting for prayer and study at 8 o'clock will have Psalm in the series which has been our theme for the past few weeks.

Next Monday at 8 o'clock, the Y.P.S. will hold an open meeting at which Rev. Mr. Burchill will give a lantern illustrated talk "On the Shores of the Caribbean Sea." It will be in the Church Hall and a silver offering at the door is asked for.

Two weeks from Sunday, (Dec. 20) is "White Gifts for the King" Sunday. It will be at the morning service and congregation and Sunday School will meet together. Last Xmas there was a full house. Let us keep it in mind and make it a day of inspiration. Details later.

We are now within a week of the big night at the Inglewood Auditorium (Sat., Dec. 12) when the playlet, "Secrets" will be put on by a number of boys and girls, in aid of the Welfare Fund. The tickets are selling well but we want a full house for the encouragement of the performers and the augmentation of the fund. Other attractions will be special dancing by the Montessori pupils and contributions by the School Band by the courtesy of Mr. Condon and the School Board.

Father Xmas will be on hand so be sure to bring the children.

J. C. E. Walker wrote the council in reference to D. L.'s 1147 and 1148. He was advised that the lots were not for sale.

George Hay was present at the council meeting to answer any questions which might arise in connection with his letter regarding road allowance, Mr. Ingalls' property, 16th and Fulton.

After discussion, wherein Mr. Hay was assured that the work would be done within six months the offer of Mr. Hay on behalf of his client was accepted in accordance with the report of the engineer as to the necessary cost.
