This afternoon (Friday) the women are meeting for the annual May Tea at the Social Service Redemptive Home in Burnaby, on Sussex Avenue. The Bowling Lawn is in full swing and is proving an attractive spot for a number that is growing. The grass is in good shape for play. Every Saturday afternoon the bowlers chip in some sandwiches or cake, etc., and have afternoon tea.

The membership is open to the community, for the old West Vancouver Lawn Bowling Club has been revived and the present greens are available for all players. It not only gives exercise but creates friendships and is one of the finest of outdoor sports.

Hints for Girls

Another way for a girl to keep her youth is not to introduce him to her girl friends.

HIGH SCHOOL RELAY TEAMS WIN—GIRLS SET NEW RECORD

Monday afternoon teachers and students attended the annual Inter-High School sports at Hastings Park. The local students made a good showing and reflected much credit upon the school and their coaches, Miss McSweyn and Mr. Sinclair. All who had survived the keen competition of the preliminaries won places in Monday's events.

Betty Vickery in Junior Girls' high jump took 2nd place, and Marjorie Paton, 3rd in the Intermediate girls' 50 yard dash.

The girls' relay team, Jean Garrett, May Cripps, Pearl Robertson, Mildred Lettner, Muriel Dawson, Betty Vickery, Pat Davidson and Marjorie Paton ran a splendid race to win the small schools relay event and set a new record of 56 7/10 seconds. Distance 1/4 mile.

The boys' relay team, Jim Murray, Wilfred Thomson, Tom Lightly, Len Curtis, Wingett Irish, Bob Fiddes, Ted Russell and Jack Watt won the small schools relay for boys. This was a keen struggle with a sensational finish by Jack Watt. Time 1 min., 36 4/5 sec. for the 1/2 mile.

The West Vancouver High School team collected a total of 21 points.

ADVERSE WORLD CONDITIONS REFLECTED IN MARCH FISHERIES

Canada's sea fisheries operations in March resulted, in brief as follows:—

In British Columbia the catch of salmon for the month was almost the same as in March of last year, but March salmon fishing is never on an extensive scale and the landings for the month just past amounted only to some 337,000 pounds. Landed value, of course decreased. Halibut landings, nearly 1,251,000 pounds, were 540,000 larger than a year ago but landed value a little more than \$49,000, showed a decrease of \$18,700. The herring catch of 9,265,000 pounds, in round figures, was substantially less than in March, 1931, a condition due to market conditions as the fish were abundant.

Altogether, the month's landings from the fisheries of the province were approximately 12,986,000 pounds, as against more than 15,600,000 pounds in the 1931 month. Total landed value was \$117,970 as compared with \$178,210.
