

WEST VAN. UNITED FOOTBALL CLUB

United played a keenly contested game at Sapperton Saturday last. They travelled minus three of their regular players, Mason, Kendrick and Neill replacing Stratton, Timbrell and Vaughan. United held the home team well in hand and did everything but score.

Having a 3% grade, sun and wind in their support in the first half Sapperton's goalie was called on to save some pretty hot shots. United were pressing hard and looked like scoring when the whistle went for half time, neither team getting the advantage.

Seven minutes after changing ends with what looked like impossible conditions and an increasing wind against them, D'Easum at centre for United beat the Sapperton goalie with one of his usual cool unexpected shots, after which United fought hard to keep their territory from invasion, until 7 minutes from full time. Two of United's defence were in their own goal mouth each expecting the other to clear when one of the Sapperton forwards ripped in and never giving Larnie a chance,

equalized the score. United's defence then had their work cut out to keep their opponents from scoring from a succession of corners forced by Sapperton's determination to annex both points on their home pitch.

Larnie's precision as custodian won the admiration of the spectators as did United's defence in its entirety. Final score Sapperton 1, West Van. United 1.

Saturday next, 21st October, at Ambleside Park, West Van. United will play Grandview Sports Club. Kick off 2:45 p.m. sharp. This game is in the first division Junior Alliance League and should be well worth seeing.

Line-up: Larnie, McLean, White, Normand, Davie, Timbrell, Stratton, Fiddes, D'Easum, Tearoe, Kendrick, Neil.
