#### CHURCHES OF CHRIST, SCIENTIST

"Matter" is the subject of the  
Lesson - Sermon which will be  
read in all Churches of Christ,  
Scientist, on Sunday, September  
17th.

Among the citations which  
comprise the Lesson - Sermon is  
the following from the Bible:  
"Who hath directed the Spirit of  
the Lord, or being his counsellor  
hath taught him?" (Isai-  
ah 40: 13)

The Lesson - Sermon also in-  
cludes the following passage  
from the Christian Science text-  
book, "Science and Health with  
Key to the Scriptures" by Mary  
Baker Eddy: "Matter and Mind  
are opposites. One is contrary  
to the other in its very nature  
and essence; hence both cannot  
be real. If one is real, the other  
must be unreal. Only by under-  
standing that there is but one  
power,—not two powers, mat-  
ter and Mind,—are scientific and  
logical conclusions reached." (p.  
270).

Bollert has been in contact with  
many young people, both in our  
own university and recently  
from many parts of the world

#### LEGION NOTES

The next general meeting of  
the local branch will be held at  
8 p.m. Friday next at the Legion  
Memorial Hall, when a good  
turn out of the members is ex-  
pected. With the coming of the  
winter season programs of ent-  
ertainment, etc., for the welfare  
of the branch should be of in-  
terest to all. An unemployment  
committee has been formed with  
Comrade G. McNeil in charge,  
and members affected are speci-  
ally requested to bring their  
problems before same for satis-  
factory solution. It has been  
shown from time to time that  
the ex-service man without a  
pension, and in most cases in  
poor health and strength, re-  
quires special consideration and  
sympathetic understanding  
which can only be given by the  
ex-service man himself.

The matter of the tents on the  
Bradner property, D.L. 1059,  
S.E. 1/4 Lots 7, 8, 9 etc. came up  
before the council. The build-  
ing inspector was instructed to  
attend to their removal and the  
police department to investigate  
complaints re the discharging of  
firearms.

was telling a friend. "I'm certainly glad now that I kept my  
telephone."

"What did your telephone have to do with it?" asked  
the other.

"Why, the boss said he had work for only a few men,
